

Antirevivalism in Antebellum America

A COLLECTION OF RELIGIOUS VOICES

edited by **JAMES D. BRATT**

Antirevivalism In Antebellum America A Collection Of Religious Voices

Hans Krabbendam

Antirevivalism In Antebellum America A Collection Of Religious Voices:

Antirevivalism in Antebellum America James D. Bratt, 2005 One of the most enduring images from the early years of American history is that of a preacher on horseback slogging through mud and rain to bring folks in the backwoods the message of God and glory Such religious revivals not only became the defining mark of American religion but also played a central role in the nation's developing identity independence and democratic principles But revivalism has always generated opposition too even in its century of glory In *Anti Revivalism in Antebellum America* James D Bratt offers extensive introductions to primary anti revivalist documents These works range from the Philadelphia Methodist John F Watson's protests against camp meetings in 1819 to Elizabeth Cady Stanton's *Eighty Years and More* written in 1898 in which she recalls her youthful encounter with revival preaching and her rebound into political activism and religious agnosticism Through the recovered voices of antebellum religious critics Bratt shows how American culture was already being reshaped a generation before the Civil War and how evangelical religion stood at the center of a culture war If revivals typified the era when Americans launched and defined their new nation then objections to these revivals embodied the growing discontent at what the nation had become An important and long overdue collection this book urges an understanding of anti revival literature both in the context of the era when it emerged as well as in terms of the broader dynamic of American life Includes selections from Orestes Brownson Horace Bushnell Calvin Colton Orville Dewey Albert Baldwin Dod George Elley Charles G Finney John Williamson Nevin Stephen Olin Phoebe Palmer Daniel Alexander Payne Ephraim Perkins Elizabeth Cady Stanton Joseph Smith Harriet Beecher Stowe La Roy Sunderland John Fanning Watson Ellen G White and Friedrich C D Wyneken

New Sacred Writing and Charisma Claudia Jetter, 2025-03-10 Mid nineteenth century America was a vibrant period marked by charismatic leaders who produced new sacred writing This book explores the lives and works of Mormon founder Joseph Smith Jr Methodist revivalist Phoebe Palmer and Transcendentalist Ralph Waldo Emerson focusing on how their textual productions contributed to a diverse discourse community grappling with a perceived loss of religious authority It identifies shared motifs and practices these modern prophets employed to establish new carriers of religious authority Claudia Jetter examines the concept of religious authority highlighting the dynamic ascription processes between charismatic leaders and interactive social communities within the historical context of nineteenth century America **Sins of**

Christendom Nathaniel Wiewora, 2024-03-12 Evangelical criticism of the Church of Jesus Christ of Latter day Saints dates back to the earliest days of the Church Nathaniel Wiewora uses the diverse animus expressed by evangelicals to illuminate how they used an imaginary Church as a proxy to disagree attack compromise and settle differences among themselves As Wiewora shows the evangelical practice to contrast itself with the emerging faith not only encompassed but also went beyond religious matters If Joseph Smith was accused of muddling religious truth he and his followers also faced accusations of immoral economic practices and a sinful regard for wealth that reflected worries within the evangelical world Attacks on

