Another Time Another Place:

Another Time, Another Place Larry L. Harshbarger, 2004-11-11 It was a time of extreme peril The Great Depression was winding down and World War II was starting The author witnessed the Greatest Generation first hand as he saw many young men including his older brother leave town and go off to war On the home front there developed a closeness and support of family friends and neighbors not seen before or since Through good and bad times the towns young boys hiked fished hunted and trapped in the streams fields forests and mountains surrounding their homes It was truly an era that will never be again *Another Time Another Place* Hyla B. Garlen, 2001-04-12 Victoria a time traveler must find someone to send back to the 14th century to retrieve an amulet without which she cannot survive She finds Laura a computer programmer who has been working on a virtual reality program that takes place in a 14th century castle With no time to really prepare her Victoria sends Laura back Here she encounters refugees from the plague and an omnipotent Lord who wants to marry her off The book brings to life a medieval world and the people in it where there are no real clocks no privacy and the concept of human rights is unknown To Laura the world around her is as alien as life would be on a distant star Constantly on her guard she can only hope that Victoria realizes her plight and send help before it's too late **Another Time Another Place** Gerald Chatanow|Bernard D. Schwartz, 2000-12-15 The Brownsville East New York neighborhood of the 1930 s 40 s and 50 s is now but an almost faded memory a time warp as it were Today it is a neighborhood that has been eviscerated and exists only as a geographic locale Through the collective memories of the famous and the not so famous Jerry Chatanow and Bernie Schwartz have elicited and chronicled a treasure trove of anecdotes and remembrances that bring back to life a once vibrant and exhilarating neighborhood The authors vividly transport the reader back to a bygone era of street games egg creams mello rolls and knishes patriotism at the home front plush movie palaces the Dodgers the Knicks boxing venues old time radio and the neighborhood settlement houses with its open doors waiting to welcome the teeming masses Anyone from small town or big city who was ever enriched by the nurturing warmth the loyalties and camaraderie of a neighborhood will enjoy this major contribution to the oral history of America This is a story told within the context of this country's transformation from The Great Depression to World War Two to Baby Boomer prosperity The authors were both observers of and participants in what in retrospect proved to be a triumphant generation *Another Time, Another Place* Margarita Ludovic, 2012-11-05 A beautifully written account of an idyllic childhood Told in the first person against the milieu of show business bounds of freedom and family idiosyncrasies If only things were so straight forward Instead this recount of the life's transitions is juxtaposed against the backdrop of the second world war bringing into question a sense of identity belonging and loyalties The author cleverly takes the reader along a cathartic journey of making sense of the past Are we tied up and restricted by our history or do these events just pave the way towards what we are able to achieve **Another Time, Another Place** Gordon E. Jenkins, 2003-05-07 Two young people one white and one deemed black products of their

environment separated by the rigid inhumane caste system of the Jim Crow South meet by chance bond and begin a forbidden relationship which nurtures and grows even when they attempt to terminate it knowing the potential consequences if they are discovered As they secretly flaunt the laws and traditions of the day they aggressively pursue their individual ambitions to escape the equally binding economic shackles As their commitment to each other becomes stronger they become bolder and challenge the status quo in ways that cannot be ignored by the power structure Their actions coupled with fate trigger unforeseen events with tragic consequences

Another Time, Another Place Cellestine

Hannemann,2012-11 Another Time Another Place is a fantasy that also delivers a message to a society that has strayed Stephanie expecting a simple life of home and hearth marries a man who finds more pleasure in ambitious expensive undertakings Once savoring success he is driven to ever more ambitious and expensive ventures The loss of their son is a turning point in her life Stephanie goes off alone to the Another Time resort a charming place in the ambiance of days gone by back when the world moved at a slower pace when there were no cars planes or televisions In an unusual occurrence she follows what she believes to be her destiny and leaves this world to enter one of another dimension where she finds happiness

Another Time Another Place Dave Black,2018-01-10 With roots in the Russian revolution of 1917 Alexander Popov sails to New York to make a new life for his pregnant wife But they lose touch as the revolution takes hold Changing his name to Alex Popper he becomes a senior partner in the Solomons Brothers Wall Street Partnership When the Wall Street Crash of 29 occurs Alex Popper is killed in a confrontation with his senior partner Ralph Solomons who covers it up as a suicide to blame Alex for a shortfall on the books as his dodgy dealing unravels The years go by and the son Alex Popper never knew becomes a member of the Politburo and USSR delegate at the UN New York He s here get his hands on the latest computer technology and ship it back to the USSR But he has a few tricks of his own up his sleeve that the Soviet taskmasters are not fully aware of as he goes in search of his long lost father When comes into contact with father s his former lover Angie Pilkington a secretary in the Solomons Partnership he learns she s maintained a dossier of the goings on inside the partnership In anticipation that one day she can use it to avenge Alex Popper s murder But sometimes it falls to the man himself to make his own arrangements when all about him are making theirs For Stefan Drake the moment had surely come when he realised his destiny must lie in his own hands That the opportunity had come to him at a time and place not of his own choosing was incidental Suddenly opportunity beckoned begging to be taken up and Secret Agent Prendergast came knocking
