### **Political Communication in Chinese and European History, 800-1600** Hilde Weerdt, Franz-Julius

Morche, 2025-10-01 Based on a collaboration between historians of Chinese and European politics *Political Communication in Chinese and European History 800 1600* offers a first comprehensive overview of current research on political communication in middle period European and Chinese history The chapters present new work on the sources and processes of political communication in European and Chinese history partly through juxtaposing and combining formerly separate historiographies and partly through direct comparison Contrary to earlier comparative work on empires and state formation which aimed to explain similarities and differences with encompassing models and new theories of divergence the goal is to further conversations between historians by engaging regional historiographies from the bottom up *Twentieth-Century*

*China* Jeffrey N. Wasserstrom, 2013-10-14 *Twentieth Century China New Approaches* is an important revisionist study of China's recent past The chapters throw light on a variety of subjects within the field which has recently undergone considerable change The three major parts of this reader take into account the historical shape of the century local perspectives on national history and reflections on cultural history The chapters in this volume reflect a move away from a Western centred analysis of Chinese history as well as the new wealth of archival material made accessible over the last decade They highlight in challenging ways important topics that have generated considerable excitement among historians Subjects discussed include the watershed date of 1949 feminism the revolutions the discourse of the communist party and political theatre in modern China *Sexual Life in Ancient China* R.H. van Gulik, 2021-10-01 In 1961 Robert van Gulik

published his pioneering overview of *Sexual Life in Ancient China* This edition of the work is preceded by an elaborate introduction by Paul Rakita Goldin assessing the value of Van Gulik's volume the subject itself and its author The introduction is followed by an extensive and up to date bibliography on the subject which guides the modern reader in the literature on the field which appeared after the publication of Van Gulik's volume One of the criticisms in 1961 regarded the Latin translations of passages deemed too explicit by Van Gulik In this 2002 edition all Latin has for the first time been translated into unambiguous English thus making the full text widely available to an academic audience *The Economies of Imperial*

*China and Western Europe* Patrick Karl O'Brien, 2020-10-14 This book is a critical interpretation of a seminal and protracted debate in comparative global economic history Since its emergence in now classic publications in economic history between 1997 2000 debate on the divergent economic development that has marked the long term economic growth of China and Western Europe has generated a vast collection of books and articles conferences networks and new journals as well as intense interest from the media and educated public O'Brien provides an historiographical survey and critique of Western views on the long run economic development of the Imperial Economy of China a field of commentary that stretches back to the Enlightenment The book's structure and core argument is concentrated upon an elaboration of and critical engagement

with the major themes of recent academic debate on the Great Divergence and it will be of enormous interest to academics and students of economic history political economy the economics of growth and development state formation statistical measurements environmental history and the histories of science and globalization **The Confucian-legalist State**

Dingxin Zhao, 2015 The Confucian Legalist State proposes a new theory of social change and in doing so analyzes the patterns of Chinese history such as the rise and persistence of a unified empire the continuous domination of Confucianism and China's inability to develop industrial capitalism without Western imperialism New Developments in Asian Studies

Van, 2013-01-11 First published in 1998 Routledge is an imprint of Taylor Francis an informa company *The New and the Multiple* Thomas H. C. Lee, Hongqi Li, 2004 This is the first comprehensive English study of Sung Chinese historical consciousness Written by leading Sung scholars in the United States Europe Japan and Taiwan the eleven articles in this collection seek to understand how Sung scholars perceived the past **Some Did it for Civilisation, Some Did it for**

**Their Country** Jane E. Elliott, 2002 This book marks a total departure from previous studies of the Boxer War It evaluates the way the war was perceived and portrayed at the time by the mass media As such the book offers insights to a wider audience than that of sinologists or Chinese historians The important distinction made by the author is between image makers and eyewitnesses Whole categories of powerful image makers both Chinese and foreign never saw anything of the Boxer War but were responsible for disseminating images of that war to millions of people in China and throughout the world **Pelagic**

