A Poemers Poemerings Marjory Bennett, 2010-05-28 I chose the title A Poemers Poemerings because it means for me that of someone to whom is always writing about something anything and its odd and catchy at the same time and it s the main title for the series that I am writing in volumes too many to put all into one book I think of my poems all as individual artworks all their own a completeness from start to finish a journey a path a message that will inspire mesmerize intrigue and take you to that deepness that hasn t been felt or known of your own self Allow yourself to think for out there to see what each one is telling you Envision the poem and let yourself see the answers to your own thoughts of these pieces of artworks
