Anti Imperialism And International Competition In Central America 1920 1929

Neil Smith

Anti Imperialism And International Competition In Central America 1920 1929:

Anti-Imperialism and International Competition in Central America, 1920-1929 (America in the Modern World) Richard V. Salisbury, 1989 Using archival material from Costa Rica Mexico Spain and the United States this book asserts that US meddling in the internal affairs of Central America stemmed from Washington's assumption that regional political turbulence threatened the operation of the Panama Canal *The Oxford Handbook of Central American History* Robert H. Holden, 2022 Leading scholars of Central America offer critical analyses of major themes in the historiography of this seven country region of Latin America Chapters engage both the novice's search for basic orientation and context and the experienced scholar's interest in evaluative critiques of the historical literature Secret Wars and Secret Policies in the Americas, 1842-1929 Friedrich E. Schuler, 2015-12-15 The intrigue and subterfuge revealed in this revisionist study add a fascinating new dimension to our understanding of transpacific and transatlantic politics following World War I **A Brief History of Central America** Lynn V. Foster, 2007 Presents a comprehensive history of Central America including the early pre Columbian cultures and economic challenges currently being faced *Central America and the United States* Thomas M. Leonard, 1991 In this study Thomas Leonard examines the history of relations between the United States and the countries of Central America Placing those relations in their political cultural and economic contexts he illuminates the role of such factors as the Clayton Bulwer Treaty of 1850 William Walker's invasions of Nicaragua Theodore Roosevelt's corollary to the Monroe Doctrine in 1904 the Dollar Diplomacy of the 1910s and Ronald Reagan's support of the contra war Central America and the United States is the fourth volume in The United States and the Americas a series of books assessing relations between the United States and its neighbors to the south and north Mexico Central America Cuba the Dominican Republic Haiti Panama Colombia Venezuela the Andean Republics Peru Ecuador and Bolivia Brazil Uruguay and Paraguay Argentina Chile and Canada Lester D Langley is the general editor of the series **Latin America's Democratic Crusade** Allen Wells, 2023-01-01 By emphasizing Latin American reformers' decades long struggle to defeat authoritarianism this transnational history challenges the timeworn Cold War paradigm and recasts the region's political evolution Scholars persist in framing the Cold War as a battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and Moscow What if the era is told from the perspective of the many who preferred reform to revolution Scholars have routinely neglected dismissed or caricatured moderate politicians In this book Allen Wells argues that until the Cuban Revolution the struggle was not between capitalism and communism that was Washington's abiding preoccupation but between democracy and dictatorship Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts political ideological and cultural taking on the dimensions of a political crusade Convinced that despots represented an existential threat reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the hemisphere Dictators retaliated often with deadly results exporting strategies that had

been honed at home to guarantee their political survival Grafted onto this war without borders was a belated Cold War with all its political convulsions the aftershocks of which are still felt today **A City Against Empire** Thomas K.

Lindner,2023-06-01 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library as part of the Opening the Future project with COPIM A City Against Empire is the history of the anti imperialist movement in 1920s Mexico City It combines intellectual social and urban history to shed light on the city s role as an important global hub for anti imperialism exile activism political art and solidarity campaigns After the Russian and the Mexican Revolution Mexico City became a space and a symbol of global anti imperialism Radical politicians artists intellectuals scientists migrants and revolutionary tourists took advantage of the urban environment to develop their visions of an anti imperialism for the twentieth century These actors imagined national self determination international solidarity and an emancipation from what they called the West Global local and urban factors interacted to transform Mexico City into the most important hub for radicalism in the Americas By weaving together the intellectual history of Mexico the urban and social histories of Mexico City and the global history of anti imperialist movements in the 1920s this books analyses the perfect storm of anti imperialism in Mexico City **Latin America since 1780** Will Fowler,2013-03-07 Although largely