Latter day Saints emotional religious displays the Book of Mormon s authenticity and the dangerous ideas represented by Nauvoo paralleled similar conflicts Wiewora traces how the failure to blunt the Church s success led evangelicals to change their own methods and pursue the religious education infrastructure that came to define parts of the movement Civic Gifts Elisabeth S. Clemens,2020-04-21 In Civic Gifts Elisabeth S Clemens takes a singular approach to probing the puzzle that is the United States How she asks did a powerful state develop within an anti statist political culture How did a sense of shared nationhood develop despite the linguistic religious and ethnic differences among settlers and eventually citizens Clemens reveals that an important piece of the answer to these questions can be found in the unexpected political uses of benevolence and philanthropy practices of gift giving and reciprocity that coexisted uneasily with the self sufficient independence expected of liberal citizens Civic Gifts focuses on the power of gifts not only to mobilize communities throughout US history but also to create new forms of solidarity among strangers Clemens makes clear how from the early Republic through the Second World War reciprocity was an important tool for eliciting both the commitments and the capacities needed to face natural disasters economic crises and unprecedented national challenges Encompassing a range of endeavors from the mobilized voluntarism of the Civil War through Community Chests and the Red Cross to the FDR driven rise of the March of Dimes Clemens shows how voluntary efforts were repeatedly articulated with government projects The legacy of these efforts is a state co constituted with as much as constrained by civil society *The Spires Still Point to Heaven* Matthew Smith,2022-11-21 How nineteenth century Cincinnati tested the boundaries of nativism toleration and freedom **The Blackwell Companion to Religion in America** Philip Goff,2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment Sectarianism and Orestes Brownson in the American Religious Marketplace Ángel Cortés,2017-07-10 This book reveals the origins of the American religious marketplace by examining the life and work of reformer and journalist Orestes Brownson 1803 1876 Grounded in a wide variety of sources including personal correspondence journalistic essays book reviews and speeches this work argues that religious sectarianism profoundly shaped participants in the religious marketplace Brownson is emblematic of this dynamic because he changed his religious identity seven times over a quarter of a century Throughout Brownson waged a war of words opposing religious sectarianism By the 1840s however a corrosive intellectual environment

transformed Brownson into an arch religious sectarian The book ends with a consideration of several explanations for Brownson's religious mobility emphasizing the goad of sectarianism as the most salient catalyst for change **America's Book** Mark A. Noll, 2022 Noll's magisterial work highlights not only the centrality of the Bible for the nation's most influential religious figures Methodist Francis Asbury Richard Allen of the African Methodist Episcopal Church Catholic Bishop Francis Kenrick Jewish scholar Solomon Schechter agnostic Robert Ingersoll but also why it was important for presidents like Abraham Lincoln notable American women like Harriet Beecher Stowe Elizabeth Cady Stanton and Frances Willard dedicated campaigners for civil rights like Frederick Douglass and Francis Grimké lesser known figures like Black authors Maria Stewart and Harriet Jacobs and a host of others of high estate and low *Genre and White Supremacy in the Postemancipation United States* Travis M. Foster, 2019 Studies the role popular literature in the systematic racism present in easy going activities ordinary feelings and casual interactions The volume uncovers this history of racial ordinariness through various genres such as campus novels Civil War elegies regionalist sketches and gospel sermon **Invisible Sovereign** Mark G. Schmeller, 2016-01-12 This history of early American political thought examines the emergence evolution and manipulation of public opinion In the early American republic the concept of public opinion was a recent and ambiguous invention While appearing to promise a new style of democratic politics the concept was also invoked to limit self rule cement traditional prejudices stall deliberation and marginalize dissent As Americans contested the meaning of this essentially contestable idea they expanded and contracted the horizons of political possibility and renegotiated the terms of political legitimacy Tracing the concept from its late eighteenth century origins to the Gilded Age Mark G. Schmeller's *Invisible Sovereign* argues that public opinion is a central catalyst in the history of American political thought Schmeller treats it as a contagious idea that infected a broad range of discourses and practices in powerful occasionally ironic and increasingly contentious ways Ranging across a wide variety of historical fields *Invisible Sovereign* traces a shift over time from early political constitutional concepts which wrapped public opinion in the language of constitutionalism to more modern social psychological concepts which defined public opinion as a product of social action and mass communication *One, Holy, Catholic, and Apostolic, Tome 1* John Williamson Nevin, 2017-08-24 The mid nineteenth century is a gold mine for contemporary scholars interested in American Protestant ecclesiology There one will find the extensive writings of John Nevin who came to the notice of the theological world with *The Anxious Bench* a critique of the quackery of Protestant revivalism Influenced by a critical appropriation of cutting edge contemporary German theology he came to believe that the church was not invisible but the visible manifestation of Jesus Christ's incarnate life Christians were to pursue unity not in external institutional arrangements but as unity of spiritual life This compilation presents his theology of the catholicity of the church prior to his masterwork *The Mystical Presence* and a multifaceted sophisticated critique of American sectarianism This edition carefully preserves the original texts while providing extensive introductions annotations and bibliography The

