Bab Ballads:

The Bab Ballads William Schwenck Gilbert, 1970 W S Gilbert renowned author of the Savoy Operas was also the creator of the Bab Ballads possibly the best comic verse and surely the best illustrated in the English language according to James Ellis Gilbert published these poems together with his own grotesque drawings signed Bab a childhood nickname in Fun and other magazines in the late nineteenth century In 1898 the older and by then distinguished Gilbert substituted pallid and inoffensive drawings for the originals which he had come to believe erred gravely in the direction of unnecessary extravagance Since then the ballads have been collected and published in various editions most of which have featured the revised drawings and only a selection of the poems This is the only book to offer the complete collection of ballads with all original illustrations a tribute to the comic genius of a writer known as the most original dramatist of his generation This collection will delight readers with its irreverence and wit *The Bab Ballads* W. S. Gilbert, 2023-08-27 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision The "Bab" Ballads William Schwenck Gilbert, 1870 **The Bab Ballads** W. S. Gilbert, 2017-08-27 The Bab Ballads are a collection of light verse by W S Gilbert illustrated with his own comic drawings Gilbert wrote the Ballads before he became famous for his comic opera librettos with Arthur Sullivan In writing the Bab Ballads Gilbert developed his unique topsy turvy style where the humour was derived by setting up a ridiculous premise and working out its logical consequences however absurd The Ballads also reveal Gilbert's cynical and satirical approach to humour They became famous on their own as well as being a source for plot elements characters and songs that Gilbert would recycle in the Gilbert and Sullivan operas The Bab Ballads take their name from Gilbert's childhood nickname and he later began to sign his illustrations Bab **More "Bab" Ballads ... With illustrations by the author William Schwenck Gilbert, 1870 *The Bab Ballads, with Which Are Included Songs of a Savoyard* W. S. Gilbert, 2019-12-12 In *The Bab Ballads with Which Are Included Songs of a Savoyard* W S Gilbert crafts a delightful collection of humorous and satirical verses that combine clever wordplay with musicality Gilbert renowned for his role as a lyricist and librettist in the Victorian era employs a whimsical and often absurd narrative style that encapsulates the spirit of his time Each ballad offers a poignant commentary on societal norms human folly and the whimsical nature of life appealing to both the intellect and the sense of humor of its readers W S Gilbert was a prominent figure in Victorian theatre best known for his collaborations with composer Arthur Sullivan His experience in the theatre coupled with his keen observations on social mores deeply influenced his writing The Bab Ballads first published in the 1860s serves as a precursor to the famous Savoy Operas and reflects Gilbert's satirical genius as he explores themes of love social pretensions and the absurdities of human behavior through his vividly imagined characters This collection is highly

recommended for readers who appreciate sharp wit and the playful exploration of life's eccentricities Gilbert's unique blend of humor and critical insight into human nature makes *The Bab Ballads* not just a delightful read but also a significant cultural artifact that resonates even today inviting readers to reflect on the timeless absurdities of existence *The Bab Ballads* William Schwenck Gilbert,1899 *More Bab Ballads* W. S. Gilbert,2023-08-27 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision ***Fifty Bab Ballads*** William Schwenck Gilbert,1890 ***The Bab Ballads*** W. S. Gilbert,2018-11-26 Of all the ships upon the blue No ship contained a better crew Than that of worthy Captain Reece Commanding of The Mantelpiece He was adored by all his men For worthy Captain Reece R N Did all that lay within him to Promote the comfort of his crew If ever they were dull or sad Their captain danced to them like mad Or told to make the time pass by Droll legends of his infancy *The Bab Ballads with Which are Included Songs of a Savoyard* W. S. Gilbert,2017-06-25 About thirty years since several of *The Bab Ballads* most of which had appeared from time to time in the pages of *Fun* were collected by me and published by Messrs George Routledge and Sons This volume passed through several editions and in due course was followed by a second series under the title of *More Bab Ballads* which achieved a popularity equal to that of its predecessor Subsequently excerpts were made from these two volumes and under the title of *Fifty Bab Ballads* had a very considerable sale but I soon discovered that in making the selection for this volume I had discarded certain Ballads that were greater favourites with my readers than with me Nevertheless this issue was followed by many editions English and American of *Bab Ballads* *More Bab Ballads* and *Fifty Bab Ballads* to the no little bewilderment of such of the public as had been good enough to concern themselves with my verses So it became desirable for our own private ends that this confusion should be definitely cleared up and thus it came to pass that a reissue of the two earlier collections in one volume was decided upon Some seven years since I collected the most popular of the songs and ballads which I had written for the series of light operas with which my name is associated and published them under the title of *Songs of a Savoyard* It recently occurred to me that these songs had so much in common with *The Bab Ballads* that it might be advisable to weld the two books into one This is briefly the history of the present volume I have always felt that many of the original illustrations to *The Bab Ballads* erred gravely in the direction of unnecessary extravagance This defect I have endeavoured to correct through the medium of the two hundred new drawings which I have designed for this volume I am afraid I cannot claim for them any other recommendation W S GILBERT ***The "Bab" Ballads*** William Schwenck Gilbert,1892 *The "Bab"ballads, Much Sound and Little Sense. With Illus. by the Author* W. S. Gilbert,2023-07-18 In these hilarious and timeless poems W S Gilbert skewers the hypocrisies and absurdities of Victorian society with wit and charm This edition features illustrations by the author himself This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within
