Awakening Mercy:

Awakening as Holy Mystery Kevin G. Thew Forrester, 2025-07-15 Christianity is an ancient non dual spiritual path of awakening This is not an awakening to God known as a religious object through the lens of belief hewn into shape through a set of religious doctrines This awakening begins with falling in love with the heart of Reality Holy Mystery and comes to fruition in the realization that the soul is one with the Beloved Holy Mystery the soul discovers is the true I of existence The author invites the reader on a journey through reflections and explorations nurtured by worship and prayer Here the soul might begin to slowly awaken to the truth of what she herself is This is the gracious path of Jesus own heart realizing that he and the Beloved are one Jesus awakens as the Christ The spiritual path in the Christian tradition is that each person also realizes Christ heart awakening and knowing not only one s own being as Holy Mystery but all creation as the unfolding flowering of boundless love Awakening becomes the source of servanthood and service Jesus embodies what each is called to realize as the heart s deepest and unceasing longing

The Great Awakening Richard L. Bushman,2013-04-01 Most twentieth century Americans fail to appreciate the power of Christian conversion that characterized the eighteenth century revivals especially the Great Awakening of the 1740s The common disdain in this secular age for impassioned religious emotion and language is merely symptomatic of the shift in values that has shunted revivals to the sidelines The very magnitude of the previous revivals is one indication of their

importance Between 1740 and 1745 literally thousands were converted From New England to the southern colonies people of all ages and all ranks of society underwent the New Birth Virtually every New England congregation was touched It is safe to say that most of the colonists in the 1740s if not converted themselves knew someone who was or at least heard revival preaching The Awakening was a critical event in the intellectual and ecclesiastical life of the colonies The colonists view of the world placed much importance on conversion Particularly Calvinist theology viewed the bestowal of divine grace as the most crucial occurrence in human life Besides assuring admission to God s presence in the hereafter divine grace prepared a person for a fullness of life on earth In the 1740s the colonists in overwhelming numbers laid claim to the divine power which their theology offered them Many experienced the moral transformatoin as promised In the Awakening the clergy s pleas of half a century came to dramatic fulfillment Not everyone agreed that God was working in the Awakening Many believed preachers to be demagogues stirring up animal spirits The revival was looked on as an emotional orgy that needlessly disturbed the churches and frustrated the true work of God But from 1740 to 1745 no other subject received more attention in books and pamphlets Through the stirring rhetoric of the sermons theological treatises and correspondence presented in this collection readers can vicariously participate in the ecstasy as well as in the rage generated by America s first national revival Island Queens and Mission Wives Jennifer Thigpen,2014 Kamehameha s kingdom Soldiers and angels for God

The Orchard of Pomegranates - Pardes Rimonim Rabbi Moshe Cordovero (Ramak),2025-09-11 Pardes Rimonim The Orchard of Pomegranates is the magnum opus of Rabbi Moshe Cordovero Ramak 1522 1570 written in Safed in the mid 16th century It is the first systematic encyclopedia of Kabbalah in which ancient mystical teachings were gathered and organized into a coherent system The title of the book is symbolic the pomegranate with its hundreds of seeds represents the multitude of mysteries and meanings contained within the Torah and the cosmos Like a garden filled with diverse fruits Kabbalah is presented in the book as a holistic harmonious teaching Across 32 gates Ramak guides the reader through key areas of mystical thought from the doctrine of the One God and the ten Sefirot to the structure of spiritual worlds Angels and Demons the nature of the Soul the meaning of commandments and the mystery of future redemption This book blends philosophical clarity with poetic inspiration It opens a path not only to understanding Kabbalah but also to experiencing it as a living reality where each step of the seeker brings them closer to the Infinite There are books written in ink and there are books written in light Pardes Rimonim is not merely the treatise of a sage it is a garden into which one enters with a bare heart

There branches intertwine like the paths of the Sefirot there pomegranates hang heavy with fruit each seed holding a secret each seed a part of the whole Rabbi Moshe Cordovero the great Ramak opened the gates of this garden in Safed where the air was filled with hymns and revelations and gathered all the voices of Kabbalah so that in one place they might sing a symphony of infinity Here we learn that God is One that His light shines through ten vessels that the human soul is bound to the roots of creation and that every commandment every prayer is a thread mending the fabric of the world But this garden is not only a solace it is also a challenge For the deeper we wander its paths the more we realize behind the first mystery lies a second behind the second a third and so on endlessly until we dissolve into Ein Sof Whoever enters this garden with an open heart will hear the leaves whisper eternal names and perhaps find there their own fruit sweet and radiant like a spark of the soul
