Antifeminism In The Academy

Gaëtane Jean-Marie, Brenda Lloyd-Jones

Antifeminism In The Academy:

Antifeminism in the Academy VèVè A. Clark, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Anti-feminism in the Academy Veve Clark, Shirley Nelson Garner, Margaret Higonnet, Ketu Katrak, 2014-01-27 Contending that the anti feminist backlash in the academy is part of the broader politically correct rhetoric this collection of writers academics and activists is a much needed response to the assault on feminist thinkers and critics in the academy today

Career Strategies for Women in Academia Lynn H. Collins, Joan C. Chrisler, Kathryn Quina, 1998-07-23 Making one's way through the minefields that are found in the academic professions is difficult for anyone but the issues encountered by women in academe are pervasive and require specific strategies In this new volume editors Lynn H Collins Joan C Chrisler and Kathryn Quina provide a wealth of information about institutional pitfalls in higher education professions advice on how to handle difficult situations and encouragement to those who persevere in their pursuit of an academic career The book first considers the current state of women in higher education and then turns to an examination of women's roles in academe Next a section on assuming leadership in higher education provides insights and advice on breaking the glass ceiling A final section looks at how to take charge of one's self and one's career Full of personal accounts including success stories and cautionary tales Career Strategies for Women Academics is a must own for women looking for success in academia

Professing Feminism Daphne Patai, Noretta Koertge, 2003-02-04 Feminists have often called Women's Studies the academic arm of the women's movement But Daphne Patai and Noretta Koertge charge that the attempt to make Women's Studies serve a political agenda has led to deeply problematic results dubious scholarship pedagogical practices that resemble indoctrination more than education and the alienation of countless potential supporters In this new and expanded edition of their controversial 1994 book the authors update their analysis of what's gone wrong with Women's Studies programs Original chapters feature interviews with professors students and staffers who invested much time and effort in Women's Studies and new chapters look primarily at documents recently generated from within Women's Studies itself Through critiques of actual program mission statements course descriptions newsletters and e mail lists devoted to feminist pedagogy and Women's Studies and not least the writings of well known feminist scholars Patai and Koertge provide a detailed and devastating examination of the routine practices found in feminist teaching and research

The Banshees Sally Barr Ebest, 2013-10-22 Although much has been written about American feminism and its influence on culture and society very little has been recorded about the key role played by Irish American women writers in exposing women's issues protecting their rights and anticipating if not effecting change Like the mythical Irish banshee who delivered fore warnings of imminent death Irish American women through their writing have repeatedly warned of the death of women's rights These messages carried the greatest potency at liminal times when feminism was under attack due to the politics of civil society the government or the church The Banshees traces the feminist contributions of a wide range of Irish American

women writers from Mother Jones Kate Chopin and Margaret Mitchell to contemporary authors such as Gillian Flynn Jennifer Egan and Doris Kearns Goodwin To illustrate the growth and significance of their writing the book is organized chronologically by decade Each chapter details the progress and setbacks of Irish American women during that period by revealing key themes in their novels and memoirs contextualized within a discussion of contemporary feminism Catholicism Irish American history American politics and society The Banshees examines these writers roles in protecting women s sovereignty rights and reputations Thanks to their efforts feminism is revealed as a fundamental element of Irish American literary history

Women of Color in Higher Education Gaëtane Jean-Marie, Brenda Lloyd-Jones, 2011-08-18 Focuses on African American Hispanic American Native American and Asian Pacific American women whose increased presence in senior level administrative and academic positions in higher education is transforming the political climate to be more inclusive of women of color