**Passageways** Rila Mukherjee, 2011 Due to the frontierization of nation states maritime historians have tended to ignore the northern Bay of Bengal Yet this marginal region now dispersed over the four nation states of India China Myanmar and Bangladesh was not marginal in the past Until recently however historians have concentrated largely on the big four the Gujarat Malabar Coromandel and western Bengal coasts Extreme eastern South Asia Bengal and the lands to its north east fanning into Burma and China or modern India's north east and beyond is the focus of Pelagic Passageways This regional unit including diverse topographic features plains forests estuaries deltas rivers mountains lakes plateaus and remote passes oscillates between unity and fragmentation between centrality and marginality in the larger space of the Bay of Bengal To attempt a history of this space is indeed challenging There is not one but two deltas here the western delta corresponding to present West Bengal in India and centred now on Kolkata and the south eastern delta in present Bangladesh centred on Dhaka and running into Arakan Not merely in terms of location but on a historical axis too the two deltas are vastly different as they have followed disparate trajectories dictated in part by their geographies Pelagic Passageways therefore questions the conventional fault line located on the south eastern Bengal delta between the historiography of South and South East Asia Concentrating on commodity and currency flows travel trade routes and interactive networks Pelagic Passageways visualizes the cultural space of the northern Bay of Bengal as embracing upland landlocked areas Ava Yunnan the Tripuri Dimas and Ahom states not usually seen as part of maritime history This collection of essays suggests that they too were a

part of the social and commercial networks of the Indian Ocean While these countries literally fell off the map this volume proposes that we see these areas instead as crossroads mediating flows between the land dwelling and aquatic worlds *An Introduction to Confucianism* Xinzhong Yao,2000-02-13 Taking into account the long history and wide range of Confucian Studies this book introduces Confucianism initiated in China by Confucius 551 BC 479 BC primarily as a philosophical and religious tradition It pays attention to Confucianism in both the West and the East focussing on the tradition s doctrines schools rituals sacred places and terminology but also stressing the adaptations transformations and new thinking taking place in modern times Xinzhong Yao presents Confucianism as a tradition with many dimensions and as an ancient tradition with contemporary appeal This gives the reader a richer and clearer view of how Confucianism functioned in the past and of what it means in the present A Chinese scholar based in the West he draws together the many strands of Confucianism in a style accessible to students teachers and general readers interested in one of the world s major religious traditions

**Global Shanghai, 1850-2010** Jeffrey N Wasserstrom,2008-11-25 This book explores the play of international forces and international ideas about Shanghai looking backward as far as its transformation into a subdivided treaty port in the 1840s and looking forward to its upcoming hosting of China s first World s Fair the 2010 Expo As such Global Shanghai is a lively and informative read for students and scholars of Chinese studies and urban studies and anyone interested in the history of Shanghai

**The Jehol Diary** ,2010-02-01 This is the first translation into English of the eighteenth century Korean masterpiece entitled Y rha ilgi The Jehol Diary by Pak Chiw n 1737 1805 The original text was written in classical Chinese and is a notoriously difficult work to translate Pak Chiw n diarises the experiences of his remarkable overland journey on horseback from the northern border region of Korea to China s imperial summer residence in Jehol Having been commanded by King Chongjo the Korean monarch to undertake the journey Pak accompanied the royal envoys in 1780 on their tributary visit to the Chinese Emperor Qianlong who was celebrating his seventieth birthday The diary reveals the author s considerable curiosity about everything he sees and experiences he describes aspects of China s superior material culture and compares what he sees to be the backwardness of Korean methodology and uneconomic ways In addition the diary provides an outline of his suggestions for Korean social reform and even painstakingly records the daily lives of his fellow travellers including his two personal servants The text consists of three chapters Crossing the Yalu River Tales from Shenjing and Gateways and Garrisons Korean masterpiece Y rha ilgi Jehol Diary Changing Stories in the Chinese World Mark Elvin,1997 This is an imaginative evocation and analysis through the medium of translations the author s own of once popular but now forgotten literature of the variety of stories in terms of which the Chinese have interpreted their lives since the early years of the 19th century **East Meets West** Daniel A. Bell,2000-05-08 Is liberal democracy a universal ideal Proponents of Asian values argue that it is a distinctive product of the Western experience and that Western powers shouldn t try to push human rights and democracy onto Asian states Liberal democrats in the West typically counter by questioning

the motives of Asian critics arguing that Asian leaders are merely trying to rationalize human rights violations and authoritarian rule In this book written as a dialogue between an American democrat named Demo and three East Asian critics Daniel A Bell attempts to chart a middle ground between the extremes of the international debate on human rights and democracy Bell criticizes the use of Asian values to justify oppression but also draws on East Asian cultural traditions and contributions by contemporary intellectuals in East Asia to identify some powerful challenges to Western style liberal democracy In the first part of the book Bell makes use of colorful stories and examples to show that there is a need to take into account East Asian perspectives on human rights and democracy The second part a fictitious dialogue between Demo and Asian senior statesman Lee Kuan Yew examines the pros and cons of implementing Western style democracy in Singapore The third part of the book is an argument for an as yet unrealized Confucian political institution that justifiably differs from Western style liberal democracy This is a thought provoking defense of distinctively East Asian challenges to Western style liberal democracy that will stimulate interest and debate among students of political theory Asian studies and international human rights

