## **Anti Racist Scholarship:**

The Fire Now Azeezat Johnson, Remi Joseph-Salisbury, Beth Kamunge, 2018-11-15 Not so long ago many spoke of a post racial era claiming that advances made by people of colour showed that racial divisions were becoming a thing of the past But the hollowness of such claims has been exposed by the rise of Trump and Brexit both of which have revealed deep seated white resentment and have been attended by a resurgence in hate crime and overt racial hatred on both sides of the Atlantic At a time when progress towards equality is not only stalling but being actively reversed how should anti racist scholars respond This collection carries on James Baldwin s legacy of bearing witness to racial violence in its many forms Its authors address how we got to this particular moment arguing that it can only be truly understood by placing it within the wider historical and structural contexts that normalise racism and white supremacy Its chapters engage with a wide range of contemporary issues and debates from the whiteness of the recent women s marches to anti racist education to the question of Black resistance and intersectionality Mapping out the problems we face and the solutions we need the book considers how anti racist scholarship and activism can overcome the setbacks posed by the resurgence of white supremacy

**Anti-Racist Scholarship** James Joseph Scheurich, 2012-02-01 Most would agree that racism is a moral and spiritual violation of the human spirit and the human community and one of the most destructive social problems in the United States In this thought provoking and challenging book Scheurich contends that white racism is interwoven within social science research social institutions such as public education and society in general directly destroying any legitimate claim to democracy This volume offers discussions and examples of how white scholars can use anti racist scholarship as part of the long term civil rights struggle to create real equality in the United States Other scholars who both agree and disagree with Scheurich s perspective contribute to the volume

**Critical Issues in Anti-racist Research Methodologies** George Jerry Sefa Dei, Gurpreet Singh Johal, 2005 Anti racism studies have blossomed over the years with scholarship and political work reinforcing each other to cement anti racist change But how do we understand anti racist research How is anti racist research methodology different from other methods of research investigation What are the principles of anti racism research This edited collection attempts to provide some answers by bringing together works that examine the perils and desires of anti racist research with a particular focus on the notion of difference and a serious consideration of the race gender class and sexuality intersections implications of educational research

**Ruptures: Anti-colonial & Anti-racist Feminist Theorizing** Njoki Wane, Jennifer Jagire, Zahra Murad, 2014-02-07 This book provides tools and theoretical frameworks to make sense of how the world is regulated governed controlled with regard to the exclusivity of certain members of the society and in particular women from marginalized groups This book therefore engages readers by asking thought provoking questions to interrogate issues of marginality and oppression in society The book as a collective provides an intellectual discourse on feminism anticolonial thought and anti racism This book is a must read for scholars activists theorists and

researchers who are seeking to rupture the borders of confinement and move beyond the imaginary margins created by organized structures in society

**Race Critical Public Scholarship** Karim Murji, Gargi Bhattacharyya, 2015-09-07 Karim Murji is Senior Lecturer in Sociology at the Open University UK He writes on cultural and policy studies of ethnicity and racism and criminology With John Solomos he is the editor of *Racialization Studies in theory and practice* 2005 and *Theories of Race and Ethnic Relations* He is an Editor of the journal *Sociology* Gargi Bhattacharyya is Professor of Sociology at the University of East London UK She has written on issues of racism and sexuality global cultures of racism and the war on terror Her recent work includes *Dangerous Brown Men Exploiting Sex Violence and Feminism in the War on Terror* 2008 and the edited collection *Ethnicities and Values in a Changing World* 2009

