Anthony Claret A Life At The Service Of The Gospel:

Anthony Claret Juan María Lozano, 1985-01-01 *Engaging the Church Fathers in Nineteenth-Century Catholic Theology: The Patristic Legacy of the Scuola Romana* Joseph Carola, S.J., 2023-06-27 The twentieth century patristics movement that contributed theologically to the Second Vatican Ecumenical Council is generally well known. Less well known but no less important is the similarly dynamic return to the ancient ecclesial sources that took place in nineteenth century theology which profoundly shaped the Catholic articulation of the relation of faith and reason, the development of doctrine, the Immaculate Conception of the Mother of God and the nature of the Church. In *Engaging the Church Fathers in Nineteenth Century Catholicism* Joseph Carola S.J. tracks the theological movement of the Scuola Romana, a contemporaneous interconnected return to patristic sources pursued by Jesuit theologians at the Roman College. Giovanni Perrone, Carlo Passaglia, Clemens Schrader and Johann Baptist Franzelin and their precursors, interlocutors and intellectual progeny including the Tübingen theologian Johann Adam Möhler, the Oxonian John Henry Newman and the Cologne theologian Matthias Joseph Scheeben. Situating these seven theologians' lives and labors within the broader historical context of nineteenth century Catholicism, Carola introduces readers to a rich theological world rarely explored, providing both biographical depth and attentive distillation of their writings, methodologies and impacts. As Carola shows, these extraordinary theologians engaged the Church Fathers and the Church's entire tradition with intellectual rigor, revitalizing the nineteenth century Catholic Church at her very heart and providing in turn a refined patristic methodology and faithful theological vision that are just as vital for the Church in the twenty-first century as they were in the nineteenth.

Something New with Saint Thérèse Suzie Andres, 2020-03-26 Though St. Thérèse of Lisieux lived a short hidden life in a Carmelite monastery in a small town in France, she predicted that after her death the whole world would love her and promised to send a shower of roses, spending her Heaven doing good upon earth until the end of time. True to her word, the Little Flower has favored countless souls with her friendship, and her name and image can be found in every corner of the earth. Pope St. Pius X called her the greatest Saint of modern times, and the nine popes following him have all endorsed her Little Way of Spiritual Childhood. She is the Patroness of the missions alongside St. Francis Xavier, Patroness of France with St. Joan of Arc, and in 1997 Pope St. John Paul II named her the 33rd Doctor of the Church. And yet, after 120 years of this young nun's universal acclaim, author Suzie Andres has found something brand new to say about St. Thérèse. Taking a little-known petition from Thérèse's Act of Oblation to Merciful Love, the author reveals a Eucharistic miracle that the Little Flower not only lived but promoted among those close to her. This book begins with an explanation of St. Thérèse's Eucharistic miracle and goes on to find evidence of this miracle in the lives of other great Saints, from Margaret Mary to Padre Pio. The author then uses Thérèse's own arguments to prove that this particular grace, as well as the Act of Oblation to Merciful Love, is meant for all little souls. *Something New with St. Thérèse* is an invitation to readers to take further steps along the Little Way and into the Eucharistic
