Axis of Evil - Mystery Adventure in Pakistan James Haley, 2005-07-01 Having completed a cycle tour through India I decided to go to Islamabad to meet a man whom I had met years earlier in Thailand who had intrigued me with stories of adventure in the wild North West Frontier province My background as a Chartered Surveyor served me well in Pakistan Travel and work took me from the cities to the deserts and across the mountains to the border with Afghanistan I was fascinated by that part of the world and had years earlier made a study of the life of Alexander the Great I was now to see some of the historic places that he saw and tread the same soil My loyalty to the boss the curious stranger whom I had met in Thailand led me into this adventure taking me across Asia through China Hong Kong Sri Lanka Thailand and the UK As I embarked on this mysterious adventure little did I know how intertwined my life was to become with that of the curious stranger nor did I realize what an exciting and at times dangerous adventure was about to unfold **The Economist** ,2002
