as the distrust and disarray boils behind every wall of every floor      **Grace and Vengeance** James L. Avery, 2012-09  
Historical fiction genre is the platform available to offer the truth about a double homicide that was current in the news  
Offering the truth is the primary and most important intent of this novel James L Avery a seer offers by explaining all  
evidence issues and describing the truth of who how what why where and when that is a requirement by the power of God  
Neither of the polarized opinions about the homicides had any validity because the entire truth was not of knowledge Not one  
crime scene expert can offer the truth better than this seer can about the issues of the double homicides I am offering the  
truth because those experts failed God with their expertise gifted by him to do his will In this there is an obviously given  
difference between self made and godsent The truth is offered inside of a fiction novel so that it can be offered legally The  
author is required to offer the names given to him spiritually      *Your Public Lands* ,1981      *Our Public Lands* ,1983
