Autumns Shadow:

Autumn's Back Porch Mike Hall, 2021-03-02 This book is a collection of poems dealing with the author's own personal reflections about life. They are works of encouragement, faith, and social consciousness meant to uplift the reader in their daily walk through their own individual journey. They were written as a message of hope for the trying times in which we currently find ourselves.

Autumn's End BJ Levey, 2024-06-20 At the end of the 21st century, rising oceans and advancing deserts crowd survivors into the New North. There, the all-powerful Aztec Conglomerates is on the cusp of the greatest technological upgrade in history. They promise hope, and they will stop at nothing to see it launched while there are those that will die to stop what they believe is humanity's greatest threat. When Aztec's lead scientist behind the Upgrade disappears after the murder of his family, four people, four stories will collide. A homeless man finds what everyone is desperately searching for. And it's a heavy burden. Will he give up the little he has left to protect it? An ex-cop is promised his freedom if he finds a missing scientist. But he must choose: find and deliver his target to Aztec or save the woman he loves. A psychologist by day and terrorist by night is torn between her desire for revenge and doing what's right by the people she's sworn to protect. The ancient chairman of Aztec is dying, and he's invested everything into the Upgrade. But this salvation is becoming ever unstable and dangerous. Will his ego and his desperation push him to gamble everything? *Autumn's End* is a chilling and fast-paced sci-fi dystopian thriller of a world on the brink. Will the Upgrade signal humanity's next evolution, or will it be our final tool?

Sam Henry's Songs of the People Gale Huntington, Lani Herrmann, 2010-06-01. The story of Ireland, its graces and shortcomings, triumphs and sorrows, is told by ballads, dirges, and humorous songs of its common people. Music is a direct and powerful expression of Irish folk culture and an aspect of Irish life beloved throughout the rest of the world. Incredibly, the largest single gathering of Irish folk songs had been almost inaccessible because originally newspaper-based, it was available in only three libraries in Belfast, Dublin, and Washington, D.C. Sam Henry's *Songs of the People* makes the music available to a wider audience than the collector ever imagined. Comprising nearly 690 selections, this thoroughly annotated and indexed collection is a treasure for anyone who performs, composes, studies, collects, or simply enjoys folk music. It is valuable as an outstanding record of Irish folk songs before World War II, demonstrating the historical ties between Irish and Southern folk culture and the tremendous Irish influence on American folk music. In addition to the songs themselves and their original commentary, *Sam Henry's Songs of the People* includes a glossary, bibliography, discography, index of titles, and first lines.
