Pauline Kanene Davids

Antigone French Language Edition:

Antigone's Example Mihoko Suzuki, 2022-06-21 This book investigates early modern women's interventions in politics and the public sphere during times of civil war in England and France Taking this transcultural and comparative perspective and the period designation early modern expansively *Antigone's Example* identifies a canon of women's civil war writings it elucidates their historical specificity as well as the transhistorical context of civil war a context which it argues enabled women's participation in political thought

Antigone Jean Anouilh, Ted Freeman, 2000-12-14 The play follows the plot of Sophocles *Antigone* Contains one of the monologues for Year 12 Theatre Studies 2001

Antigone Efimia D. Karakantza, 2022-12-30 This book explores the figure of Antigone and her many reconceptualizations from antiquity to the present One of the most popular heroines of classical literature Antigone defied political authority to carry out the forbidden burial of her brother Readers will become familiar with the key themes of Antigone's story such as the law and politics gender and death tracing their survival and transformations over time Notably the book explores the thorough depoliticization of the heroine in philosophy and psychoanalysis followed by a reversal and repoliticization through feminist and socio-political theories It provides a useful tool to approach postmodern receptions of Antigone in the arts and society in the modern era particularly in the contexts of occupied and civil war era Greece in Palestine and in Syrian refugee camps in Lebanon It also addresses issues of Antigone like struggles of individuals or collectivities to overcome obstacles of systemic and racialized violence and gender-based oppression in the 21st century while challenging heteronormative practices and policies to allow new subjectivities to emerge Though Antigone's story is complex Karakantza provides an accessible fascinating overview of this enduring figure's legacy and impact over the course of history Antigone provides a comprehensive study of this classical heroine suitable for students and scholars of classical literature reception studies and gender studies It also appeals to theatre practitioners interested in adapting and staging Sophocles *Antigone* or any Antigone of the ancient sources

Antigone, Interrupted Bonnie Honig, 2013-05-02 Sophocles *Antigone* is a touchstone in democratic feminist and legal theory and possibly the most commented upon play in the history of philosophy and political theory Bonnie Honig's rereading of it therefore involves intervening in a host of literatures and unsettling many of their governing assumptions Exploring the power of Antigone in a variety of political cultural and theoretical settings Honig identifies the Antigone effect which moves those who enlist Antigone for their politics from activism into lamentation She argues that Antigone's own lamentations can be seen not just as signs of dissidence but rather as markers of a rival world view with its own sovereignty and vitality Honig argues that the play does not offer simply a model for resistance politics or equal dignity in death but a more positive politics of counter-sovereignty and solidarity which emphasizes equality in life

The Nation, 1894 *Opuliche* Pauline Kanene Davids, 2002 **Aeschylus. Choephoroi, with intr. and notes by A. Sidgwick** Aeschylus, 1884 *The Tragedy of King Richard the Third* William Shakespeare, 1884 Homer Homer, 1884

German classics Charles Adolphus Buchheim,1883 Aeschylus Agamemnon Aeschylus,1884 **Encyclopedia of Latin American Literature** Verity Smith,1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book **Outlines of Textual Criticism Applied to the New Testament** Charles Edward Hammond,1884 *The Classical Tradition : Greek and Roman Influences on Western Literature* Gilbert Highet,1949-12-31 A reissue in paperback of a title first published in 1949 *British Museum Catalogue of printed Books* ,1896 The Languages of Theatre O. Zuber,2014-06-28 This book focuses on the various problems in the verbal and nonverbal translation and transposition of drama from one language and cultural background into another and from the text on to the stage It covers a range of previously unpublished essays specifically written on translation problems unique to drama by playwrights and literary translators as well as theorists scholars and teachers of drama and translation studies *Educational Times* ,1896 *The Educational Times, and Journal of the College of Preceptors* ,1900 **How to Stage Greek Tragedy Today** Simon Goldhill,2007-11 Space and concept The chorus The actor s role Tragedy and politics what s Hecuba to him Translations finding a script Gods ghosts and Helen of Troy