**Anti-Racism and Multiculturalism** Mark D. Alleyne, 2011 All scholarly books are engagements with the existing literature often the published scholarly work of one established discipline This book originated with modest objectives to produce a work that would be in conversation with the literature of international relations even though not of relevance only to that field The professed goal of international relations is international peace The ethical lens of pondering the best means to achieve world peace is used to filter media content in the field of multiculturalism and anti racism Although there has been little work on the impact of racial difference on the contours of contemporary international order there has been a sizeable body of research intended to abolish the credibility of pseudo scientific racism Such racism has provided the ideological foundation and justification for imperialism colonialism the holocaust and apartheid Race has been debunked as a myth Because of this racism the ideology bred of human classification according to racial difference has been found to be intellectually and morally barren But the need to communicate egalitarian and scientific sentiments remains The contributors to this volume consider five questions How does the literature on antiracism improve our understanding of conflict resolution How does the analysis of the media's role in racist and anti racist discourses improve the process of theorizing on hate and war propaganda How can research on anti racist discourse improve UN peacekeeping What implications does this subject have for theory building and cultural diversity How and why should the literature on anti racism expand research in international relations This is a unique worthwhile framework for cross disciplinary research in race and intellectual consensus and conflict Mark D Alleyne was professor of communication at the University of Georgia before his untimely demise in 2009 His main research areas were international communication policy United Nations Public Information Policy and Indigenous and Afro Hispanic transnational activism In addition he authored numerous scholarly articles as well as the books *Global Lies News Revolution and International Power and International Communication*

**Racism and Anti-Racism Today** Amanuel Elias, 2024-05-02 Acknowledging efforts to dismantle racism at multiple levels this book examines racism and anti racism as interconnected rather than isolated issues proposing a framework for effective anti racist policy and practice

**New Framings on Anti-Racism and Resistance** Ayan Abdule, Anne Nelun Obeyesekere, 2017-06-09 This collection of essays generates important enquiries into the teaching

and practice of anti racism education by way of working through conversations contestations and emotions as presented by a diverse group of strong women committed to social justice work in their own right Throughout the collection contemporary educational issues are situated within personal political historical and philosophical conversations which work to broach the challenges and possibilities for students educators staff administrators policy makers and community members who engage in critical anti racism education This work diverges from the existing scholarship by way of bringing new insights to the theoretical possibilities of resistance and futurity as voiced through pedagogues practitioners and scholars in anti racism In this book the authors speak to the importance of anti racism discursivity in a time when even those who desire to engage this framework struggle to be heard in a time when there are anti racism policies in institutions yet to speak anti racism philosophy remains dangerous and in a time when to speak race and anti racism is considered to be stirring up trouble in the face of post racial discourses

**White Supremacy, Racism and the Coloniality of Anti-Trafficking** Kamala Kempadoo, Elena Shih, 2022-09-15 Global efforts to combat human trafficking are ubiquitous and reference particular ideas about unfreedoms suffering and rescue The discourse has however a distinct racialized legacy that is lodged specifically in fears about white slavery women in prostitution and migration and the defilement of white womanhood by the criminal and racialized Other White Supremacy Racism and the Coloniality of Anti Trafficking centers the legacies of race and racism in contemporary anti trafficking work and examines them in greater detail A number of recent arguments have suggested that race and racism are not only visible but vital to the success of contemporary anti trafficking discourses and movements The contributors offer recent scholarship grounded in critical anti racist perspectives that reveal the historical and contemporary racial working of anti trafficking discourses and practices globally and how these intersect with gender citizenship sexuality caste and class formations and the global political economy

**The Realization of Anti-Racist Teaching** Godfrey L. Brandt, 2022-02-14 First published in 1986 The Realization of Anti Racist Teaching explores the subject and importance of anti racist education The book examines the relationship between the educational debate at the level of academic institutions professional organisations and local education authorities within the context of the actual practice of teaching It also questions how to link anti racist theories put forward by theorists and activists to the practice of teachers The Realization of Anti Racist Teaching is a detailed discussion of the history of racism and of anti racist teaching and education

**The Race Talk** Pierre W. Orelus, 2013-02-01 Drawing on critical race theory this book critically examines race through a mosaic lens pointing out various issues directly connected to it such as racial identity politics racism multiracialism interracial relationships and the hegemony of whiteness This book goes further to analyze the manner in which socially constructed racial stereotypes contribute to and are used to justify the poor socio economic situation and marginalization of People of Color particularly the poor ones Designed for a broad range of readers this book aims to open up democratic spaces for genuine discussions about racial issues

