Haunted Texas Alan N. Brown,2022-07-15 Things that go bump in the night disembodied voices footsteps in an empty stairwell an icy hand on your shoulder let your imagination run wild as you read about Texas s most extraordinary apparitions sinister spooks and bizarre beasts You may know of Crazy Man s Tower or San Antonio s haunted railroad crossing but perhaps you haven t heard about the White Sanitarium an abandoned mental institution in Wichita Falls plagued by ghostly forms and spectral noises the Lady in Green of the McGloin house who floats persistently over the lake spurned from unrequited love and Lake Worth s monster a mysterious creature inhabiting the area that looks half human but acts like a feral animal

Priceless Father Rev. Dr. Ebele Okonkwo Onuigbo,2024-06-26 The Priceless Father delves into the critical role parents play in a child s upbringing and examines the profound impact of parental absence on their development This book emphasizes the necessity of a stable family environment as the foundation for success in both career and community life In today s society a significant number of children are raised by single mothers highlighting the alarming statistic that at least one in three children comes from a broken home While there are success stories of children raised by single parents these narratives often overlook the immense commitment love and hard work involved The book addresses the misconception that having both parents guarantees a child s success noting that even when both parents are present they may be emotionally or financially absent leaving a void in the child s life The Priceless Father argues for the importance of effective communication and conflict resolution to maintain a nurturing home environment It also explores the concept of finding spiritual fulfillment and guidance from God when earthly parents fall short Through this perspective the book offers insights into coping mechanisms and finding solace in the absence of ideal parental figures Ultimately this book serves as a guide for parents and couples empowering them to navigate turbulent times with sensitivity toward their children s needs Through mutual respect effective communication and a commitment to resolving conflicts families can strive toward harmony and stability safeguarding the well being of the next generation

The Many Unforgivable Sins of Jesus of Nazareth Emmanuel Oghenebrorhie,2011-06-07 What is your perspective in this regard I did not ask for this life or to live Yet my life is being orchestrated I had no say in my existence Yet I m being told what I must do Why does my conscience trouble me so

when I do wrong and why does life keep making these demands on me asking of me so many confounded questions trying to beat me into a shape of a kind I know not and do not want punishing me when I refuse to be molded Yet when I cry out there is only empty space no one comes to my rescue

Adapting Minds David J. Buller,2006-02-17 Was human nature designed by natural selection in the Pleistocene epoch The dominant view in evolutionary psychology holds that it was that our psychological adaptations were designed tens of thousands of years ago to solve problems faced by our hunter gatherer ancestors In this provocative and lively book David Buller examines in detail the major claims of evolutionary psychology the paradigm popularized by Steven Pinker in *The Blank Slate* and by David Buss in *The Evolution of Desire* and rejects them all This does not mean that we cannot apply evolutionary theory to human psychology says Buller but that the conventional wisdom in evolutionary psychology is misguided Evolutionary psychology employs a kind of reverse engineering to explain the evolved design of the mind figuring out the adaptive problems our ancestors faced and then inferring the psychological adaptations that evolved to solve them In the carefully argued central chapters of *Adapting Minds* Buller scrutinizes several of evolutionary psychology s most highly publicized discoveries including discriminative parental solicitude the idea that stepparents abuse their stepchildren at a higher rate than genetic parents abuse their biological children Drawing on a wide range of empirical research including his own large scale study of child abuse he shows that none is actually supported by the evidence Buller argues that our minds are not adapted to the Pleistocene but like the immune system are continually adapting over both evolutionary time and individual lifetimes We must move beyond the reigning orthodoxy of evolutionary psychology to reach an accurate understanding of how human psychology is influenced by evolution When we do Buller claims we will abandon not only the quest for human nature but the very idea of human nature itself

