Another Chance:

Another Chance Mindy Potash-Smith, 2014-06-12 Justin Nichols had it all and hits rock bottom when it's stripped from him. But when he lays eyes on his high school sweetheart a fire lights inside him and makes him realize there's something left in life worth fighting for. Kristen Delanie had her heart broken at age sixteen and finds herself face to face with the man responsible. He not only made her self-conscious but also left her feeling inferior. She knows in her heart the only way to get rid of her insecurities is to let him back into her life but at what cost? Almost immediately someone is trying to send Kristen a message by turning her world upside down. Is the stranger's focus on her or is it coincidental that it didn't start happening until Justin waltzed back into her life? The whole situation leaves them both wondering is it possible to get another chance?

Another Chance Frank Lowe, 2005 If one night you met Max Neal a darkly handsome nineteen year old who was turning tricks on the streets of Denver and asked him what had brought him to this life he wouldn't have told you the truth. And he wouldn't have told you about his love affair with power. It was his hunger for power that precipitated the roundabout and sacrilegious journey that led to his popular charismatic priesthood. But Max eventually learns that power cannot protect him from his destiny. His life soon becomes inextricably entangled with those of three very different priests and a suicidal young vagrant. The secrets from the past could lead to dangerous consequences or forbidden love and could cost him everything he has worked to become. Max deals with his life in the only way he has known up to this point he flees from the situation by assuming someone else's identity. Max continues to run from himself and his past until the day that he finally comes to the realization that he doesn't even know who he is anymore. Only by rediscovering himself will he be able to look forward to the future free from the anguish and torment of his troubled past.
