Jenkins, 2003-05-07 Two young people one white and one deemed black products of their environment separated by the rigid inhumane caste system of the Jim Crow South meet by chance bond and begin a forbidden relationship which nurtures and grows even when they attempt to terminate it knowing the potential consequences if they are discovered As they secretly flaunt the laws and traditions of the day they aggressively pursue their individual ambitions to escape the equally binding economic shackles As their commitment to each other becomes stronger they become bolder and challenge the status quo in ways that cannot be ignored by the power structure Their actions coupled with fate trigger unforeseen events with tragic consequences      **Another Time--Another Place** Marvilyn Ray, 2000-10-19 How can love survive through the centuries That is what Tina Stanton and Craig McChristian will find out They have lived miles apart for many years yet their friendship has continued The two of them have had revealing dreams all of their lives but until Tina takes a trip to New York and a happenstance meeting with Craig do they find out that each has had their own dreams that coincide with the other's Not until after Tina's husband Jack dies in an accident do they finally get together Craig waits patiently as Tina adjusts to her new life and having him back in it This book captures the imagination and puts us on a plane with the past It shows us how people can be together through more than one life It makes you feel the love they have for each other that has spanned the ages of time      **Once Upon Another Time - Another Place** Victoria Davenport, Nigel Davenport, 2001-05-30 A Delightfully funny collection of stories for EVERY child and the child in EVER adult Totally modern characters set into a classic fairy tale Dragons knights wizard a Prince and princess pirates frogs who are waiting for the magic kiss that just might turn them into handsome princes something to charm and delight ALL readers Suitable for bedtime stories or ANY age group      **Love from a Broken Fire Escape** Richard D. Jr. Kydd, Richard Kydd, Jr., 2007-11 In this collection of love poems Kydd has once again captured the essential duality of the human heart and of existence itself The poems range from a celebration of love at first sight and the physical ecstasy of two lovers entwined as one to the despair of having lost love for reasons beyond control or understanding As usual with Kydd's work there is a strong spiritual element with the soul seeking its ultimate fulfillment He presents the union between lovers the mingling of two souls into one as this fulfillment But when love is lost suffering is intense and Kydd also shows this unsparingly Kydd wouldn't be himself without a healthy streak of cynicism and reality In the poem ASK NOT he says simply Never ask Do you love me if you do they don't And although his final poem The Breath of Love is basically positive and romantic a few pages previous when describing his first kiss in COW POKE he can't resist saying No sweeter memory in mind and heart could I fathom to this day Yet in spite of the heightened passion of the moment a thought lingered in my mind ever afterward as sweet as her lips felt that wonderful day of my youth her breath smelled and tasted like sour milk      **In Another Time** Michael E Tessier, 2007-05 There are no paradoxes in time only looped back

versions of history we call alternate realities Under the sands of Egypt and near the Sphinx two amateur archeologists make a most unexpected find Instead of a Pharaohs tomb they uncover an ancient dust choked room filled with books computers and modern equipment The tomb is least five thousand years old Slowly the young spelunkers unravel the mystery of the apparent paradox They also discover a working Time Machine Time itself has taken an alternate course The powerful European Trade Confederation bullies a depressed non nuclear United States The British Empire controls their colonial possessions with an iron fist Time for the young discoverers is running out Global events are slowly colliding where retaining the secret of their discovery is almost impossible A race develops to get the secrets of time travel out of the country **The Inspector** David Winkley, 2014-09-16 Alex Edwards is happily married with a successful career as a school inspector until his life catastrophically begins to fall apart This is the captivating comic and disturbing story of an ambitious young man caught up in the contemporary world of regulation and politics finding his personal and professional lives beginning to overlap in unexpected and alarming ways *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Victoria Cowden CLARKE, 1845 *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Cowden- Clarke, 1845 *The Complete Concordance to Shakspeare* Mary Cowden Clarke, 1847 **Catalog of Copyright Entries, Fourth Series** Library of Congress. Copyright Office, 1978-07 *Another Love* Asma Abbas, 2018-10-15 In a time when our loves feel conscripted and exhausted by what we often do not remember desiring *Another Love* A Politics of the Unrequited explores the form method imperatives and inflections of love in the global post colony and offers a way to re apprehend and re inscribe love in an anticolonial materialist and nonfascist politics and aesthetics The figure of the unrequited is invoked as a symptom of a brutally loveless yet effusively sentimentalized era and also as an ineluctable yet very concrete political location in the face of both the intensifying external realities of war occupation apartheid austerity and terror as well as the increasingly normalized internalizations of ordinary imperialism nationalism neoliberalism fascism and colonialism all of which seem bent on extinguishing the possibility of relation itself The book asks that we look at practices of love and other material labors that yield and sustain these realities within complex lifeworlds indeed those which sustain entire systems of our subjection extraction and disposability such as colonialism capitalism liberalism and fascism as lifeworlds especially when given dominant forms of recognition affection embrace and belonging are unacceptable or even repulsive Distancing itself from shortcuts afforded by love s abstract forms deployed in ethical and moral discourses that at once elevate it yet wholly reduce it to a timeless apolitical essence *Another Love* sees love as a material and political relation to time and space signaling willed and unwilled shifts in historical reality in societies juggling various wars and annihilations It maintains that love is something in and with which we confess our complicities not only with but also against hegemonic notions of belonging devotion martyrdom hospitality publicity collectivity and solidarity nurtured and harvested under capital and colony The

longing and the love missed by the pernicious and reactionary politics both of liberal democracy and the incidental fascisms that it claims to set out to fix can give us clues into past present and future moments of rebellion resistance rejection and redemption that are crucial to a liberatory anticolonial and antifascist politic and to rethinking attachment desire and relation itself