Touch Screen Theory Michele White, 2022-10-25 Technology companies claim to connect people through touchscreens but by conflating physical contact with emotional sentiments they displace the constructed aspects of devices and women and other oppressed individuals critiques of how such technologies function Technology companies and device designers correlate touchscreens and online sites with physical contact and emotional sentiments promising unmediated experiences in which the screen falls away in favor of visceral materiality and connections While touchscreens are key elements of most people s everyday lives critical frameworks for understanding the embodied experiences of using them are wanting In Touch Screen Theory Michele White focuses on the relation between physically touching and emotionally feeling to recenter the bodies and identities that are empowered produced and displaced by these digital technologies and settings Drawing on detailed cases and humanities methods White shows how and why gender race and sexuality should be further analyzed in relation to touchscreen use and design White delves into such details as how women are informed that their bodies and fingernails are not a fit for iPhones how cellphone surfaces are correlated with skin and understood as erotic the ways social networks use heart buttons and icons to seem to physically and emotionally connect with individuals how online references to feminine and queer feelings are resisted by many men and how women producers of autonomous sensory meridian response ASMR videos use tactile strategies and touch screens to emotionally bond with viewers Proposing critical methods for studying touchscreens and digital engagement Touch Screen Theory expands a variety of research areas including digital and internet cultures hardware interfaces media and screens and popular culture

The Hidden Curriculum in Higher Education Eric Margolis, 2002-05-03 The Hidden Curriculum in Higher Education is a daring look at the way colleges and universities produce race class and gender hierarchies and reproduce conservative ideology These original and provocative essays shed light on all that remains hidden in higher education

When Women Ask the Questions Marilyn Jacoby Boxer, 2001-09-28 In When Women Ask the Questions Marilyn Boxer traces the successes and failures of women s studies examines the field s enduring impact on the world of

higher education and concludes that the rise of women's studies has challenged the university in the same way that feminism has challenged society at large. Drawing on her experiences as a historian, feminist, academic administrator and former chair of a women's studies program, Boxer observes that by working for justice and for changes necessary to make the attainment of justice a practical possibility, women's studies ensures that women are heard in the processes and places where knowledge is created, taught and preserved. The intellectual transformation behind the emergence of women's studies, Boxer concludes, is one of historic proportions. Like other great moments in human experience, it has given rise to a flowering of art, literature and science and to the challenging of previously accepted authorities of text and tradition.

Critical Postmodernism in Human Movement, Physical Education, and Sport Juan-Miguel Fernandez-Balboa, 1997-10-02. This book proposes alternative ways of looking at human movement and brings into question the traditional role of the human movement profession as an agent of social and cultural reproduction. The authors argue that the profession has traditionally shaped physical activities in schools and communities in disempowering ways and has adversely influenced how people view their bodies, apply physical activities to their lives and use and understand the knowledge in the field. To raise awareness of the possibilities of postmodernism for human movement, the contributors employ a critical postmodern conceptualization of the profession to explore the conflicts within it, to ask what can be done to strengthen it, to investigate how professional relations and meanings can be constructed within a new realm of justice, freedom and equity and to discuss the professional and civic principles to which the profession should subscribe. Contributors include Linda Bain, Robert Brustad, Cathy Ennis, Larry Fahlberg and Lauri Fahlberg, Don Hellison, Alan Ingham, David Kirk, George H. Sage, Sue Schwager, Richard Tinning and Gerd von der Lippe.

Mediating Australian Feminism Anthea Taylor, 2008. Helen Garner's *The First Stone* (1995), a non-fictional book about a sexual harassment case at a University of Melbourne residential college, captured and maintained the Australian media's attention in an unprecedented way. Its publication sparked extensive media commentary regarding an alleged generational war within Australian feminism. While talkback radio, current affairs television and cultural events such as literary festivals and forums all took part in this heated public contest over the meanings of feminism, this book reconsiders how the debate played out in the Australian print media. Analysing texts as diverse as feature articles and opinion pieces, non-fiction by young feminists, letters to the editor, celebrity feminist profiles and articles as well as *The First Stone* itself, this book offers the first in-depth analysis of this debate as a media event. Refusing to adopt either a condemnatory or celebratory approach to the complex relationship between feminism and media culture, it argues that the *First Stone* media event is indicative of the limitations and the opportunities proffered by the mediatization of contemporary feminism. *Mediating Australian Feminism* provides insights that will be valuable to scholars interested in feminism, journalism and news culture, literary reception and the politics of media representation.