sharing a common past and language the countries in Latin America remain distinct entities with their own identities Latin America since 1780 provides a continental based historical narrative which stresses the common themes between countries like Mexico in North America to Argentina in the Southern Cone while at the same time highlighting their specific national contexts This book focuses on key events such as the Mexican American War the Cuban Revolution and the overthrow of Salvador Allende s government as well as providing short inserts on the main political protagonists such as Simon Bol var Getulio Vargas and the Subcomandante Marcos This new edition has been fully updated to include recent events and trends including Hugo Ch vez s Bolivarian Revolution in Venezuela Evo Morales electoral victory in Bolivia and the so called Pink Tide that has resulted in the emergence of a variety of socialist leaning governments in the region At the same time the book discusses Latin America s cultural diversity paying particular attention to the response of writers and film makers to the historical contexts covered in the book A range of pedagogical devices and a lively prose style makes this book the ideal introduction to Latin American history Written in an accessible style and assuming no prior knowledge the books in this series address the specific needs of students on language courses as well as anyone with an interest in modern history Approaching the study of history via contemporary politics and society each book offers a clear historical narrative and sets the country or region concerned in the context of the wider world **A Companion to American Foreign Relations**

Robert Schulzinger,2008-04-15 This is an authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes

discussions of new methodological approaches in diplomatic history **A Companion to Latin American History** Thomas H. Holloway, 2010-12-13 The Companion to Latin American History collects the work of leading experts in the field to create a single source overview of the diverse history and current trends in the study of Latin America Presents a state of the art overview of the history of Latin America Written by the top international experts in the field 28 chapters come together as a superlative single source of information for scholars and students Recognizes the breadth and diversity of Latin American history by providing systematic chronological and geographical coverage Covers both historical trends and new areas of interest **Armies Without Nations** Robert H. Holden, 2006-02-16 Public violence a persistent feature of Latin American life since the collapse of Iberian rule in the 1820s has been especially prominent in Central America Robert H Holden shows how public violence shaped the states that have governed Costa Rica El Salvador Guatemala Honduras and Nicaragua Linking public violence and patrimonial political cultures he shows how the early states improvised their authority by bargaining with armed bands or montoneras Improvisation continued into the twentieth century as the bands were gradually superseded by semi autonomous national armies and as new agents of public violence emerged in the form of armed insurgencies and death squads World War II Holden argues set into motion the globalization of public violence Its most dramatic manifestation in Central America was the surge in U S military and police collaboration with the governments of the region beginning with the Lend Lease program of the 1940s and continuing through the Cold War Although the scope of public violence had already been established by the people of the Central American countries globalization intensified the violence and inhibited attempts to shrink its scope Drawing on archival research in all five countries as well as in the United States Holden elaborates the connections among the national regional and international dimensions of public violence Armies Without Nations crosses the borders of Central American Latin American and North American history providing a model for the study of global history and politics Armies without Nations was a CHOICE Outstanding Academic Title for 2005 *In the Shadow of the Giant* Jürgen Buchenau, 1996 This book analyzes Mexico s initiatives in Central America during the Porfirian and Revolutionary periods and pays particular attention to Mexico s persistent challenge to U S influence in Central America **A History of Modern Latin America** Lawrence A. Clayton, Michael L. Conniff, 2005 Unfamiliar with Latin American history A HISTORY OF MODERN LATIN AMERICA is written just for you The authors present main theories and analyses of the area s history balancing economic social and cultural views while expertly weaving in the history of minorities women the environment culture literature and art Primary documents begin each chapter offering short glimpses into moments in history and setting the theme for the chapter to follow Maps images bibliographies discussion questions and other study aids are included to help you with research assignments and papers The Organization of American States David Sheinin, Carefully prepared scholarly work that fully annotates official and unofficial sources with 661 entries covering broad range of categories various citations fall under more than one A useful starting point for anyone interested in the Organization

of American States and Pan Americanism Excellent index Handbook of Latin American Studies v 57 **American Empire**