Mercersburg Theology Study Series presents for the first time attractive readable scholarly modern editions of the key writings of the nineteenth century movement known as the Mercersburg Theology An ambitious multi year project it aims to make an important contribution to the academic community and to the broader public who can at last be properly introduced to this unique blend of American and European Reformed and Catholic theology

A Companion to the Era of Andrew Jackson Sean Patrick Adams, 2013-02-04 A COMPANION TO THE ERA OF ANDREW JACKSON More than perhaps any other president Andrew Jackson's story mirrored that of the United States from his childhood during the American Revolution through his military actions against both Native Americans and Great Britain and continuing into his career in politics As president Jackson attacked the Bank of the United States railed against disunion in South Carolina defended the honor of Peggy Eaton and founded the Democratic Party In doing so Andrew Jackson was not only an eyewitness to some of the seminal events of the Early American Republic he produced an indelible mark on the nation's political economic and cultural history A Companion to the Era of Andrew Jackson features a collection of more than 30 original essays by leading scholars and historians that consider various aspects of the life times and legacy of the seventh president of the United States Topics explored include life in the Early American Republic issues of race religion and culture the rise of the Democratic Party Native American removal events the Panic of 1837 the birth of women's suffrage and more

Theologies of the American Revivalists Robert W. Caldwell, 2017-03-04 Robert Caldwell traces the fascinating story of American revival theologies during the Great Awakenings examining the particular convictions underlying these conversions to faith Caldwell offers a reconsideration of the theologies of important figures and movements giving fresh insight into what it meant to become a Christian during this age in America's religious history

Saving the Overlooked Continent Hans Krabbendam, 2020-09-15 How American Protestant missionaries created a new worldwide religious network Among a wide spectrum of American Protestants the horrors of World War II triggered grave concern for Europe's religious future They promptly mobilised resources to revive Europe's Christian foundation Saving the Overlooked Continent reconstructs this surprising redirection of Western missions For the first time Europe became the recipient of America's missionary enterprise The American missionary impulse matched the military economic and political programs of the U S all of which positioned the United States to become Europe's dominant partner and point of cultural reference One result was the importation of the internal conflicts that vexed American Protestants theological tensions between modernists and traditionalists and organisational competition between established churches and independent parachurch associations Europe was offered a new slate of options that sparked civic and ecclesiastical responses But behind these contending religious networks lay a considerable overlap of goals and means based on a shared missionary trajectory By the mid 1960s most Protestant American agencies admitted that the expectation of a religious revival had been too optimistic despite their initiatives having led to an integration of Europe in the global evangelical network The agencies reconsidered their assumptions and redefined their

strategies The initial opposition between inclusive and exclusive approaches abated and the path opened to a sustained cooperation among once fierce opponents **The Evangelical Counter-Enlightenment** William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th century contemporaries to find what Salafist and Sufi Islam Evangelical Protestant and Jansenist Catholic Christianity and Hasidic Judaism have in common Such figures include Muhammad Ibn Abd al Wahab Count Nikolaus Zinzendorf Jonathan Edwards John Wesley Jean Jacques Rousseau and Israel Baal Shem Tov The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader **John Calvin's American Legacy** Thomas Davis, 2010-04-08 This title explores the ways Calvin and the Calvinist tradition have influenced American life In addition each section moves chronologically ranging from colonial times to the 21st century **Who Is an Evangelical?** Thomas S. Kidd, 2019-09-24 A leading historian of evangelicalism offers a concise history of evangelicals and how they became who they are today Evangelicalism is arguably America's most controversial religious movement Nonevangelical people who follow the news may have a variety of impressions about what evangelical means But one certain association they make with evangelicals is white Republicans Many may recall that 81 percent of self-described white evangelicals voted for Donald Trump and they may well wonder at the seeming hypocrisy of doing so In this illuminating book Thomas Kidd draws on his expertise in American religious history to retrace the arc of this spiritual movement illustrating just how historically peculiar that political and ethnic definition white Republican of evangelicals is He examines distortions in the public understanding of evangelicals and shows how a group of Republican insider evangelicals aided the politicization of the movement This book will be a must read for those trying to better understand the shifting religious and political landscape of America today

