Sermons On Selected Lessons Of The New Testament St. Augustine of Hippo, The Sermons of St Augustine besides their other excellencies furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ In them he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ Very touching is the child like simplicity with which he gradually leads them through what to them were difficulties watching all the while whether he made himself clear to them keeping up their attention pleased at their understanding dreading their approbation and leading them off from himself to some practical result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy **The Museum of Foreign**

The Last Man To Die Shruti Sedani, 2025-05-13 What happens when humanity no longer fears death because it no longer exists In a future where a discovery called Eterna grants eternal life the world celebrates its victory over mortality But one man Ishan Verma dares to walk the opposite path he chooses to die His decision becomes a spark in a silent world awakening buried questions about the soul purpose and the forgotten beauty of impermanence Set in the spiritual heartlands of India The Last Man to Die is a haunting exploration of immortality identity and the search for meaning in a world that has erased endings As science triumphs over nature this story reminds us that sometimes the most radical act is to let go Emotional unsettling and deeply philosophical this novel invites readers to reflect on what it truly means to live and why we must someday die
