Anti Discriminatory Practice:

Anti-Discriminatory Practice Neil Thompson, 2020-11-21 Now going into its seventh edition Neil Thompson's *Anti Discriminatory Practice* has been providing a trusted introduction to the challenges of promoting social justice and equality for a quarter of a century. Addressing the common concepts and issues across the various forms of discrimination, this book explores the reasons why the development of anti discriminatory practice is so vital and examines the steps that need to be taken towards constructing a social work practice based on principles of anti discrimination and the promotion of equality. Promoting social justice, diversity and equality in social work practice is as vital today as it was when *Anti Discriminatory Practice* was first published and there is still much to learn. Written with Thompson's inimitable clarity, this new fully updated edition of a classic text is key reading for undergraduate and postgraduate students of social work. Practitioners will also benefit hugely from Neil Thompson's experience and expertise. New to this Edition: A new edition of a popular and trusted textbook fully updated to reflect the many changes since the last edition. Voice of Experience and Practice Focus examples encourage readers to think contextually and integrate theory and practice. An explicit theory base with key points from each chapter drawn out to highlight specific main themes. A range of questions for reflection and guidance on further learning. Accompanying online resources for this title can be found at bloomsburyonlineresources.com, the effective social worker. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.

Key Concepts in Anti-Discriminatory Social Work Toyin Okitikpi, Cathy Aymer, 2009-12-08 This *Key Concepts* clearly and concisely explains the basic ideas in the field of anti discriminatory social work. It explores the range of discriminations that people experience and discusses a number of theories that inform anti discriminatory practice. It considers the legal frameworks within which anti discriminatory practice operates, analyzes the skills and knowledge required to practice effectively, highlights the dynamic nature of anti discriminatory practice and points the way towards a new practice dimension. It provides an essential reference guide for all social work students and practitioners as well as those taking courses in teacher training, youth and community nursing, midwifery and mental health studies for whom anti discriminatory practice is an important element in their study.

Anti-discriminatory Practice Neil Thompson, 2001 Thompson offers a sound basis for countering discrimination and oppression in social work using a lucid blend of theory and practice to guide students and professionals through the complexities of promoting equality.

Equalising Opportunities, Minimising Oppression Dylan Tomlinson, Winston Trew, 2005-06-29 Anti Racist Practice (ARP), Anti Discriminatory Practice (ADP) and Anti Oppressive Practice (AOP) form a trinity of concepts nested into one another which have evolved in welfare services over the last fifteen years. They tend to have developed as forms of practice panaceas and as a result have been subject to both unrealistic expectations and at times to political ridicule. This book clarifies the distinctions between three key concepts: ARP, ADP and AOP. Critically and constructively analysing these three approaches to practice, it reappraises their potential in the light of

emerging equality issues in the health service With contributions from leading teachers and practitioners in the field *Equalising Opportunities* provides students and practitioners in health and social care with a clear overview of an area where there is much confusion and imperfect understanding **Anti-Discriminatory Practice** Neil Thompson,2006-05-14 This textbook has been thoroughly updated to include many new debates and developments in the theory and practice of anti discriminatory and anti oppressive social work including discussion of language the diversity approach and misinterpretations of the PCS model References reading lists and recommended websites are all carefully revised