**Racism in Australia Today** Amanuel Elias, Fethi Mansouri, Yin

Paradies,2021-06-23 This book focuses on historical and current data to examine racism in Australia Making use of the latest state and federal data sets it critically synthesises contemporary research on race relations with a focus on racism and anti racism initiatives Employing innovative analytical methods the book provides students and researchers with a current and up to date analytical framework and benchmark empirical evidence on race relations In addition the book also analyses research data from other countries in order to generate some comparative insights and draw possible lessons and policy implications for Australia

**I Have Been Waiting** Jennifer S. Simpson,2003-01-01 I Have Been Waiting is an important work confirming that sustained attention to issues of race in higher education is both difficult and necessary

**Not "A Nation of Immigrants"** Roxanne Dunbar-Ortiz,2021-08-24 Debunks the pervasive and self congratulatory myth that our country is proudly founded by and for immigrants and urges readers to embrace a more complex and honest history of the United States Whether in political debates or discussions about immigration around the kitchen table many Americans regardless of party affiliation will say proudly that we are a nation of immigrants In this bold new book historian Roxanne Dunbar Ortiz asserts this ideology is harmful and dishonest because it serves to mask and diminish the US s history of settler colonialism genocide white supremacy slavery and structural inequality all of which we still grapple with today She explains that the idea that we are living in a land of opportunity founded and built by immigrants was a convenient response by the ruling class and its brain trust to the 1960s demands for decolonialization justice reparations and social equality Moreover Dunbar Ortiz charges that this feel good but inaccurate story promotes a benign narrative of progress obscuring that the country was founded in violence as a settler state and imperialist since its inception While some of us are immigrants or descendants of immigrants others are descendants of white settlers who arrived as colonizers to displace those who were here since time immemorial and still others are descendants of those who were kidnapped and forced here against their will This paradigm shifting new book from the highly acclaimed author of An Indigenous Peoples History of the United States charges that we need to stop believing and perpetuating this simplistic and a historical idea and embrace the real and often horrific history of the United States

Revisiting The Great White North? Darren E. Lund,2015-01-20 Returning seven years later to their original pieces from this landmark book over 20 leading scholars and activists revisit and reframe their rich contributions to a burgeoning scholarship on Whiteness With new reflective writings for each chapter and valuable sections on relevant readings and resources this volume refreshes and enhances the first text to pay critical and sustained attention to Whiteness in education with implications far beyond national borders Contributors include George Sefa Dei Tracey Lindberg Carl James Cynthia Levine Rasky and the late Patrick Solomon Courageously examining diverse perspectives contexts and institutional practices contributors to this volume dismantle the underpinnings of inequitable power relations privilege and marginalization The book s relevance extends to those in a range of settings with abundant and poignant lessons for enhancing and understanding transformative social justice work in education Revisiting The Great White North offers terrific

grist for examining the persistence of Whiteness even as it shape shifts Chapters are comprehensive theoretically rich and anchored in personal experience Authors reflections on the seven years since publication of the first edition of this book complexify how we understand Whiteness while simultaneously driving home the need not only to grapple with it but to work against it Christine Sleeter Professor Emerita California State University Monterey Bay Our understanding of racial inequities in education will be impoverished unless we look deeply at White privilege its variation in different contexts and resistances to change Such is the call in this important book by Lund Carr and colleagues whose analyses within Canadian contexts framed and re framed for this captivating revised edition will be useful to educators and scholars around the world Read this book today Kevin Kumashiro Dean School of Education University of San Francisco President National Association for Multicultural Education Darren Lund and Paul Carr have given the contributors to their original 2007 text the opportunity to revisit rethink reconceptualize and reframe their earlier work The result is an interesting invigorating and unsettling group of chapters that challenge readers to also revisit and rethink their own ideas about Whiteness privilege and power Teachers administrators policymakers and researchers will all benefit from this critical work Sonia Nieto Professor Emerita Language Literacy and Culture College of Education University of Massachusetts Amherst Lund and Carr bring together a superb collection of authors who collectively challenge readers to go beyond liberal platitudes about race until educators confront the political social and economic consequences of inequitably distributed privilege the path towards equality and freedom will remain elusive By immersing us in the discourse of Whiteness the essays in this book illuminate that very path Joel Westheimer University Research Chair Professor Faculty of Education University of Ottawa
