Inventing the Art Collection

Oscar E. Vázquez,2010-11-01 The pace and scale of the exchange of cultural goods of all sorts paintings furniture even ladies fans increased sharply in nineteenth century Spain and new institutions and practices for exhibiting as well as valorizing art were soon formed Oscar V zquez maps this cultural landscape tracing the connections between the growth of art markets and changing patterns of collecting Unlike many earlier students of collecting he focuses not upon questions of taste but rather upon the discursive and institutional frameworks that came to regulate art s economic and symbolic worth at all levels of Spanish society Drawing upon sources that range from newspaper reviews to notarial documents V zquez shows how collecting acquired the power to mediate debates over individual regional and national identity His book also looks at the emergence of a new state apparatus for arts administration and situates these social and political changes in the broader European context Inventing the Art Collection will be of interest to historians and sociologists of Spain and Europe as well as art historians and cultural theorists

Wilhelm Bode and the Art Market ,2022-12-05 The professional career and success of

Wilhelm Bode 1845 1929 relied on the business of connoisseurship Like other contemporary art historians involved in the commerce of art he was entangled in the reciprocal dynamics and interdependencies of the nascent discipline of art history connoisseurship and the art trade The volume introduces new material and a fresh perspective on Bode s strategic participation in the Western art market exposing the particular consequences of these entanglements on the birth of the art historical canon and showcasing his complex agency within the art marketplace of the late nineteenth and the early twentieth centuries
