## Bab A Subdeb

**J. Storer Clouston**

## **Bab A Subdeb:**

Bab: A Sub-Deb Mary Roberts Rinehart, 1918-01-01      **The Bat/Bab, a Sub-Deb** Mary Roberts Rinehart, 2000-12-20

Volume 6 of The Essential Rinehart Collection presents two very special works of Mary Roberts Rinehart. The Bat is an adaptation of a Broadway play written in conjunction with Avery Hopwood. Considered Mary's finest work to date, the novel is based in part on her first work, The Circular Staircase. Someone or something is trying to frighten Cornelia Van Gorder to death. But the plucky woman doesn't scare easily. In fact, she's always longed to play detective. Until she stumbles on a corpse one storm-swept night and realizes she's involved in a deadly game with an elusive killer known as The Bat. Also included in this volume is the rare and long out of print Bab: A Sub-Deb. The author's most experimental work presents a first-hand account of a writing assignment; the typos are intentional that leads to tragedy and murder.

**Bab** Mary Roberts Rinehart, 2014-04-25. Bab, only twenty months younger than her sister, the official debutante, rebels against her treatment by her family. Set during the pre-World War I era when women's roles were rapidly changing, Bab determines to assert her independence through this series of misadventures and mysteries. I am writing all of this as truthfully as I can. I am not defending myself. What I did, I was driven to, as any one can see. It takes a real shock to make the average family wake up to the fact that the youngest daughter is not the family baby at seventeen. All I was doing was furnishing the shock. If things turned out badly as they did, it was because I rather overdid the thing. That is all. My motives were perfectly irreproachable. Bab. And this Bab feels through all of her hilarious and at times dangerous adventures to prove she is not just a Sub-Deb. Written by that master of mystery and humor, Mary Roberts Rinehart. Bab is a delightful combination of both.

The Works of Mary Roberts Rinehart: Bab: a sub-deb Mary Roberts Rinehart, 1917      **Improbable Fiction** Jan Cohn, 2005-12-15. The mystery stories and other popular fiction of Mary Roberts Rinehart, 1876-1958, brought her wealth and fame, but she was much more than a writer. She was a well-known American, respected and loved during a time when few women achieved national influence. Her early life was conventional enough. Trained as a nurse, she met and married a physician with whom she had three sons. She was living the stereotypical life of a young matron in Allegheny, now part of Pittsburgh, when her husband's investments evaporated during a stock market crash. She began writing as a means to supplement the family income. Rinehart became a prolific writer. In addition to her mysteries, she wrote serious fiction, plays, poems, magazine articles, and editorials. Her regular contributions to the Saturday Evening Post were immensely popular and helped the magazine mold middle-class taste and manners. In this fascinating account of a woman ahead of her time, Cohn illuminates the tensions that pervaded Rinehart's life. Rinehart's commercial success conflicted with her domestic roles of wife and mother; she often endured periods of illness and depression but also pursued adventure, including a job as the first woman war correspondent at the Belgian front during World War I. Throughout, Cohn presents Rinehart as a woman of many complexities whose zest for life always prevailed.
