As It Is in Heaven Caitlin Smith Gilson, 2022-04-05 The loss of a real and heartfelt belief in God and by real I mean an experience that is both steady and moving ethereal though down to earth sentimental but never trite comes from an earlier more foundational loss namely that of an ardent and directed desire for heaven and more specifically that paradisaic longing for the resurrected life This book seeks to recover the neglected nature of heaven degraded into something out there and unknown degraded further into a vague wish for immortality and the often empty words of consolation Or even worse the almost comic book reduction of heaven to an earthly

socialist paradise the immanentization of the Christian eschaton The vague better place which is meant well often means nothing at all or worse than that can hamper us when approaching and engaging the mystery of grief This book will address and interrogate various questions about the nature of the afterlife on the status of guilt forgiveness friendship love embodiment sexuality and propose various paths to answers We are talking about that sacred innermost promise the hope of paradisaal reunion most secret and yet most universal never abstract and shapeless but embodied and individual We must wonder whether our casual forgetting of this estuary of human hope the resurrected life has caused us to lose ourselves in such a way that we do not even know what we have lost *Collected Works in Ten Volumes: Selected stories* Maksim Gorky,1978 [Concise Encyclopedia of the Original Literature of Esperanto, 1887-2007](#) Geoffrey Sutton,2008 Illustrating the development of Esperanto literature from its humble beginnings in 1887 to its worldwide use in every literary genre today this text includes over 300 individual articles on the most important Esperanto authors *The Edinburgh Edition of the Collected Letters of Katherine Mansfield: Letters to correspondents A-J* Katherine Mansfield,2020 Organized by recipient this innovative four volume edition allows the reader to explore and share Katherine Mansfield's individual relationships via her letters Well known Mansfield scholars Claire Davison and Gerri Kimber have returned to the author's original letters retranscribing and fully annotating them incorporating recently discovered biographical material as well as previously unpublished letters As the four volumes in the Collected Letters reveal letter writing was an essential part of Mansfield's literary production **An Anthology of Jewish-Russian Literature** Maxim Shrayer,2015-03-26 This definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language It features writers of the tsarist Soviet and post Soviet periods both in Russia and in the great emigrations representing styles and artistic movements from Romantic to Postmodern The authors include figures who are not widely known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shrayer of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author's background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor's extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources *Selected Stories of Katherine Mansfield* Katherine Mansfield,2023-07-13

Studies in the Comic Spirit in Modern Japanese Fiction Joel R. Cohn, 2020-10-26 Unlike traditional Japanese literature which has a rich tradition of comedy modern Japanese literature is commonly associated with a high seriousness of purpose In this pathbreaking study Joel R Cohn analyzes works by three writers Ibuse Masuji 1898 1993 Dazai Osamu 1909 1948 and Inoue Hisashi 1934 whose works constitute a relentless assault on the notion that comedy cannot be part of serious literature Cohn focuses on thematic structural and stylistic elements in the works of these writers to show that modern Japanese comedic literature is a product of a particular set of historical social and cultural experiences Cohn finds that cultural and social forces in modern Japan have led to the creation of comic literature that tends to deflect attention away from a human other and turn in on itself in different forms
