Society Tale in Russian Literature Neil Cornwell, 1998 This collection of essays is the first book to appear on the society tale in nineteenth century Russian fiction Written by a team of British and American scholars the volume is based on a symposium on the society tale held at the University of Bristol in 1996 The essays examine the development of the society tale in Russian fiction from its beginnings in the 1820s until its subsumption into the realist novel later in the century The contributions presented vary in approach from the text or author based study to the generic or the sociological Power gender and discourse theory all feature strongly and the volume should be of considerable interest to students and scholars of nineteenth century Russian literature There are essays covering Pushkin Lermontov Odoevsky and Tolstoi as well as more minor writers and more general and theoretical approaches **Narrative Space and Gender in Russian Fiction** Joe Andrew, 2007 The

present volume has as its primary aim readings from a feminist perspective of a number of works from Russian literature

published over the period in which the woman question rose to the fore and reached its peak All the works considered here were produced in or hark back to a fairly narrowly defined period of not quite 20 years 1846 1864 in which issues of gender of male and female roles were discussed much more keenly than in perhaps any other period in Russian literature The overall project is summed up by the three key words of this book s title narrative space and gender and especially the interconnections between them That is what do the way these stories were told tell us about gender identities in mid nineteenth century Russia Which spaces were central to these fictional worlds Which spaces suggested which gender identities The discussions therefore focus on issues of narrative and space and how they acted as technologies of gender This volume will be of interest to all interested in nineteenth century Russian literature as well as students of gender and of the semiotics of narrative space

**The Romantic Poetess** Patrick H. Vincent,2004 An elegant and provocative study of the literary and political effects of the work of romantic poetesses in England France and Russia Equality and Revolution Rochelle Goldberg Ruthchild,2010-11-23 On July 20 1917 Russia became the world s first major power to grant women the right to vote and hold public office Yet in the wake of the October Revolution later that year the foundational organizations and individuals who pioneered the suffragist cause were all but erased from Russian history The women s movement when mentioned at all is portrayed as rooted in the elitist and bourgeois culture of the tsarist era meaningless to proletarian and peasant women and counter to socialist ideology Rochelle Goldberg Ruthchild reveals that Russian feminists in fact appealed to all classes and were an integral force for revolution and social change particularly during the monumental uprisings of 1905 1917 Ruthchild offers a telling examination of the social dynamics in imperialist Russia that fostered a growing feminist movement Based upon extensive archival research in six countries she analyzes the backgrounds motivations methods activism and organizational networks of early Russian feminists revealing the foundations of a powerful feminist intelligentsia that came to challenge and eventually bring down the patriarchal tsarist regime Ruthchild profiles the individual women and a few men who were vital to the feminist struggle as well as the major conferences publications and organizations that promoted the cause She documents political debates on the acceptance of women s suffrage and rights and follows each party s attempt to woo feminist constituencies despite their fear of women gaining too much political power Ruthchild also compares and contrasts the Russian movement to those in Britain China Germany France and the United States Equality and Revolution offers an original and revisionist study of the struggle for women s political rights in late imperial Russia and presents a significant reinterpretation of a decisive period of Russian and world history

*Masquerade and Femininity* Essays on Russian and Polish Women Writers introduces the reader to the diversity of women s writing in Poland and Russia in the 19th and 20th centuries in the light of the notion of masquerade The present articles scrutinize particular works by women writers Nadezhda Dmitrievna Khvoshchinskaya Irina Odoevtseva Vera Pavlova Narcyza Michowska Maria Komornicka Irena Krzywicka and others and the strategies of masquerading female experience Taken together the articles draw attention to the feeling of an inexpressible gap between the living body and its everyday life experience of pain and suffering or happiness and pleasure and the culturally constructed powerfully imposed code of expression that readily makes use of various masks guises and acts of pretending applied especially cleverly in literary works The concept of masquerade illuminates the complexity of what we call femininity by combining two sides of the divide the real feelings and the constructed expressions This volume uses both feminist and non feminist approaches to women s writing and sheds new light on the themes of femininity woman s identity experience masks body gender relations nature culture and authorship *Masquerade and Femininity* brings together East European literary studies and gender studies offering a comparative perspective on literature literary theory and cultural phenomena in Poland and Russia and featuring a range of both eastern European and western scholars In its pages the reader is invited to move beyond Russian literature and language into a dialogic approach between Slavic literatures This book will also contribute to filling the comparative gap which is still relatively unexplored not only with regard to the application of western scholarship to East European studies but also with regard to the dialogue between Russian and Polish scholarship     **The Cambridge History of Russia:**
