Gender and the Musical Canon Marcia J. Citron, 2024-04-22 A classic in gender studies in music Marcia J. Citron's comprehensive balanced work lays a broad foundation for the study of women composers and their music Drawing on a diverse body of feminist and interdisciplinary theory Citron shows how the western art canon is not intellectually pure but the result of a complex mixture of attitudes practices and interests that often go unacknowledged and unchallenged Winner of the Pauline Alderman Prize from the International Alliance of Women in Music Gender and the Musical Canon explores important elements of canon formation such as notions of creativity professionalism and reception Citron surveys the

institutions of power from performing organizations and the academy to critics and the publishing and recording industries that affect what goes into the canon and what is kept out. She also documents the nurturing role played by women including mothers in cultivating female composers. In a new introduction she assesses the book's reception by composers and critics especially the reactions to her controversial reading of Chopin's sonata for piano. A key volume in establishing how the concepts and assumptions that form the western art music canon affect female composers and their music. Gender and the Musical Canon also reveals how these dynamics underpin many of the major issues that affect musicology as a discipline.

All Things Must Pass Away Kenneth Womack, Jason Kruppa, 2022-11-01 Womack and Kruppa present a thorough history of Harrison and Clapton's songmaking and recording sessions. Booklist: Newly revised and expanded, this paperback edition features exclusive material from the Malcolm Frederick Evans archives and draws on rare material released by the Harrison Estate. A new appendix includes a detailed sessionography and personnel listings for *All Things Must Pass*, assembled from recently discovered documentation. George Harrison and Eric Clapton embarked upon a singular personal and creative friendship that impacted rock's unfolding future in resounding and far-reaching ways. *All Things Must Pass: Harrison, Clapton, and Other Assorted Love Songs* traces the emergence of their relationship from 1968 through the early 1970s and the making of their career-defining albums, both released in November 1970. Authors Womack and Kruppa devote close attention to the climax of Harrison and Clapton's shared musicianship: the creation of *All Things Must Pass*, Harrison's powerful emancipatory statement in the wake of the Beatles' *Layla*, and *Other Assorted Love Songs*, Clapton's impassioned reimagining of his art via Derek and the Dominos' two records that advanced rock n' roll from a windswept 1960s idealism into the wild and expansive new reality of the 1970s. *All Things Must Pass Away* reveals the foundations of Harrison and Clapton's friendship, focusing on the ways their encouragement and support of each other drove them to produce works that would cast long shadows over the evolving world of rock music.
