diabetes epidemic in Native populations and the diabetes epidemic is being incorporated into contemporary discussions of ethnic identity in Native Chicago where a vulnerability to the development of diabetes is described as a distinctly Native trait This work is based upon ethnographic research in Native Chicago conducted between 2007 and 2017 with ethnographic and oral history interviews observations surveys and archival research Diabetes in Native Chicago illustrates how local understandings of diabetes are shaped by what community members observe in cases of the disease among family and friends Pollak shows that in the face of this epidemic care for disease is woven into the everyday lives of community members Diabetes is not merely a physical disease but a social one perpetuated by social policies and practices and can only be thwarted by changing society

Roman pictures Percy Lubbock,2025-03-02 In Roman Pictures Percy Lubbock presents a captivating meditation on ancient Rome blending detailed description with a subjective lens that explores the echoes of history in contemporary life Lubbock s literary style is rich and evocative employing impressionistic narratives that invite readers to immerse themselves in the vibrant tapestry of Roman civilization Through a series of vividly imagined scenes and figures he brings to life the art culture and daily experiences of the Romans all while weaving in profound reflections on human nature and the passage of time His work resonates within the tradition of historical fiction and non fiction aiming not merely to recount history but to evoke the emotions tied to it Lubbock an influential figure in early 20th century literary circles was deeply engaged in the exploration of narrative form and the relationship between past and present His experiences as a journalist and editor undoubtedly infused his writings with a keen observational skill and a desire to uncover the layers of meaning that history offers Roman Pictures serves as a testament to his fascination with antiquity and its relevance to modern existence providing readers with a lens into his scholarly pursuits and personal reflections This book is highly recommended for anyone interested in the confluence of history and literature Lubbock s insights not only illuminate the grandeur of Rome but also encourage readers to reflect on the enduring human experience Engage with Roman Pictures to enrich your understanding of both ancient and contemporary worlds and to appreciate history as a living narrative that continues to shape our lives

Oswald Chambers Bertha Chambers,2017-05-17 Civil war famine genocide AIDS the peoples of Africa have endured horrific human tragedies Those crises plus widespread economic political and social instability have combined to produce what some consider a dire and nearly hopeless situation Even as this book was going to press the leaders of the G 8 nations were meeting to talk about what could be done to aid Africa in these critical times A careful look at history would indicate that the answer must come from within Africa and from the African people themselves not from other nations or the economic programs and solutions
