Watson,2020-06-09 New Hampshire couple Betty and Barney Hill provided Americans with what is essentially the original alien abduction story Since their story became public in the early 1960s many thousands of Americans have likewise come forward with similar stories of traumatic experiences Sometimes the abductee has little conscious recollection of these events but through nightmares dreams flashbacks and hypnosis they eventually learn more Sometimes the participants are bewildered To get a better understanding of the opposing viewpoints of skeptic and believer the Betty and Barney Hill case is used to examine the wider context of such encounters their historical origins media influences and the latest extraterrestrial psychological paranormal conspiracy and sociological theories that surround them *Hair of the Alien* Bill

Chalker,2005-08-19 The shocking true story of a case unlike any other in the annals of UFO investigation DNA research or alien abduction July 23 1992 In Sydney Australia twenty eight year old Peter Khoury was awoken by what appeared to be two females both striking and unearthly kneeling on his bed What transpired between them was a physical assault as bizarre and disorienting as it was unnatural Then as quickly as they had arrived they vanished Khoury had become one of a legion of alien abductees with inexplicable experiences but this particular incident stood apart from all the others This time there was evidence two strands of white blond hair from one of the females Khoury s case would result in the very first forensic DNA analysis of alien abduction evidence and revealed an extraordinary biological anomaly one genetically close to human yet almost impossibly far from the human mainstream A gripping account of one of the great mysteries of our time *Hair of the Alien* brings us closer than ever before to understanding our past our origins and our place in the universe **The**

Forbidden Fruit & The Tree of Knowledge Blake C. Erickson,2008-09-24 As a human being living in today s reality information is readily available for interpretation and subjectivism The information provided in this book may cause a few readers to prop up on the edge of their seat as they ponder such notions as Psychology Consciousness Spirituality Religion Ancient History Mythology Symbolism Shamanism Music Art Crop Circles and UFOs *The Forbidden Fruit The Tree of Knowledge* is a book that is intended to raise some very curious questions about seemingly random topics which hold a sacred geometrical outline for understanding who and what we are **Alien Experiences** Nadine Lalich,Barbara

Lamb,2020-09-03 Many current and ancient sources suggest that UFOs and extraterrestrial beings have been visiting the earth and interacting with humans for thousands of years If this is true monumental implications arise regarding the origin and evolution of humanity and the future of our planet This book discusses the highly controversial subject of alien contact and abduction recounting twenty five cases of close encounter The cases included have been selected from the files of

psychotherapist Barbara Lamb who has been working with abductees since 1991 In her work with 560 individuals more than 1 800 regressions have revealed encounters with what appear to be non human life forms Although extraterrestrial contact is difficult to prove scientifically the events described in this book are accurate in that they have been presented as they were described by the individuals who experienced them These are normal men and women living average responsible lives who have been subjected to extremely unusual events These individuals display such a compelling sincerity and marked emotional response to their strange experiences there can be no doubt they have experienced some kind of extraordinary event As a reader you may be curious about the subject or you may be a confirmed skeptic You may also be someone who is investigating unusual occurrences in your own life Whatever the case may be if with an open mind you will simply consider the possibilities inferred by the cases described herein you might find yourself on the road to a greater vision of reality
