Sacred Earth, Sacred Soul John Philip Newell, 2021-07-06 A leading spiritual teacher reveals how Celtic spirituality listening to the sacred around us and inside of us can help us heal the earth overcome our conflicts and reconnect with

ourselves John Philip Newell shares the long hidden tradition of Celtic Christianity explaining how this earth based spirituality can help us rediscover the natural rhythms of life and deepen our spiritual connection with God with each other and with the earth Newell introduces some of Celtic Christianity's leading practitioners both saints and pioneers of faith whose timeless wisdom is more necessary than ever including Pelagius who shows us how to look beyond sin to affirm our sacredness as part of all God's creation and courageously stand up for our principles in the face of oppression Brigid of Kildare who illuminates the interrelationship of all things and reminds us of the power of the sacred feminine to overcome those seeking to control us John Muir who encourages us to see the holiness and beauty of wilderness and what we must do to protect these gifts Teilhard de Chardin who inspires us to see how science faith and our future tell one universal story that begins with sacredness By embracing the wisdom of Celtic Christianity we can learn how to listen to the sacred and see the divine in all of creation and within each of us Human beings are inherently spiritual creatures who intuitively see the sacred in nature and within one another but our cultures and at times even our faiths have made us forget what each of us already know deep in our souls but have learned to suppress Sacred Earth Sacred Soul offers a new spiritual foundation for our lives once centered on encouragement guidance and hope for creating a better world Celtic Christian Spirituality ,2011 The Celtic Christians beheld the world around them and perceived the divine life of God as upholding every aspect of the material universe Their prayers and poems their liturgies and theological interpretations give Christians a sense of faith that is confident in a merciful and infinitely creative healing God **An Invitation to Celtic Wisdom** Carl McColman,2018-11-01 Drawing on myth folklore poetry and the tales of Celtic gods and heroes this little book is an invitation to readers to explore the spiritual tradition of the Celtic peoples a tradition rooted in hospitality and one that is of growing importance in these increasingly fractured and troubled times An Invitation to Celtic Wisdom is divided into three parts The Celtic Mystery In this section McColman illustrates the mystery inherent in the Celtic spiritual path with a brief discussion of the three streams of Celtic spirituality and an introduction to thin places and holy wells The Celtic Saints McColman explores how faith in the Celtic saints is rooted in the desert spirituality of the early Christian tradition Also included are profiles of Patrick Brendan and Bridget How to Walk the Celtic Path In this section the author explores hospitality spiritual direction story telling spiritual power and the Grail McColman has written a splendid intro to a spiritual path that will appeal to both believers and seekers who are interested in all things Celtic **Celtic Soul** Allan Shepard,2025-02-06 Celtic Soul Rituals for Spiritual Awakening By Allan Shepard A forgotten wisdom whispers through the winds calling those who seek a deeper connection with the unseen forces of nature Within the sacred cycles of existence an ancient path reveals itself one where rituals are more than mere ceremonies they are gateways to the Otherworld where gods spirits and ancestral voices intertwine with the breath of the earth The Celts knew that magic was not something apart from life but woven into the very fabric of reality Every tree every river every stone held a secret and those who listened could hear the pulse of creation itself This book is an

initiation into the mysteries of Celtic spirituality where divination sacred symbols and elemental forces merge in a dance of transformation Discover the wisdom of the druids the keepers of arcane knowledge who read the stars and whispered to the trees Walk the Wheel of the Year where festivals like Samhain Beltane and Imbolc mark the rhythm of life and death of endings and rebirths Invoke the presence of the gods Dagda Morrigan Lugh and Brigid who do not reside in distant heavens but in the very essence of nature Through rituals meditation and magic this journey is a call to awaken the ancestral fire that sleeps within you In a world disconnected from the sacred the echoes of Celtic wisdom resurface to remind us that spirituality is not a concept it is a living force waiting to be embraced Step beyond the veil feel the energy of the sacred groves and reclaim the lost harmony between self nature and the divine The path is open The fire is lit The journey begins

as promoting a caring society relating to the natural world and welcoming strangers Writers often use the metaphor of journey or pilgrimage to describe the Christian life What distinguishes this book and its development of that theme is its invitation to readers to experience their personal faith journeys through Celtic lenses Pilgrimage is part of the DNA of Celtic Christians The faith spread and flourished in Ireland Scotland Wales and Northern England between the 5th and 11th centuries because saints like Patrick Brigid and Columba traveled extensively preaching teaching and founding monasteries Soon small groups of Christians began to go out from these locations and begin new Christian communities By connecting historical information with their current lives and concerns readers will be encouraged to consider the many ways pilgrimage has shaped their personal faith They will discover the value and contributions of fellow travelers on the faith journey and how they assist and shape that journey By recalling how Celtic Christians celebrated and marked significant moments in their lives of faith readers will discover ways they can develop this practice They will affirm the importance of both offering and receiving hospitality on the faith journey a discipline that was critical to the Celts They will also have opportunities to deal with difficult life journeys such as transitions and opportunities for forgiveness and the importance of blessing one another in a world that values polarization over cooperation and competition over community With an introduction that sets the tone and introduces the theme and six chapters related to distinctives of Celtic Christianity this book is ideal for small groups whose members want to grow together in their spiritual understandings and commitments The Leader Guide is designed to help lead small groups It includes questions for reflection and additional prompts aimed to guide both personal contemplation and group discussion
