popular genre of science fiction as a useful case study Applebaum demonstrates that negative attitudes toward technology exist within children s literature in general making the book of considerable interest to scholars of both science fiction and children s literature     An Exposition Upon the Second Epistle General of St. Peter Thomas Adams,1848     Read for Your Life Gladys Hunt,Barbara Hampton,1992 Most teens already know what wealth and just plain fun books contain What is sometimes missing is the encouragement to make time for reading in the middle of a busy life Getting excited about books is contagious and so is the reading habit The whole family needs all the encouragement it can get especially teenagers Read for Your Life is more than inspiration to read Gladys Hunt discusses how to read a book what makes a good book what questions to ask and how to discern between good better and best She has a way of making you want to read while helping you to make the most of the opportunity To help you choose what to read Barbara Hampton has reviewed more than 300 books Her recommendations run the gamut from classics like A Tale of Two Cities to contemporary fiction like A Ring of Endless Light from literary greats like Sir Arthur Conan Doyle and Alan Paton to moderns like Katherine Paterson and Chaim Potok The book contains Pointers on becoming a more perceptive reader Tips on how to enjoy poetry fantasy and fiction An annotated list of over 300 book recommendations Hundreds of plot synopses A complete index to authors and titles     Moral and religious poems Felicia Dorothea Hemans,1850     *The Complete Works of Mrs. Hemans* Mrs. Hemans,1868