Neil Smith, 2004-10-29 Annotation American Empire challenges our deepest assumptions about the rise of American globalism in the twentieth century and puts geography back into the History of what is called the American Century **The Business of Empire** Jason M. Colby, 2011-10-27 The link between private corporations and U S world power has a much longer history than most people realize Transnational firms such as the United Fruit Company represent an earlier stage of the economic and cultural globalization now taking place throughout the world Drawing on a wide range of archival sources in the United States Great Britain Costa Rica and Guatemala Colby combines top down and bottom up approaches to provide new insight into the role of transnational capital labor migration and racial nationalism in shaping U S expansion into Central America and the greater Caribbean The Business of Empire places corporate power and local context at the heart of U S imperial history In the early twentieth century U S influence in Central America came primarily in the form of private enterprise above all United Fruit Founded amid the U S leap into overseas empire the company initially depended upon British West Indian laborers When its black workforce resisted white American authority the firm adopted a strategy of labor division by recruiting Hispanic migrants This labor system drew the company into increased conflict with its host nations as Central American nationalists denounced not only U S military interventions in the region but also American employment of black immigrants By the 1930s just as Washington renounced military intervention in Latin America United Fruit pursued its own Good Neighbor Policy which brought a reduction in its corporate colonial power and a ban on the hiring of black immigrants The end of the company's system of labor division in turn pointed the way to the transformation of United Fruit as well as the broader U S empire Making the Americas Thomas F. O'Brien, 2007-07 The author an expert on business interests in Latin America examines U S efforts spanning two centuries to impose economic dominance on the peoples of the Americas and the Latin American responses to these policies **Financial Missionaries to the World** Emily S. Rosenberg, 2004-01-02 The history of dollar diplomacy using US financial clout to influence the actions of foreign governments **Authoritarian El Salvador** Erik Ching, 2014-01-15 In December 1931 El Salvador's civilian president Arturo Araujo was overthrown in a military coup Such an event was hardly unique in Salvadoran history but the 1931 coup proved to be a watershed Araujo had been the nation's first democratically elected president and although no one could have foreseen the result the coup led to five decades of uninterrupted military rule the longest run in modern Latin American history Furthermore six weeks after coming to power the new military regime oversaw the crackdown on a peasant rebellion in western El Salvador that is one of the worst episodes of state sponsored repression in modern Latin American history Democracy would not return to El Salvador until the 1990s and only then after a brutal twelve year civil war In Authoritarian El Salvador Politics and the Origins of the Military Regimes 1880 1940 Erik Ching seeks to explain the origins of the military regime that came to power in 1931 Based on his comprehensive survey of the extant documentary record in El Salvador's

national archive Ching argues that El Salvador was typified by a longstanding tradition of authoritarianism dating back to the early to mid nineteenth century The basic structures of that system were based on patron client relationships that wove local regional and national political actors into complex webs of rival patronage networks Decidedly nondemocratic in practice the system nevertheless exhibited highly paradoxical traits it remained steadfastly loyal to elections as the mechanism by which political aspirants acquired office and it employed a political discourse laden with appeals to liberty and free suffrage That blending of nondemocratic authoritarianism with populist reformism and rhetoric set the precedent for military rule for the next fifty years

Pan American Women Megan Threlkeld, 2014-07-17 In the years following World War I women activists in the United States and Europe saw themselves as leaders of a globalizing movement to promote women s rights and international peace In hopes of advancing alliances U S internationalists such as Jane Addams Carrie Chapman Catt and Doris Stevens reached across the border to their colleagues in Mexico including educator Margarita Robles de Mendoza and feminist Hermila Galindo They established new organizations sponsored conferences and rallied for peaceful relations between the two countries But diplomatic tensions and the ongoing Mexican Revolution complicated their efforts In Pan American Women Megan Threlkeld chronicles the clash of political ideologies between U S and Mexican women during an era of war and revolution Promoting a human internationalism in the words of Addams U S women overestimated the universal acceptance of their ideas They considered nationalism an ethos to be overcome while the revolutionary spirit of Mexico inspired female citizens there to embrace ideas and reforms that focused on their homeland Although U S women gradually became less imperialistic in their outlook and more sophisticated in their organizational efforts they could not overcome the deep divide between their own vision of international cooperation and Mexican women s nationalist aspirations Pan American Women exposes the tensions of imperialism revolutionary nationalism and internationalism that challenged women s efforts to build an inter American movement for peace and equality in the process demonstrating the importance of viewing women s political history through a wider geographic lens

Anti Imperialism And International Competition In Central America 1920 1929 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Anti Imperialism And International Competition In Central America 1920 1929 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Anti Imperialism And International Competition In Central America 1920 1929 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Anti Imperialism And International Competition In Central America 1920 1929 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you

download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Anti Imperialism And International Competition In Central America 1920 1929. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Anti Imperialism And International Competition In Central America 1920 1929 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Anti Imperialism And International Competition In Central America 1920 1929 Books

1. Where can I buy Anti Imperialism And International Competition In Central America 1920 1929 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
