An Awakening Within Jeffrey Alan Hall, 2002-02-11 If there is to be an awakening it must be with in us within each of our souls for that is the only place that true and lasting change can occur We must awaken to the wonderful possibilities of what we can become as one world and not focus on what we have been as separate nations We must awaken to the things we are for the things that unite us as a planet and not dwell on what we are against by drawing lines in the sand We must awaken to the power of the God force and allow it to lead our collective consciousness to a new and higher way of being We must awaken to the power of love Jeffrey Alan Hall From An Awakening Within

An Awakening Within Joseph Mattioli, 2003 An Awakening Within is an unconventional fifteen chapter short novel that takes the reader on a captivating spiritual journey to the Holy Land and back Though the characters and many of the events are fictitious and the dialogue is Christian based it is universal in nature The main character through strange encounters in a land far from his normal sheltered existence is faced with supernatural encounters that question and challenge many of his own basic Christian teachings universally known as the Story A continuing strange turn of events and struggle make a captivating read while providing an insight richness and vitality to the searching spirit It is a story of acceptance and rejection it is a story of faith a story of Truth and fables the questions of life On a deeper level it is a journey The story is a journey in pursuit of the true that is filled with people Yet it is a journey we must all travel alone Interaction between characters encourages the reader to think out and question things he has been taught by humans and instead seek God's revelation directly The reader is challenged not to be a conformist but rather to uncover the simplicity of God's church and knowing Him It brings one back to the very foundation of the New Testament Church And that foundation is hearing directly from the Father himself by seeking our hope in knowing God through the universal Truth that God exists within each of us It points to Christ or the anointing of the Spirit of God as the true teacher of all truth rather than a man or a book Being a novel it is a non threatening story for the world of religion for the 21st century

Farmhouse Larry V. Murphy,2010-05-31 This book describes a man's late life journey to Spiritual Awakeness and Unwavering Forgiveness In fact forgiveness changed the book's unfolding during the writing of it The author began the book

s writing with the desire to review a memory troubled life in a way that some degree of peace could be found within it Forgiveness absolutely began to take over the book very early forgiveness became the way of seeing the life rather than an end result The author learned that forgiveness is not only cleansing and healing in retrospective it completely changes the way we look at things For the author a lifetime previously perceived largely in ugliness was transformed into beauty Prior unsavory scenes took their true places within auras of ignorance eyes of forgiveness exposed ignorance as the true culprit in all unhappiness Thus things previously seen in contempt and blame became innocent of all charges The author found total Unwavering Forgiveness and Universal Love gateways to God Consciousness
