Challenging

Innovation

Artistic Merit

Lauded Critically

Other Notes:

Wild West C.O.W.Boys of Moo Mesa is another cartoon I never saw as a kid, but it is good, especially since the show's creator, Ryan Brown, worked on the TMNT comic. In this episode, after Beef Hill Buzzard and Saddle Sore are arrested by Marshal Moo Montana and his allies, Cowlorado Kid and Dakota Dude, only to be released by Mayor Bullony (on the ground of having learned their lesson), Moo believes he is not making a difference in Cowntown, especially since today marks ten years since he started the job. Depressed no one remembers as well as feeling he isn't making a difference, he decides to move on, when he gets a telegram asking for his help from Bessie Bluebell asking him to come to Miller Glen, as Sheriff T-Bone needs his help, as the outlaw Bat Blastagun and his gang are causing trouble. This episode sheds some light on Moo Montana's past, as Miller Glen is Moo Montana's home, and Sheriff T-Bone taught him the skills to be a marshal, and having to have a difficult decision when Sheriff T-Bone wants him to be Miller Glen's new sherrit. which causes Dakota, Cowlorado, and Miss Lily to be shocked. It's a good episode, and should be watched.
