Another Smashed Pinecone Bernadette Mayer, 1998 Poetry It's OK that poetry won't save us from circumstance or pave our road to what we're tempted to call Heaven but it doesn't matter because reading Bernadette Mayer's poetry is where I always want to be Here within the playfulness of her language is where consequences of daily living are histories of heart and mind Poetry is in life and life is in Bernadette's poetry and that's all the reassurance we need Kristin Prevallet *Sorted Books* Nina Katchadourian, 2013-02-08 A witty and thought provoking collection of visual poems constructed from stacks of books Delighting in the look and feel of books conceptual artist Nina Katchadourian's playful photographic series proves that books covers or more specifically their spines can speak volumes Over the past two decades Katchadourian has perused libraries across the globe selecting stacking and photographing groupings of two three four or five books so that their titles can be read as sentences creating whimsical narratives from the text found there Thought provoking clever and at times laugh out loud funny one cluster of titles from the Akron Museum of Art's research library consists of Primitive Art Just Imagine Picasso Raised by Wolves *Sorted Books* is an enthralling collection of visual poems full of wry wit and bookish smarts Praise for *Sorted Books* Katchadourian's project takes on a weight beyond its initial novelty It's a love letter to books book collecting and the act of reading *San Francisco Chronicle* As a longtime fan of Katchadourian's long running *Sorted Books* project I'm thrilled for the release of *Sorted Books* a collection spanning nearly two decades of her witty and wise minimalist mediations on life by way of ingeniously arranged book spines In an era drowned in periodic death tolls for the future of the physical book her project stands as a celebration of the spirit embedded in the magnificent materiality of the printed page *Brain Pickings* Katchadourian's stacks possess an understated sophistication they are true to the intimate nature of books and yet reveal their dramatic features and unexpected potential *Publishers Weekly* **The Golden Book of Words** Bernadette Mayer, 2025-05-27 Here at last is a new edition of a famous early work by Bernadette Mayer one of the most beloved radical and witty American poets This landmark early book its original printing by Angel Hair Books was 750 copies and they are now extremely rare by the late great Bernadette Mayer is finally available again both as a tribute and a joy to read Mayer was a marvelous poet in every stage of her long and prolific writing life but many fans most admire her restless powerful sexy and erudite early work One of her signal elements is a certain deadpan wit on full display here with classics such as *Lookin Like Areas of Kansas* or *What Babies Really Do* or the marvelous *Essay I guess it's too late to live on the farm* I guess it's too late to move to a farm I guess it's too late to start farming I guess farming is not in the cards now I guess farming is really out I don't want to be a farmer but my mother was right I should never have tried to rise out of the proletariat Unless I can convince myself as Satan argues with Eve That we are among a proletariat of poets of all the classes Each ill paid and surviving on nothing Or on as little as one needs to survive Steadfast as any farmer and fixed as the stars Tenants of a vision we rent out endlessly **Encyclopedia of American Poetry: The Twentieth Century** Eric L.

Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **The Poetics of the Everyday** Siobhan Phillips,2010 Wallace Stevens once described the malady of the quotidian lamenting the dull weight of everyday regimen Yet he would later hail that which is always beginning over and over recognizing if not celebrating the possibility of fresh invention Focusing on the poems of Wallace Stevens Robert Frost Elizabeth Bishop and James Merrill Siobhan Phillips positions everyday time as a vital category in modernist aesthetics American literature and poetic theory She eloquently reveals how through particular but related means each of these poets converts the necessity of quotidian experience into an aesthetic and experiential opportunity In Stevens Phillips analyzes the implications of cyclic dualism In Frost she explains the theoretical depth of a habitual middle way In Bishop s work she identifies the attempt to turn recurrent mornings into a ceremony rather than a sentence and in Merrill she shows how cosmic theories rely on daily habits Phillips ultimately demonstrates that a poetics of everyday time contributes not only to a richer understanding of these four writers but also to descriptions of their era estimations of their genre and ongoing reconfigurations of the issues that literature reflects and illuminates **Women, the New York School, and Other True Abstractions** Maggie Nelson,2007-12 Maggie Nelson provides the first extended consideration of the roles played by women in and around the New York School of poets from the 1950s to the present and offers unprecedented analyses of the work of Barbara Guest Bernadette Mayer Alice Notley Eileen Myles and abstract painter Joan Mitchell as well as a reconsideration of the work of many male New York School writers and artists from a feminist perspective **Lyric Shame** Gillian White,2014-10-13 Gillian White argues that the poetry wars among critics and practitioners are shaped by lyric shame an unspoken but pervasive embarrassment over what poetry is should be and fails to be Lyric is less a specific genre than a way to project subjectivity onto poems an idealized poem that is nowhere and yet everywhere **Leaving Lines of Gender** Ann Vickery,2000 The most significant contribution to the literary history of Language writing to date **Ingenious Pleasures** Drew Gardner,2023-06-01 By tracing the impulses of punk rock trash film and camp through poetry Drew Gardner sheds light on a literary tendency that has been part of poetry s DNA all along uncovering the poetic values hidden in unpoetic things This unique anthology introduces readers to collage driven poetry that embodies the sensibilities of punk trash and camp in a line of writing that cuts through received taxonomies of movements influences and styles Moving through the twentieth century the poetry focuses on the unexpected the anarchic the demotic the absurd the irreverent the coarse the

