Antidefection Law And Parliamentary Privileges:

Anti-defection Law and Parliamentary Privileges Subhash C. Kashyap, 2003 **Anti-defection Law and Parliamentary Privileges**, 2023 Anti-defection Law in India and the Commonwealth G. C. Malhotra, 2005 *The Oxford Handbook of the Indian Constitution* Sujit Choudhry, Madhav Khosla, Pratap Bhanu Mehta, 2016-05-03 The Indian Constitution is one of the world's longest and most important political texts. Its birth over six decades ago signalled the arrival of the first major post-colonial constitution and the world's largest and arguably most daring democratic experiment. Apart from greater domestic focus on the Constitution and the institutional role of the Supreme Court within India's democratic framework, recent years have also witnessed enormous comparative interest in India's constitutional experiment. The Oxford Handbook of the Indian Constitution is a wide-ranging analytical reflection on the major themes and debates that surround India's Constitution. The Handbook provides a comprehensive account of the developments and doctrinal features of India's Constitution as well as articulating frameworks and methodological approaches through which studies of Indian constitutionalism and constitutionalism more generally might proceed. Its contributions range from rigorous legal studies of provisions within the text to reflections upon historical trends and social practices. As such, the Handbook is an essential reference point not merely for Indian and comparative constitutional scholars but for students of Indian democracy more generally. *Parliaments and Government Termination* Reuven Y. Hazan, Bjørn Erik Rasch, 2023-09-12 This book assesses the larger influences that government termination by parliaments has on executive-legislative relations, claiming that the way in which governments may be challenged or dismissed has far greater impact than previously understood. The core feature of a parliamentary system is not that governments tend to emerge from the legislatures in some way or another but their political responsibility to this body. While in only some parliamentary systems the government needs formal support of parliament to take office, in all parliamentary systems no government can survive against the will of parliament. The academic literature related to the rules for how governments form is vast. Strikingly, scholars have paid far less time to unpack the core institution of parliamentary systems of government: the confidence relationship and the various no-confidence procedures. The chapters explore the institutions by which parliaments hold governments accountable and how they balance elected parliaments and appointed governments in parliamentary systems. Contributions move beyond the standard focus on government formation and instead analyse government termination by parliament, evaluating its consequences in a detailed and comprehensive manner. This book will be of interest to students and academics in the field of political science, governance and political theory. The chapters in this book were originally published in *West European Politics*. CONSTITUTIONAL LAW OF INDIA-I, 2025-08-20 TP LAW SOLVED SERIES For LL B and LL B Integrated Bachelor of Laws University of Lucknow **Handbook on the Working of Ministry of Parliamentary Affairs** India. Ministry of Parliamentary Affairs, 2004 This Handbook contains the procedures and processes followed for transacting the business allotted to the Ministry of Parliamentary Affairs.

Party System Institutionalization in Asia Allen Hicken, Erik Martinez Kuhonta, 2015 This book provides a comprehensive empirical and theoretical analysis of the development of parties and party systems in Asia The studies included advance a unique perspective in the literature by focusing on the concept of institutionalization and by analyzing parties in democratic settings as well as in authoritarian settings The countries covered in the book range from East Asia to Southeast Asia to South Asia

Arihant CBSE Political Science Term 2 Class 11 for 2022 Exam (Cover Theory and MCQs) Shubhendra Tiwari, 2021-11-20 With the newly introduced 2 Term Examination Pattern CBSE has eased out the pressure of preparation of subjects and cope up with lengthy syllabus Introducing Arihant's CBSE TERM II 2022 Series the first of its kind that gives complete emphasis on the rationalized syllabus of Class 10th 12th The all new CBSE Term II 2022 Political Science of Class 11th provides explanation and guidance to the syllabus required to study efficiently and succeed in the exams The book provides topical coverage of all the chapters in a complete and comprehensive manner Covering the 50% of syllabus as per Latest Term wise pattern 2021 22 this book consists of 1 Complete Theory in each Chapter covering all topics 2 Case Based Short and Long Answer Type Question in each chapter 3 Coverage of NCERT NCERT Exemplar Board Exams Questions 4 Complete and Detailed explanations for each question 5 3 Practice papers based on the entire Term II Syllabus Table of Content Part A Indian Constitution at Work Legislature Executive Judiciary Part B Political Theory Liberty Equality Justice Practice Papers 1 3

History of the Parliament of India: The ninth and the tenth Lok Sabha, 1989-1996 : hung houses and minority governments Subhash C. Kashyap, 1994 *The Constitution, Government and Politics in India* Patil S.H., Comprehensive text on the Constitution of India with a holistic approach Covers the evolution of the Indian constitution government and politics from Independence to the present day An appendix at the end of every chapter providing the latest information Useful for the students and teachers of political science and law and candidates appearing for the competitive examinations conducted by the Union Public Service Commission and the state public service commissions

Indian Democracy M. Manisha, Sharmila Mitra Deb, 2009 Indian Democracy is an attempt to understand the development of democratic polity in India It covers a wide range of issues theoretical concepts political institutions federalism electoral process individual and group rights and mass media drawing attention to the significant broadening of Indian democracy

Political Parties, Business Groups, and Corruption in Developing Countries Vineeta Yadav, 2011-05-12 Political corruption is one of the globe's most pressing yet seemingly permanent problems It is a root cause of low growth and inequality and plagues numerous nations throughout the world in varying degrees In Political Parties Business Groups and Corruption in Developing Countries Vineeta Yadav tackles the puzzle of corruption by analyzing the role that business lobbying plays in it She shows that the structure of a developing nation's legislative institutions frequently determines whether such institutions promote or restrain corruption Combining focused studies of legislative institutions and business groups in India and Brazil with a broader survey of corruption in sixty four developing democracies Yadav shows how

systems with powerful parties rather than ones with powerful individual legislators encourage the most corruption A rigorous comparative examination of the connections between political institutions lobbying and corruption this work will reshape our understanding of how developing country democracies can both discourage and encourage bribery vote buying and influence peddling **Democracy, Electoral Systems, and Judicial Empowerment in Developing Countries** Vineeta

Yadav, Bumba Mukherjee, 2014-03-20 An independent judiciary is considered an indication of a developing nation's level of democracy **Journal of the Indian Law Institute**, 1994 *New Cultural Identitarian Political Movements in Developing*

Societies Sebastian Schwecke, 2012-12-06 Applying an intercultural and comparative theoretical approach across Asia and Africa this book analyses the rise and moderation of political movements in developing societies which mobilise popular support with references to conceptions of cultural identity The author includes not only the Hindu nationalist movement but also many Islamist political movements in a single category *New Cultural Identitarian Political Movements* NCIPM

Demonstrating significant similarities in the pattern of evolution between these and European Christian Democracy the book provides an instrument for the analysis of these movements outside the parameters of the fundamentalism debate The book looks at a number of key variables for understanding the evolution of NCIPM and it goes on to analyse the transition of developing societies from rent based political economies to capitalism and the partial failure of this transition process It argues that there is a need to incorporate economic and class analysis in the study of political processes in developing societies against the continuing emphasis on cultural factors associated with the cultural turn of social sciences The book is an interesting contribution to studies in South Asian Politics as well as Comparative Politics **Reconstitution of the**

Constitution of India Kanhaiyalal Sharma, 2002 **The Constitution of India** Team ARSu, The Constitution of India is an indispensable guide for every citizen of India and part of all administrative services examinations including Civil Services Examination and other State level Examinations or SSC This importance can be identified from the fact that almost on a consistent basis we have 10 to 15 questions from the Constitution of India in preliminary examination and it serves as the base of General Studies 2 in Main Examination with 5 to 6 questions around 70 80 marks each year The importance of Indian Polity increases more if it happens that you have Law Public Administration Political Science or any other optional subject which requires understanding on the Constitution of India So to make you better aware on the Constitution of India and give greater insights on handling the questions in both stages of the Examination we have developed this book as the most updated Constitution of India for competitive examination up to last Amendment i.e. 103rd along with previous year questions asked by UPSC in Preliminary Examination up to 2019 and Mains Examination 2013 18 Strong efforts are made to identify the changing perspectives from the Union Public Service Commission UPSC and those perspectives are added to help you in understanding the current political and administrative developments of India in refined way and secure good marks in Civil Services and other competitive examinations Longman History & Civics Icse 10 Singh Vipul, 2009-09 **1000 Most**
