Identifying, Assessing, and Treating Conduct Disorder at School Tammy L. Hughes, Laura M. Crothers, Shane R. Jimerson, 2007-12-22 Concern continues to ripple throughout society over the escalating incidents of youth violence and aggression School professionals confront daily the challenges resulting from conduct disorders which threaten to disrupt the learning process and compromise the well being security and safety of students and faculty With the ongoing emphasis on high stakes academic testing schools are struggling to pinpoint effective strategies and secure the resources needed to identify assess and treat students with conduct problems so that all children can succeed at school Identifying Assessing and Treating Conduct Disorder at School bridges the gap between science and practice providing school professionals with the information they need to coordinate efforts and enhance communication between parents other educators administrators and social services providers In addition it offers guidance on the interventions that are likely to be most effective in meeting the unique needs of youths with conduct

disorder This volume Emphasizes why school psychologists and their colleagues need to be prepared and able to identify and serve students with conduct disorder Identifies the prevalence influences and associated conditions Provides a review of screening referral and diagnostic assessment processes Offers guidance on conducting psychoeducational assessments Reviews evidence based treatments Provides practical guidance on setting up programs that address individual classroom and schoolwide issues School psychologists and other education and mental health professionals will find this volume an invaluable resource in working to enhance the mental health and educational development of students *Evidence-Based Interventions for Students with Learning and Behavioral Challenges* Richard J. Morris, Nancy Mather, 2008-01-14 This book assembles into one volume summaries of school based intervention research that relates to those who deal on a regular basis with the growing body of students having high incidence learning disabilities and or behavior disorders special educators school psychologists and clinical child psychologists Chapter authors begin with an overview of their topic followed by a brief section on historical perspectives before moving on to the main section a critical discussion of empirically based intervention procedures In those instances where evidence based prescriptions can legitimately be made authors discuss best practices and the conditions e g classroom environment teacher expertise under which these practices are most effective A final section deals with policy issues Crime, Anti-Social Behaviour and Schools C. Hayden, D. Martin, 2011-05-27 The behaviour and safety of children and young people in and around schools is a topic of world wide concern From school shootings and deaths on school premises to the everyday behaviour of young people in school this book explores what is happening in schools in Britain and links it with evidence from elsewhere in the world Preventing Problem Behaviors Robert Algozzine, Pam Kay, 2002 This book offers an array of suggested good practice with consistent thinking behind it and teachers and other education professional will find much that both interest and challenges in it The book has much to teachers not only in the setting of challenging behaviours but also in the wider context of effective classroom practice aimed at preventing problems that become challenging Chris Lee British Journal of Special Education Today most teachers will tell you that they spend an inordinate amount of time energy and effort managing problem behaviours and that time spent managing behaviour seriously limits the amount of time they can spend teaching Removing students who misbehave from the classroom only displaces the problem and does nothing to address the school system s responsibility to educate them This book follows an OSEP funded Office of Special Education Programs project titled Prevention Strategies That Work which covered four years of implementing school based prevention practices The effective prevention NOT intervention programmes are based on the premise that early response to learning behaviour and emotional problems can lead to better outcomes for students The three fundamental areas addressed are improving individual behaviours improving classroom and school wide conditions and improving family and community partnerships This is a strategy book presenting practices to counter behavioural problems before they get out of hand They have been tested adapted and proven effective in a variety of

settings Each chapter cites the research that supports the recommended practices **Effects of Home- and School-based Interventions for Students with and At-risk for Antisocial Behavior** Heidi Kristine Olson-Tinker, 2002
