*Secularization in Contemporary Religious Radicalism* Corneliu Simut, 2019-05-21 The concept of secularization has grown to become one of the most important features of contemporary religious thought This book introduces and examines the thinking of sixteen key theologians philosophers and historians of religion to explain a why by the late nineteenth century the traditional concept of God as an ontologically real being came to be considered no longer necessary and b how the new perspective on God which accepts him only as an idea turned into the preferred approach of today s religion and philosophy namely religious radicalism

**The Ruthless Critique of Everything Existing** Andrew Feenberg, 2023-02-28 For several years after 1968 Herbert Marcuse was one of the most famous philosophers in the world He became the face of Frankfurt School Critical Theory for a generation in turmoil His fame rested on two remarkable books *Eros and Civilization* and *One Dimensional Man* These two books represent the utopian hopes and dystopian fears of the time In the 1960s and 70s young people seeking a theoretical basis for their revolution found it in his work Marcuse not only supported their struggles against imperialism and race and gender discrimination he foresaw the far reaching implications of the destruction of the natural environment Marcuse s Marxism was influenced by Husserl and Heidegger Hegel and Freud These eclectic sources grounded an original critique of advanced capitalism focused on the social construction of subjectivity and technology Marcuse contrasted the one dimensionality of conformist experience with the new sensibility of the New Left The movement challenged a society that delivered the goods but devastated the planet with its destructive science and technology A socialist revolution would fail if it did not transform these instruments into means of liberation both of nature and human beings This aspiration is alive today

in the radical struggle over climate change Marcuse offers theoretical resources for understanding that struggle

**Critical Theory and Authoritarian Populism** Jeremiah Morelock, 2018-12-17 After President Trump's election BREXIT and the widespread rise of far Right political parties much public discussion has intensely focused on populism and authoritarianism In the middle of the twentieth century members of the early Frankfurt School prolifically studied and theorized fascism and anti-Semitism in Germany and the United States In this volume leading European and American scholars apply insights from the early Frankfurt School to present day authoritarian populism including the Trump phenomenon and related developments across the globe Chapters are arranged into three sections exploring different aspects of the topic theories historical foundations and manifestations via social media Contributions examine the vital political psychological and anthropological theories of early Frankfurt School thinkers and how their insights could be applied now amidst the insecurities and confusions of twenty first century life The many theorists considered include Adorno Fromm L. W. and Marcuse alongside analysis of Austrian Facebook pages and Trump's tweets and operatic media drama This book is a major contribution towards deeper understanding of populism's resurgence in the age of digital capitalism

**The Freirean Legacy** Judith J. Slater, Stephen M. Fain, César Augusto Rossatto, 2002 In this collection of voices one hears stories and discussions grounded in the ideas of one of the most influential teachers and thinkers of our time The Freirean Legacy offers the reader an opportunity to consider the work of Paulo Freire in terms of three significant perspectives Michael Apple Joe Kincheloe and Ana Maria Araújo Nita Freire are among those who share insights and understandings resulting from firsthand experiences with Freire The theoretical insights into his work and ideas are brought forth in pieces by Peter McLaren Judith J. Slater and others Finally this book concludes with interpretations of Freire's teachings as applied to praxis by several authors including Stephen M. Fain and Cesar A. Rossatto This anthology will serve to initiate well in getting to know Paulo Freire while at the same time providing the sophisticated scholar with an opportunity to advance the conversation and continue the dialogue

**Critical Theory: The Basics** Martin Shuster, 2024-05-27 Critical Theory The Basics brings clarity to a topic that is confusingly bandied about with various meanings today in popular and academic culture First defined by Max Horkheimer in the 1930s critical theory now extends far beyond its original German context around the Frankfurt School and the emergence of Nazism We now often speak of critical theories of race gender anti colonialism and so forth This book introduces especially the core program of the first generation of the Frankfurt School including Horkheimer Theodor W. Adorno Erich Fromm and Herbert Marcuse and shows how this program remains crucial to understanding the problems ideologies and systems of the modern world including capitalism racism sexism and the enduring problems of colonialism It explores basic questions like What is critical theory What can critical theory be What should it be Why and how does critical theory remain vital to understanding the contemporary world including notions of self society politics art religion culture race gender and class With suggestions for further reading this book is an ideal starting point for anyone seeking an

accessible but robust introduction to the richness and complexity of this tradition and to its continuing importance today

*Marcuse in the Twenty-First Century* Robert Kirsch, Sarah Surak, 2018-12-07 This book engages the critical theory of political philosopher Herbert Marcuse to imagine spaces of resistance and liberation from the repressive forces of late capitalism Marcuse an influential counterculture voice in the 1960s highlighted the smooth democratic unfreedom of postwar capitalism a critique that is well adapted to the current context The compilation begins with a previously unpublished lecture delivered by Marcuse in 1966 addressing the inadequacy of philosophy in its current form arguing how it may be a force for liberation and social change This lecture provides a theoretical mandate for the volume s original contributions from international scholars engaging how topics such as higher education aesthetics and political organization can contribute to the project of building a critical rationality for a qualitatively better world offering an alternative to the bleak landscape of neoliberalism The essays in this volume as whole engage the current context with an urgency appropriate to the problems facing an encroaching authoritarianism in political society with an interdisciplinary lens that speaks to the complexity of the problems facing modern society The chapters originally published as a special issue in *New Political Science*

*Modernism and the Frankfurt School* Tyrus Miller, 2014-05-14 Provides a single volume introduction to the important connection of Frankfurt School thought and modernist culture Tyrus Miller s book offers readers a focused introduction to the Frankfurt School s important attempts to relate the social political and philosophical conditions of modernity to innovations in twentieth century art literature and culture The book pursues this interaction of modernity and modernist aesthetics in a two sided dialectical approach Not only Miller suggests can the Frankfurt School s penetrating critical analyses of the phenomena of modernity help us develop more nuanced historically informed and contextually sensitive analyses of modernist culture but also modernist culture provides a field of problems examples and practices that intimately affected the formation of the Frankfurt School s theoretical ideas The individual chapters which include detailed discussions of Walter Benjamin Theodor Adorno Herbert Marcuse as well as a survey of later Frankfurt School influenced thinkers discuss the ideas of a given figure with an emphasis on particular artistic media or contexts Benjamin with lyric poetry and architecture as urban art forms Adorno with music Marcuse with the liberationist art performances and happenings of the 1960s

**Key Features** Introduces well studied major figures such as Benjamin and Adorno in a new light while connecting their ideas with problems in modernist art and culture Offers a clear thorough and relevant survey of major ideas and figures Provides a revisionary view of the rigorous connection of Frankfurt School theory and modernist culture