rude and the deliriously playful It marks an alternative strain of modernism that stretches from one side of the century to the other and includes such diverse voices as Baroness Elsa von Freytag Loringhoven Gertrude Stein William Carlos Williams Mina Loy Russell Atkins Sun Ra and Bernadette Mayer along with many other well known and lesser known poets Readers of Ingenious Pleasures will delight in experiencing poetry as they never have before **Poetry Project**, 2002 **Not for Mothers Only** Catherine Wagner, Rebecca Wolff, 2007 The thousand experiences The thousand interruptions The fact that motherhood is never what we expected and overwhelmingly intense Alicia Ostriker **Pine Cone Academy: Hope vs Despair** Josh Zimmer, 2020-01-03 The storm of Despair has flowed through the hallways of Pine Cone Academy and the students have to take it down to restore Hope **Absolutely Eden** Bobbie Louise Hawkins, 2008 Cultural Writing Essays The majority of Hawkins s new book ABSOLUTELY EDEN comes from re drafted pieces from her celebrated one woman shows Life As We Know It and Take Love For Instance which were performed at the Boulder Museum of Contemporary Art Naropa University and not least Joe s Pub in New York Hawkins is the much acclaimed author of fifteen books about whom the New York Times has said Hawkins is a superb impressionist as well as a salty prose writer of American miniatures artful distillations of our humor and humanity **Fable of Happiness** Pepper Winters, 2021-10-05 From New York Times Bestseller Pepper Winters comes the third and final book in Kas and Gem s fated romance A stranger full of rage A battle that has no victors A decision that has to be made And a future that has to be fought for Scarred and learning how to live again Kas might never be free of his darkness A life full of triggers is no life at all But a love full of pain can only grant heartache Gem made the decision to stay but at what cost Kas made the choice to claim her but will he ever be worthy To love is the simplest choice But healing is the hardest struggle of all **Don't Ever Get Famous** Daniel Kane, 2006 Kane s volume is the first to tackle the period in New York s downtown literary history most closely tied to the group of poets known as the Second Generation New York School It is a must have for historians of American poetry in the 20th century Publishers Weekly **Two Haloed Mourners** Bernadette Mayer, 1998 Artwork by Bernadette Mayer **The Echoing Green** Jennifer Heath, 2000 A tapestry rich with sumptuous imagery The Echoing Green is an imaginative assemblage of gardening literature and history for the avid gardener and literary reader alike **Solution Simulacra** Gloria Frym, 2006 Solution Simulacra deepens the sensibility that so distinguished Gloria Frym s award winning collection Homeless At Home The work here moves between poetry and prose to capture the difficulty of a time in which as she writes perhaps in the voice of a soldier and perhaps in the voice of a citizen no history will forgive me no history will absolve me no history cares for me A great book Publisher s website **Period** Kate Farrell, 2025-08-22 Periods enter the spotlight in this essay collection that raises a variety of voices on a topic long shrouded in shame and secrecy In this collection writers of various ages and across racial cultural and gender identities share stories about the period Each of our twelve authors brings an individual perspective and sensibility They write about homeless periods nonexistent periods male periods political periods and more Told with warmth

and humor these essays celebrate all kinds of period experiences Periods are a fact of life It s time to talk about them The New York Poets II Mark Ford,Trevor Winkfield,2006 The New York Poets II is the sequel to the acclaimed anthology The New York Poets It represents the leading heirs and successors to the highly innovative generation of John Ashbery and Frank O Hara Introductions to the poets will be useful for both the general reader and student alike
