Hales,2013-02-26 Americans of Joseph Smith s day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3 21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith s lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith s theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young s Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith s lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God s will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice

of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s *Know Your Religions Volume 3* Alonzo Gaskill, 2023-02-02 This provocative series examines some of the great religions of the world taking into account both similarities and differences with Mormonism refuting common misconceptions illuminating little known practices and exploring the theological underpinnings of the faith under study Persons not of the LDS faith may be surprised to learn of doctrinal commonalities with the Latter-day Saints while LDS readers will no doubt be fascinated by the degree to which they have misunderstood their brothers and sisters of other religious persuasions **Horae Homileticae, Volume 3** Simeon, Charles, Charles Simeon published hundreds of sermons and outlines of sermons called sermon skeletons His chief work is a commentary on the whole Bible entitled *Horae homileticae* Charles Simeon is often hailed as something of an ancestor of the evangelical movement in the Church of England This expository commentary was originally a 21 volume set but now here is in 7 volumes It's a treasure trove for experienced preachers but it's also a tremendous study aid for new ministers who are looking for training assistances Volume 1 Genesis to Deuteronomy Volume 2 Joshua to Esther Volume 3 Job to Song of Songs Volume 4 Isaiah to Malachi Volume 5 Matthew to John Volume 6 Acts to Philippians Volume 7 Colossians to Revelation *The Collected Works of Witness Lee, 1950-1951, volume 3* Witness Lee, The Collected Works of Witness Lee 1950 1951 volume 3 contains messages given by Brother Witness Lee in 1951 through 1965 Historical information concerning Brother Lee's travels and the content of his ministry during the period of 1950 1951 can be found in the general preface that appears at the beginning of volume 1 of this set The contents of this volume are divided into five sections as follows 1 Seven messages given in Taipei Taiwan in 1951 These messages were previously published in a book entitled *Being Apt to Teach and Holding the Mystery of the Faith* and are included in this volume under the same title 2 Nine messages given at an unknown time and place These messages were originally published in separate issues of the periodical *The Ministry of the Word* in 1951 1954 and 1957 They were also previously published in a book entitled *Changing Death into Life* and are included in this volume under the same title 3 Nine messages given in Taipei Taiwan in 1951 These messages were previously published in a book entitled *The Path of Our Growth in Life* and are included in this volume under the same title 4 Eight messages that were first published in the periodical *The Ministry of the Word* in 1951 through 1954 These messages were also previously published in a book entitled *The Spirit and Service in Spirit* and are included in this volume under the same title 5 Eleven messages given in various places and originally published in the periodical *The Ministry of the Word* in 1951 through 1965 They were also previously published in a book entitled *The Operation of God and the Anointing*

An Intertextual Commentary on Romans, Volume 3 Channing L. Crisler, 2022-10-11 An Intertextual Commentary on Romans is an exhaustive treatment of the hundreds of Old Testament citations allusions and echoes embedded in Paul's most famous epistle As many scholars have acknowledged to understand Paul's engagement with Israel's Scriptures is to understand Romans Despite this acknowledgment there is a dearth of reference works in which the primary focus is how the Old Testament impacts Paul's argument from Romans 1:1 to 16:27 This four volume commentary aims to provide just such a reference The interplay between Romans and its vast sea of Old Testament pre texts produces unstated points of resonance that illuminate Paul's rhetorical argument from the letter's opening to its closing doxology Volume 3 examines the scriptural pre texts in Romans 9:1-11:36 This section of the letter is the most intertextually dense section of the New Testament and the most theologically controversial section in the entire Pauline corpus If interpreters hope to navigate these exegetical and theological challenges they must carefully analyze the intertextual subtext of these chapters where Paul engages Israel's Scriptures at every rhetorical turn This volume provides such an analysis In this way it also contributes to the commentary's overarching aim which is to provide scholars interpreters and students with verse by verse analysis of how Israel's Scriptures impact almost every clause of Paul's most famous letter *Francis of Assisi - The Prophet: Early Documents, vol. 3* Regis J.

Armstrong, J. A. Wayne Hellmann, William J. Short, 1999 The Prophet is the third volume in this extraordinary series of the writings of Saint Francis and those of the early Franciscan witnesses and it will be of estimable value to scholars students and lovers of Il Poverello as well a scholarly achievement done in the service of history theology and spirituality Lawrence Cunningham *The Liturgical Year* Adrien Nocent, 2013-11-07 When Adrien Nocent's The Liturgical Year was published in the 1970s it was the very first comprehensive commentary on the three year lectionary in relation to the Sacramentary

Missal as these were revised following the Second Vatican Council Expressed on nearly every page was Nocent's conviction that the liturgy and the Word of God proclaimed within it have something important to say to real people of every culture and time He constantly returns to the question What does this passage have to say to us today Now this extraordinary work of applied postconciliar liturgical scholarship has been emended and annotated by one of today's leading liturgical scholars Paul Turner has provided many helpful explanatory notes on history culture language and of course liturgy He has also updated the liturgical texts to conform to The Roman Missal Third Edition The result is a resource that promises to enrich and inspire a new generation of presiders preachers liturgy planners and students On the fiftieth anniversary of Vatican II's Sacrosanctum Concilium encounter the vibrant scholarship and pastoral wisdom of Adrien Nocent's *The Liturgical Year* again or for the first time Volume 3 covers all of the Sundays of Ordinary Time

Rationalising the Bible — Volume 3: The New Testament Ivy Bedworth, 2016-05-23 *Rationalising the Bible* is a collection of volumes that cover the books of the Old and New Testaments of the Holy Bible Written by mostly unidentified authors the Bible is generally attributed with being the moral compass of the world of Judeo-Christian religious adherents In fact the Bible is mostly mythological history inaccurate science exaggerated reports of violence and discrimination against the people who settled the Fertile Crescent and a set of laws plagiarised from those already in existence in the area Even the writing of it claimed to be that of the patriarchs can clearly be identified in the reading of it as belonging rather to a period when all people in the civilised world were writing their stories It was not written as atheists often charge by illiterate nomadic tribespeople in pre-history Instead it was written by politicians and priests at a time when the western civilisations were making their mark on the world's politics

Church Doctrine, Volume 3 Paul C.

McGlasson,2015-10-02 The present volume is the third in a five volume study of church doctrine The multivolume set covers the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The second volume discusses the doctrine of God The purpose of this third volume is to reaffirm the traditional church doctrine of Creation and yet to do so in a way that submits that tradition to the overruling overpowering authority of Scripture God the Creator according to the Bible owns the entire universe it does not belong to humankind We live in service of his covenant of grace but we do so along with our fellow creatures in a common vulnerability and finitude The volume addresses the question of how the church doctrine of Creation speaks to the manifold ecological crisis of our time Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord [Bible Lessons](#)
