Basic documents Intergovernmental Maritime Consultative Organization,1968 **It Takes a Village** Hillary Rodham Clinton,2012-12-11 Ten years ago one of America s most important public figures First Lady Hillary Rodham Clinton chronicled her quest both deeply personal and in the truest sense public to help make our society into the kind of village that enables children to become able caring resilient adults IT TAKES A VILLAGE is a textbook for caring filled with truths that are worth a read and a reread In her substantial new introduction Senator Clinton reflects on how our village has changed over the last decade from the internet to education and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation from a first job to living through a terrorist attack She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful improvements in the foster care system and support for adoption and where there is still work to be done providing pre school programmes and universal health care to all our children This new edition elucidates how the choices we make about how we raise our children and how we support families will determine how all nations will face the challenges of this century

, *Programs to Strengthen Families* ,1988 **Impact Evaluation of Small and Medium Enterprise Programs in Latin America and the Caribbean** Gladys Lopez Acevedo,Hong Tan,2011 Small and medium enterprise SME support programs are a common feature of industrial policy in developing countries but one whose effectiveness is not well known Governments are motivated to support SMEs both because they make up the majority of industrial enterprises and contribute substantially to GDP employment and earnings and because SMEs are thought to be weaker than their larger counterparts Few governments however have evaluated their SME programs rigorously so there is little empirical basis for rational allocation of resources to the well performing programs The paucity of empirical evidence from rigorous impact evaluations also presents problems for multi lateral and bilateral donors in deciding whether or not to provide lending or aid for such

policy interventions to promote SME development This study rigorously evaluate SME programs in four Latin American countries to gain insights into which programs perform better than others and just as important why These countries Mexico Chile Colombia and Peru cover a wide range of enterprise support programs including training innovation and technology upgrading quality control market development export promotion and network formation Broadly comparable panel data on enterprises is used to investigate the net impacts of these SME interventions
