Vintage Stanley Tools Hans Brunner, 2017-05-21 A beginners guide for identification and valuation of vintage Stanley tools This guide is based on the Stanley Catalogue No 120 from 1923 We chose it because it was the first major catalogue of the combined Stanley Works It was tempting to reproduce the catalogue without additions but that has been done before We decided to reduce the size of the original line art pictures in favor of color illustrations values and additional product information The result therefore isn't a true re print of the original catalogue but rather an enhanced reproduction that will assist budding Stanley collectors with identification and valuation of Stanley tools We did not set out to compile a complete list of Stanley tools but rather give you a snapshot of the Stanley range available at the time the Sweetheart catalogues were issued

Antique & Collectible Stanley Tools John Walter, 1998 *Price Guide to Antique Tools* Herbert P. Kean, 2005-05-01 A price guide is only as helpful as its prices are current With this in mind we offer a new fourth edition of Herbert Kean's A Price Guide to Antique Tools its prices taken from the latest live and internet auctions as well as from private sales As before there are over 12 000 prices individual and chart combinations that represent extraordinary tools as well as those found in flea markets There is an explanation for each tool group that allows the reader to judge the condition of a tool the most critical of all factors when determining price The chapter on American wooden planes covers over 400 makers each graded with a single value number a system that is at the same time simple and comprehensive To help even more almost every tool is illustrated with a photograph or line drawing The section on internet prices explains the mechanisms of electronic auctions and gives tips for successful bidding If you have ever wished that you

could consult with an expert before investing in a tool this is the book for you It puts at your fingertips the knowledge and expertise of noted tool collector and dealer Herb Kean both in determining current prices and in evaluating condition Altogether an invaluable book *Stanley Model Shop* Scott Lynk, Phil Stanley, 2022-12-15 The Model Shop was a special department at the Stanley Rule Level Company where all new products and custom and special rule prototypes were created and tested for evaluation by management and customers The Stanley Company has produced hundreds of these out of the mainstream products which have now become sought after collectibles Authors Phil Stanley and Scott Lynk have collaborated to document in this new book the nonstandard rules made by Stanley as they explored market needs and responded to customers inquiries orders and modifications Included are the rules made by Stanley in the 1876 86 movement to convert to the metric system and both the custom and special rules and the stock rules currently in the inventory of the Stanley Model Shop **American Woodworker** ,1993-08 American Woodworker magazine A New Track Media publication has been the premier publication for woodworkers all across America for 25 years We are committed to providing woodworkers like you with the most accurate and up to date plans and information including new ideas product and tool reviews workshop tips and much much more *Tools* Jane Rees, Mark Rees, 1999-01-01 This second edition of the Rees book provides descriptions illustrations and interesting information much hitherto unpublished on 80 categories of English tools The tools are meticulously described and include prices in English pounds Includes collecting tips toolmaker information patents and registered designs and more *Warman's Antiques and Collectibles Price Guide* Ellen T.