**Another History** Mark Elvin,1996 These essays are comparative studies of developments in China in the context of contemporaneous developments in Europe Features in China s history society geography and developments in technology industry demography and literature are scrutinised and provide insights into developments in China spanning a thousand years

**The Axial Age and Its Consequences** Robert N. Bellah,Hans Joas,2012-10-31 This book makes the bold claim that intellectual sophistication was born worldwide during the middle centuries of the first millennium bce From Axial Age thinkers we inherited a sense of the world as a place not just to experience but to investigate envision and alter A variety of utopian visions emerged and led to both reform and repression

*Chinese Women in the Imperial Past* Harriet Zurndorfer,2022-08-22 The present volume is the result of a Leiden University workshop on women in imperial China by a group of international scholars In recent years Chinese women and gender studies have attracted more and more attention and this book is one of the first efforts to focus on major aspects of this subject It covers a wide range of topics and disciplines including bibliography demography history legal studies literature history of medicine and philosophy Chinese Women in the Imperial Past can rightly be seen as connected with the new Brill journal NAN N Men Women and Gender in Early and Imperial China which was founded to provide the scholarly community with a lasting forum in which the subject of Chinese women and gender can be dealt with in its own right

The Virgin Mary and Catholic Identities in Chinese History Jeremy Clarke,2013-08-01 The Chinese Catholic Church traces its living roots back to the late sixteenth century and its historical roots back even further to the Yuan dynasty This book explores paintings and sculptures of the Virgin Mary and the communities that produced them over several centuries It argues for the emergence of distinctly Chinese Catholic identities as artistic representations of the Virgin Mary at different times and in different places absorbed and in turn influenced representations of Chinese figures from Guanyin to the Empress Dowager At other times indigenous

styles have been diluted by Western influences following the influx of European missionaries in the nineteenth century for example or with globalization in recent years The book engages with history theology and art and draws on imagery and archival photographs that have been largely neglected As a study of the social and cultural histories of communities that have survived over many centuries this book offers a new view of Catholicism in China one that sees its history as more than simply a cycle of persecution and resistance Fr Jeremy Clarke SJ is an Australian Province Jesuit teaching as an assistant professor in the History Department of Boston College He is also a school visitor in the Australian Center for China in the World at the Australian National University Canberra

Science and Civilisation in China: Volume 7, The Social Background, Part 2, General Conclusions and Reflections Joseph Needham, 2004-07-22 It would be difficult to overstate the importance of Joseph Needham's Science and Civilisation in China series For nearly fifty years Needham and his collaborators have revealed the ideals concepts and achievements of China's scientific and technological traditions from the earliest times to about 1800 through this great enterprise During his long working lifetime Needham kept in draft various essays some written with collaborators in which he set out his broad views on the Chinese social and historical context These essays edited by one of his closest collaborators Kenneth Robinson are contained in the present volume A reading of this material makes it possible to reconstruct the assumptions and problematics that underpinned and drove the Needham project throughout the nearly one half century during which he was at the helm The documents gathered here reveal the intellectual foundations of one of the greatest scholarly enterprises of the twentieth century

Significant Soil Emer O'Dwyer, 2020-05-11 Like all empires Japan's prewar empire encompassed diverse territories as well as a variety of political forms for governing such spaces This book focuses on Japan's Kwantung Leasehold and Railway Zone in China's three northeastern provinces The hybrid nature of the leasehold's political status vis vis the metropole the presence of the semipublic and enormously powerful South Manchuria Railway Company and the region's vulnerability to inter imperial rivalries intra imperial competition and Chinese nationalism throughout the first decades of the twentieth century combined to give rise to a distinctive type of settler politics Settlers sought inclusion within a broad Japanese imperial sphere while successfully utilizing the continental space as a site for political and social innovation In this study Emer O'Dwyer traces the history of Japan's prewar Manchurian empire over four decades mapping how South Manchuria and especially its principal city Dairen was naturalized as a Japanese space and revealing how this process ultimately contributed to the success of the Japanese army's early 1930s takeover of Manchuria Simultaneously Significant Soil demonstrates the conditional nature of popular support for Kwantung Army state building in Manchukuo highlighting the settlers determination that the Kwantung Leasehold and Railway Zone remain separate from the project of total empire