The Ultimate Reformation Pauline R. Beer,2024-10-07 Why don t pastors ever talk about the degrading treatment of women in Scripture Why would God have a different definition of adultery for a man than a woman in the Old Testament Since the virgin birth is a core tenet of the Christian faith why do the Gospels

trace Christ's ancestry through Joseph rather than Mary. These and other questions are posed by Pauline Beer as she traces her journey to find dignity in light of God's apparent tolerance for female degradation. After years of questioning divine justice and searching for answers, she presents a comprehensive look at a male-centered social system that has shaped history, Bible translations, and Christian theology. As she explores the sexual and religious dynamics of patriarchy, Beer reveals how gender imbalance has skewed our moral compass, restrained the free-flowing power of the Holy Spirit, and impeded our understanding of the gospel. Her journey ultimately leads to a vision of hope for a reformation that will equip the church to address people's deepest needs and reveal the gospel in a glorious new light. Thoroughly relatable and biblically insightful, *The Ultimate Reformation* unmask the manifold ways Scripture and human flourishing are undermined by male authority portrayed as God's ideal. Author Pauline Beer leaves no stone unturned in exposing Christian patriarchy as the ultimate heresy. Mimi Haddad, PhD, President of CBE International. *The Ultimate Reformation* by Pauline R. Beer is a powerful eye-opening read that dives deep into the traditional patriarchal attitudes in Christianity and how they shape our views on gender. Beer doesn't hold back; she's calling out the need for a major overhaul in how we interpret the Bible, pushing for a perspective that respects and values everyone regardless of gender. This book challenged me and the personal biases I have brought into interpreting Scripture. It's not just a critique; it's a call to action for anyone who believes it's time for a change. Mark Wilson, Lead Pastor of Hope Missionary Church, Bluffton, Indiana.

Jewish Marital Captivity Shulamit S. Magnus, 2025-08-19

Solutions to divorce abuse in Jewish societies. *Jewish Marital Captivity* centers on the experience of women encountering systemic disadvantage in rabbinic marriage and divorce throughout Jewish history and across the map of Jewish life. In rabbinic law, marriage is a unilateral act by the husband, making divorce similarly the husband's sole prerogative, in which his conscious will is also sacrosanct. Abuse necessarily follows and has been the case from earliest recorded history when husbands abandoned wives, perished on business trips or in war, or criminal incidents or maliciously refused wives a rabbinic writ of divorce, get, or extorted for one leaving wives trapped in marriage, including to dead men. There is no time limit to this state. Women in such marital captivity, without a husband's economic partnership or divorce or death settlements, yet unfree to contract other marriages, suffered devastating social, economic, and psychological hardship, as did their children. Women's marital captivity has been treated as an issue in rabbinic law but has not until now been studied as a problem in Jewish societies across time and place, with a focus on the predicament and behavior of women. *Jewish Marital Captivity* is a social history of this problem from the seventh century to the present across multiple Jewish communities, focusing on the interaction of law and social reality. Magnus documents a pattern of assertive and transgressive actions by pious and rebellious women in traditional Jewish societies to escape marital captivity, often with the assistance of male kin, also probing why such behavior emerged in pre-modern patriarchal societies. She charts women's role in the emergence of reforms in the medieval era, offering women significant protections in marriage and divorce, and rabbinic backlash against these advances.

This backlash was codified and its legal rulings are enacted to this day in rabbinic courts in the US and other Diaspora communities and in Israel which lacks civil marriage and divorce and where Jewish citizens can only get divorced in rabbinic courts. It combines a sweeping history of Jewish women's marital captivity with an analysis of the problem's systemic nature, however personally and individually women experience it, and with a critique of current policy as seeking to manage and thus perpetuate rather than end the abuse. It applies the lessons of the history uncovered to propose solutions to what Magnus presents not as an Orthodox or an Israeli problem but as a Jewish one.

Another Man's Son Katherine Stone, 2022-03-15

Seattle The Emerald City The place where Sam Collier lived for the first four years of his life, forgotten years and where he vowed never to return. Ian Collier, the father who abandoned him, lives in the city where Mount Rainier shimmers majestically in the distance. Sam has been a restless wanderer for years. But now he's found a place to call home: an apple orchard in a small town in Oregon. His quiet life is good, and he's even welcomed a new puppy until he learns that Ian Collier has died. Sam has no reason to go to Seattle in the aftermath of Ian's death, but something compels him to. Is it the lovely, haunted doctor Kathleen Cahill who loved the man he loathed?