John Calvin's Impact on Church and Society, 1509-2009 Martin Ernst Hirzel, Martin Sallmann, 2009-04-03 A tribute to the monumental influence of John Calvin in the 500 years since his birth What legacies still enduring today have John Calvin and Calvinism given to the church and society in Europe and North America An international group of scholars tackles that question in this volume honoring Calvin's 500th birthday These chapters together provide a comprehensive and accessible introduction to Calvin's life and thought the history of the Reformation in Switzerland and worldwide and his continuing relevance for ecclesial social and political questions today Contributors Philip Benedict James D Bratt Emidio Campi Wulfert de Greef Christopher Elwood Eva Maria Faber Eric Fuchs Ulrich H J Krtner Christian Link Christian Moser Andrew Pettegree Christoph Strohm Mario Turchetti The essays in this book fit beautifully together to provide a solid complete work that gives precise insight into the many different facets of Calvin and Calvinism The high level research found here clearly shows the

great impact that Calvin has had on both church and society It is a great pleasure to see Calvin here anew Eberhard Busch University of Gttingen That John Calvin made a deep and lasting impact on many aspects of history is common knowledge but the character of the man and the nature of his influence are perhaps as controversial as any that can be named It is thus a challenge to examine even a fraction of the many ways that Calvin s life and thought have contributed to the shaping of later ages in both church and society This volume offers essays on key points from an appropriately international group of authors appreciative but critical drawing on a rich range of recent scholarship presented in a pleasing and accessible form It is a fine place for the new reader of Calvin to get a glimpse of his impact while offering a fresh summary of some significant issues for more advanced students of the Reformer Elsie Anne McKee Princeton Theological Seminary Hirzel and Sallmann have succeeded in gathering essays by an illustrious circle of experts both historians and theologians on important areas of Calvin s thought and impact Ranging from an insignificant city at the edge of the Swiss Confederation in the 1530s to the Accra Confession of 2004 these essays will serve to correct popular misconceptions A fine introduction for a broader readership that wants more than mere armchair theology Peter Opitz University of Zurich

The Oxford Handbook of Early Evangelicalism Jonathan Yeager, 2022 Contexts Churches and movements The culture of evangelicalism Personalities

The Frederick Douglass Papers Frederick Douglass, 2021-01-01 The journalism and personal writings of the great American abolitionist and reformer Frederick Douglass Launching the fourth series of The Frederick Douglass Papers designed to introduce readers to the broadest range of Frederick Douglass s writing this volume contains sixty seven pieces by Douglass including articles written for North American Review and the New York Independent as well as unpublished poems book transcriptions and travel diaries Spanning from the 1840s to the 1890s the documents reproduced in this volume demonstrate how Douglass s writing evolved over the five decades of his public life Where his writing for publication was concerned mostly with antislavery advocacy his unpublished works give readers a glimpse into his religious and personal reflections The writings are organized chronologically and accompanied by annotations offering biographical information as well as explanations of events mentioned and literary or historical allusions

Antirevivalism In Antebellum America A Collection Of Religious Voices Introduction

In the digital age, access to information has become easier than ever before. The ability to download Antirevivalism In Antebellum America A Collection Of Religious Voices has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Antirevivalism In Antebellum America A Collection Of Religious Voices has opened up a world of possibilities. Downloading Antirevivalism In Antebellum America A Collection Of Religious Voices provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Antirevivalism In Antebellum America A Collection Of Religious Voices has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Antirevivalism In Antebellum America A Collection Of Religious Voices. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Antirevivalism In Antebellum America A Collection Of Religious Voices. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Antirevivalism In Antebellum America A Collection Of Religious Voices, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Antirevivalism In Antebellum America A Collection Of Religious Voices has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Antirevivalism In Antebellum America A Collection Of Religious Voices Books

What is a Antirevivalism In Antebellum America A Collection Of Religious Voices PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Antirevivalism In Antebellum America A Collection Of Religious Voices PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Antirevivalism In Antebellum America A Collection Of Religious Voices PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Antirevivalism In Antebellum America A Collection Of Religious Voices PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Antirevivalism In Antebellum America A Collection Of Religious Voices PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe

Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