Sharing Her Word Elisabeth Schüssler Fiorenza, 2001-01-01. How can recent advances in biblical studies empower feminist struggles and inspire all Christians to articulate a vision that promotes human

dignity justice inclusivity and well being for all In this book Elisabeth Schüssler Fiorenza develops her insights into the study of the Bible She reclaims the work of nineteenth and early twentieth century feminist biblical interpreters And she analyses several intriguing biblical passages to show how the Bible can contribute to the spiritual struggle for a more just world Praise for Sharing Her Word A fresh yet seasoned stock taking of feminist Biblical hermeneutics by one of the leading figures in this field Old Testament Essays 2000 *A Feminist I* Christine Overall, 1998-10-29 Our universities are the locus of ongoing debates over the politics of gender of class of disadvantage and disability and over the issue of political correctness In *A Feminist I* Christine Overall offers wide ranging reflections from a first person point of view on these issues and on the politics of the modern university itself In doing so she continually returns to underlying epistemological concerns What are our assumptions about the ways in which knowledge is constructed To what degree are our perceptions shaped by our social roles and identities In the past generation feminists have led the way in recognising the importance of such questions and recognising too the ways in which personal experience may be an invaluable reference point in academic theory and practice But reliance on personal experience is fraught with problems how is one to deal with tensions between the autobiographical and the analytic This book points the way to resolving some of those tensions and to fruitfully sustaining others It is a book of considerable insight warm humanity and genuine importance *Who Owns Religion?* Laurie L. Patton, 2019-11-27 *Who Owns Religion* focuses on a period the late 1980s through the 1990s when scholars of religion were accused of scandalizing or denigrating the very communities they had imagined themselves honoring through their work While controversies involving scholarly claims about religion are nothing new this period saw an increase in vitriol that remains with us today Authors of seemingly arcane studies on subjects like the origins of the idea of Mother Earth or the sexual dynamics of mysticism have been targets of hate mail and book banning campaigns As a result scholars of religion have struggled to describe their own work to their various publics and even to themselves Taking the reader through several compelling case studies Patton identifies two trends of the 80s and 90s that fueled that rise the growth of multicultural identity politics which enabled a form of volatile public debate she terms eruptive public space and the advent of the internet which offered new ways for religious groups to read scholarship and respond publicly These controversies she shows were also fundamentally about something new the very rights of secular Western scholarship to interpret religions at all Patton's book holds out hope that scholars can find a space for their work between the university and the communities they study Scholars of religion she argues have multiple masters and must move between them while writing histories and speaking about realities that not everyone may be interested in hearing *Women's Studies for the Future* Elizabeth Lapovsky Kennedy, Agatha Beins, 2005 Established as an academic field in the 1970s women's studies is a relatively young but rapidly growing area of study Not only has the number of scholars working in this subject expanded exponentially but women's studies has become institutionalized offering graduate degrees and taking on departmental status in many colleges and universities At the same

time this field formed in the wake of the feminist movement is finding itself in a precarious position in what is now often called a post feminist society This raises challenging issues for faculty students and administrators How must the field adjust its goals and methods to continue to affect change in the future Bringing together essays by newcomers as well as veterans to the field this essential volume addresses timely questions including Without a unitary understanding of the subject woman what is the focus of women s studies How can women s studies fulfill the promise of interdisciplinarity What is the continuing place of activism in women s studies What are the best ways to think about teach and act upon the intersections of race class gender disability nation and sexuality Offering innovative models for research and teaching and compelling new directions for action Women s Studies for the Future ensures the continued relevance and influence of this developing field

