Anti Semitism The Causes And Effects Of A Prejudice:

Anti-semitism Paul E. Grosser,1979 **Anti-Semitism and Its Metaphysical Origins** David Patterson,2015-02-09 This book articulates a deeper understanding of the phenomenon of Jew hatred as a metaphysical aspect of the human soul Proceeding from the Jewish thinking that the anti Semites oppose David Patterson argues that anti Semitism arises from the most ancient of temptations the temptation to be as God and thus to flee from an absolute accountability to and for the other human being Anti-Semitism, Causes and Effects Paul E. Grosser,Edwin G. Halperin,1983 **The Causes and Effects of Anti-Semitism** Paul E. Grosser,Edwin G. Halperin,1978 *Anti-Semitism* ,1976 Toward a Definition of Antisemitism Gavin I. Langmuir,1996-02 Toward a Definition of Antisemitism offers new contributions by Gavin I Langmuir to the history of antisemitism together with some that have been published separately The collection makes Langmuir s innovative work on the subject available to scholars in medieval and Jewish history and religious studies The underlying question that unites the book is what is antisemitism where and when did it emerge and why After two chapters that highlight the failure of historians until recently to depict Jews and attitudes toward them fairly the majority of the chapters are historical studies of crucial developments in the legal status of Jews and in beliefs about them during the Middle Ages Two concluding chapters provide an overview In the first the author summarizes the historical developments indicating concretely when and where antisemitism as he defines it emerged In the second Langmuir criticizes recent theories about prejudice and racism and develops his own general theory about the nature and dynamics of antisemitism **Encyclopedia of Protestantism** Hans J. Hillerbrand,2004-08-02 This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought *The Paradox of Anti-Semitism* Dan Cohn-Sherbok,2006-05-10 Cohn Sherbok argues that although antisemitism is an evil it has paradoxically kept Judaism alive and made its culture prosper

Anti-Semitism in America Harold Earl Quinley,Charles Young Glock, Periodic outbreaks of anti Jewish hostility testify to the continuing presence of anti Semitism in America Based on the most extensive research ever conducted on the subject Anti Semitism in America now in a new paperback edition provides us with the often surprising facts about the enduring form of bigotry and sheds new light on the nature of prejudice in general The authors draw their conclusions from a specially designed nationwide survey on anti Semitism conducted by the Survey Research Center at the University of California Berkeley and by other public opinion polls Competition in Religious Life Jay Newman,Canadian Corporation for Studies in Religion,1989-12-15 In his latest work on the social consequences of religious commitment Jay Newman reveals in clear and concise fashion the extent to which competitiveness is an essential feature of religious life His assessment charts various classical strategies that have been proposed for either eliminating such competitiveness or directing it into appropriate channels After a detailed philosophical analysis of the nature and value of competition the author examines competition between denominations and within denominations and considers religious competition in some of its less obvious forms In

the process of evaluating the methods for curbing religious competition advocated by such thinkers as Spinoza and Lessing as well as by modern ecumenists the author points the way to a general approach to religious competition that minimizes destructive religious conflicts without ignoring the positive value of religious competition **Our Hands Are Stained with Blood** Michael L. Brown,1992 A description of 2 000 years of Christian persecution of the Jews written by a Jewish Christian who contends that Christians are almost totally ignorant of the Jews agony throughout the centuries Pointing to the Jewish origins of Jesus and the apostles and to positive aspects of Judaism decries the Christian distortion of Judaism and the hatred and lies spread against the Jewish people up to the present day Although he believes that the Jews will eventually come to accept Jesus as the Messiah Brown calls on Christians to approach Jews with love and not with hatred He states that Satan is the author of the spirit of antisemitism and that Christians must recognize that when they hate Jews they are heeding not God but Satan

Racial and Cultural Minorities George Eaton Simpson,J. Milton Yinger,2013-06-29 We need scarcely note that the topic of this book is the stuff of headlines Around

the world political economic educational military religious and social relations of every variety have a racial or ethnic component One cannot begin to understand the history or contemporary situation of the United States the Soviet Union China Zimbabwe South Africa Great Britain Lebanon Mexico Canada indeed almost any land without careful attention to the influence of cultural and racial divisions Preparation of this new edition has brought a strong sense of déjà vu with regard both to the persistence of old patterns of discrimination even if in new guises and also to the persistence of limited and constraining explanations We have also found however rich new empirical studies new theoretical perspectives and greatly expanded activity and analyses from members of minority groups Although this edition is an extensive revision with reference both to the data used and the theoretical approaches examined we have not shifted from our basically analytical perspective We strongly support efforts to reduce discrimination and prejudice but these can be successful only if we try to understand where we are and what forces are creating the existing situation We hope to reduce the tendency to use declarations and condemnations of other persons actions as substitutes for an investigation of their causes and consequences

Adolescent Prejudice Charles Y. Glock, 1975 *Readings for Diversity and Social Justice* Maurianne Adams, 2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations
