D. Veum, 2001 From the heart of a mariner and a hopeless romantic this book is a collection of poems he had written about life and about the women he loved They are poems about romance passion loneliness and lust Other poems in the book concern other aspects of life They range from sailing to high school graduation They are the candid and open thoughts of a simple man set to the beauty of poetical verse      **Autumn Leaves** Maria L. Doud Scott, 1880      **Rhymes from a Sailor's Journal** Charles Austin Mendell Taber, 1873      *Beneath the Shadows* Tara Conrad, 2025-09-07 Step into a dark mafia retelling of Edgar Allan Poe's *The Cask of Amontillado* where love betrayal and danger intertwine In the dangerous and often deadly world of the mafia staying loyal to the family is rule number one Antonio learns this first hand abandoning the luxury of emotions when his cousin Valentino son of the current boss marries the girl he loves Trapped in an arranged loveless marriage to Valentino Alessia hides her fears behind obedience She yearns for a life free from the dark underworld that surrounds her When Valentino is murdered Alessia runs away believing she can finally live the life she's dreamed of When ominous notes start mysteriously appearing she realizes danger is now closer than ever Antonio is sent to find and return her but when their worlds collide so do the feelings they once had for each other He's determined to protect her at any cost but will he be able to before it's too late      In Too Deep Ryan J. Bunda, 2011 *In Too Deep* is a compilation of seven fantasy short stories If you're looking for something unique and entertaining this book is for you Ryan J Bunda's innovative writing style will keep you mesmerized by every page You won't be able to set it down Each short story is a separate world where you can experience them vicariously Lost in the moment so to speak *In Too Deep* will not even remotely bore the reader The plots twist and turn taking you places you've never been places you've never seen A desperately lonely famous writer looks for love and falls into madness where he leads a double life A gifted but dysfunctional teenager is a master of videogames but can he beat a demonically possessed videogame that has stolen his soul A child incarnated with the curse of the Lycanthrope Werewolf A romantic teenage Vampire story A super intelligent Golden Retriever's heroism and mischief a lighthearted read In Los Angeles a psychic detective hunts a psychic serial killer Finally the true meaning of Tae Kwon Do I hope these words have captured your interest and you decide to read this book Take a chance you won't be disappointed      **The Greatest Love Story Never Told** Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and

perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other Arthur's Illustrated Home Magazine ,1858 Arthur's Home Magazine ,1863 **The Prose and Poetry of**

**Europe and America** ,1845 **Misty Mornings and Grace Filled Evenings** Daniel Robinson,2019-05-22 Imagine you are sitting in a lovely garden It is in the early hours when mist enshrouds the liminal space between night and day Or it may be in the cool of the evening as a pallet of color begins to emerge just beyond the horizon You are drawn to quiet reflection and wish to express the musings of your heart in word or verse in watercolor sketch or photographic image Such was the experience of the authors of this invitation to spiritual formation through interactive reflective journaling Inspired by daily readings from Henri Nouwen's very personal journal The Inner Voice of Love A Journey through Anguish to Freedom the authors embarked on a several month process of journaling back and forth to each other one writing poetic reflections during their misty morning quiet time the other responding with a story that came to mind during their grace filled evening In this compilation the authors share excerpts from their own interactive journaling process provide readers with suggestions for prayer and reflection and encourage other seekers to add another layer to the story through their own journal reflections

**Heart Power** Ed Conrad,2014-10-15 Rather than attempting to engage the reader in more mental exercises the wisdom and inspiration in this daily companion book is designed to uncover something far more powerful Through personal stories infused with honest bold and sometimes humorous reflections the author invites us to awaken and energize our greatest inner resource the power of the inner heart Not only does he draw upon his personal experience practice research and vulnerabilities in crafting these daily pieces of wisdom he also draws from the well of renowned spiritual teachers and ageless wisdom traditions Day by day each writing stands on its own as a love offering created to inspire as well as support the dismantling of our personal fears When included as part of daily spiritual practice Heart Power is likely to awaken the sleeping giants of tangible courage spiritual healing creative energy and ongoing loving compassionate connection with ourselves and our companions Simple but potent heart centered daily practices are provided to help with this personal and spiritual restoration In this one of a kind daybook the power and wisdom of the inner heart comes of age **The Guardian**

*A Storm in Pandora's Tea Box* Garry B Grove,2010-12-09 *A Storm In Pandora's Tea Box* by Garry B Grove is a volume of reflective poetry As love is polarised by hate pain the antithesis of pleasure the deceptive calm that precedes a storm can also be an impending maelstrom When the lid is removed from Pandora's Tea Box then many elements of the life experience and its emotions are open from the cradle to the grave A paean to the cyclical mystery of life's inherent gift and celebrations of individual expression Fate's finger points and the consequences may be serious or hilarious a matter of life and death much ado about nothing or an unforeseen catastrophe All extremities have their felicitous paradoxes *The Poet and the Children*

Matthew Henry Lothrop,1882 *Autumn's Last Promise* FRN,2025-01-26 *Autumn's Last Promise* is a heartwarming emotional romance about second chances healing and the unexpected paths that lead us to the love we never saw coming In a town where autumn leaves fall and hearts are mended two people learn that sometimes love finds us when we're ready to let go of the past and open our hearts to the future **Poems of the Brokenhearted** Hseham Amrahs,2024-01-10 The thematic range of the collection is expansive covering the various stages of heartbreak from the initial shock to the gradual emergence of strength and resilience Some poems delve into the nostalgia of what once was exploring the remnants of love that linger in memory Others navigate the storm of emotions that accompany the aftermath unraveling the threads of attachment and laying bare the vulnerabilities of the human heart Despite the prevailing melancholy there is an undercurrent of hope that runs through the collection The poems are not only a testament to the pain of love lost but also a celebration of the indomitable spirit that emerges from the ashes of heartbreak They speak to the resilience of the human heart emphasizing that even in the throes of despair there is a transformative journey towards self discovery and renewal The organization of the collection is deliberate creating a narrative arc that mirrors the emotional trajectory of heartbreak The poems are often grouped thematically guiding readers through the labyrinth of emotions with a sense of coherence This organization enhances the overall reading experience creating a flow that mirrors the ebb and flow of the emotional tide