Faculty Work and the Public Good Genevieve G. Shaker,2014-12-01 At a time when faculty roles are under great scrutiny and faculty work itself has an uncertain future Faculty Work and the Public Good offers a new approach to examining academic professionalism This collection of essays applies a philanthropic lens to contemporary debates and considers academic work completed out of a moral responsibility to the public good It provides a counterpoint to narrow conceptions of appropriate faculty work as limited to the production of credit hours and research dollars and offers evidence that faculty can have a wider role both within and beyond the ivory tower By examining faculty members many contributions not only to students but to society at large this book provides an alternative perspective on America s colleges and universities that will help preserve and expand professional contributions to the public good Although not all faculty are philanthropically inclined highlighting those who are will help preserve valuable aspects of faculty work and encourage more such contributions to society This volume is an essential read for higher education policymakers trustees and administrators students and scholars of higher education and philanthropy and individual faculty concerned about their profession

Not My Mother's Sister Astrid Henry,2004-09-07 Rebellious generations and the emergence of new feminisms

Staging Women's Lives in Academia Michelle A. Massé,Nan Bauer-Maglin,2017-01-12 Staging Women s Lives in Academia demonstrates how ostensibly personal decisions are shaped by institutions and advocates for ways that workplaces not women must be changed Addressing life stages ranging from graduate school through retirement these essays represent a gamut of institutions and women who draw upon both personal experience and scholarly expertise The contributors contemplate the slipperiness of the very categories we construct to explain the stages of life and ask key questions such as what does it mean to be a graduate student at fifty Or a full professor at thirty five The book explores the ways women in all stages of academia feel that they are always too young or too old too attentive to work or too overly focused on family By including the voices of those who leave as well as those who stay this collection signals the need to rebuild the house of academia so that women can have not only classrooms of their own but also lives of their own

Mixed Media Simone Murray,2004-02-20 The feminist press movement transformed the publishing industry literary culture and educational curricula during the last quarter of the 20th century This book is

both a survey of the movement internationally and a detailed critique of its long term impact Feminist presses are described as mixed media always attempting to balance politics with profit making Using a series of detailed case studies Simone Murray highlights the specific debates through which this dilemma plays out the nature of independence the politics of race feminist publishing and the academy radical writing and publishing practice and feminism s interface with mainstream publishing

Being "In and Out": Providing Voice to Early Career Women in Academia Narelle Lemon, Susanne Garvis, 2014-11-04 This book is about a network of women who as a collective and individuals can share their stories to indeed help themselves as well as others Our stories assist in the telling and retelling of important events Reflecting on these events allow the processing figuring out and inquiring leading to behavioural actions to change situations The fact that we are women unites us as we have common elements with our roles both within academia in our families and in society The women in this study share their narratives in an open dialogue Their journey into and out of academia is constructed from a metaphorical three dimensional inquiry space Clandinin Connelly 2000 p 50 The space enables the authors to capture and communicate the emotional nature of lived experiences Clandinin Connelly 2000 The self studies explore the changes in social and contextual approaches that are attached to working and studying in higher education The book provides a narrative of the ups and downs that female academics have individually and collectively encountered while moving in and out of academia Making these stories known establishes a sense of collaboration and community This action serves to perpetuate and further develop the established pedagogy and look to improve practice A community practice seeks to locate the learning in the process of co participation building social capital and not just within individuals Hanks 1991 It allows females to come together to share experience and discuss ways forward

This Captivating World of E-book Books: A Detailed Guide Unveiling the Advantages of Kindle Books: A World of Ease and Flexibility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the constraints of hardcopy books. Antifeminism In The Academy Introduction

In today's digital age, the availability of Antifeminism In The Academy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Antifeminism In The Academy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Antifeminism In The Academy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase

several of them for educational or professional purposes. By accessing Antifeminism In The Academy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Antifeminism In The Academy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Antifeminism In The Academy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Antifeminism In The Academy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Antifeminism In The Academy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Antifeminism In The Academy books and manuals for download and embark on your journey of knowledge?

FAQs About Antifeminism In The Academy Books

What is a Antifeminism In The Academy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Antifeminism In The Academy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Antifeminism In The Academy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Antifeminism In The Academy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Antifeminism In The Academy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
