Anonymous Christ:

The Norman Anonymous of 1100 A.D. George H. Williams, 2009-01-05 **Anonymous Pilgrims**, 1897 Object and Apparition Maya Stanfield-Mazzi, 2013-09-26 When Christianity was imposed on Native peoples in the Andes visual images played a fundamental role yet few scholars have written about this significant aspect Object and Apparition proposes that Christianity took root in the region only when both Spanish colonizers and native Andeans actively envisioned the principal deities of the new religion in two and three dimensional forms The book explores principal works of art involved in this process outlines early strategies for envisioning the Christian divine and examines later more effective approaches Maya Stanfield Mazzi demonstrates that among images of the divine there was constant interplay between concrete material objects and ephemeral visions or apparitions Three dimensional works of art specifically large scale statues of Christ and the Virgin Mary were key to envisioning the Christian divine the author contends She presents in depth analysis of three surviving statues the Virgins of Pomata and Copacabana Lake Titicaca region and Christ of the Earthquakes from Cusco Two dimensional painted images of those statues emerged later Such paintings depicted the miracle working potential of specific statues and thus helped to spread the statues fame and attract devotees Statue paintings that depict the statues enshrined on their altars also served the purpose of presenting images of local Andean divinities to believers outside church settings Stanfield Mazzi describes the unique features of Andean Catholicism while illustrating its connections to both Spanish and Andean cultural traditions Based on thorough archival research combined with stunning visual analysis Object and Apparition analyzes the range of artworks that gave visual form to Christianity in the Andes and ultimately caused the new religion to flourish

A Dictionary of the Anonymous and Pseudonymous Literature of Great Britain (etc.) Samuel Halkett, John Laing, 1882 Showing Time: Continuous Pictorial Narrative and the Adam and Eve Story Laura Messina-Argenton, Tiziano Agostini, Tamara Prest, Ian F. Versteegen, 2023-02-14 How does a visual artist manage to narrate a story which has a sequential and therefore temporal progression using a static medium consisting solely of spatial sign elements and what is more in a single image This is the question on which this work is based posed by its designer Alberto Argenton to whose memory it is dedicated The first explanation usually given by scholars in the field is that the artist solves the problem by depicting the same character in a number of scenes thus giving indirect evidence of events taking place at different times This book shows that artists in addition to the repetition of characters devise other spatial perceptual representational strategies for organising the episodes that constitute a story and therefore showing time Resorting to the psychology of art of a Gestalt matrix the book offers researchers graduates advanced undergraduates and professionals a description of a large continuous pictorial narrative

HOW AMERICA BECAME ANTI-CHRISTIAN AND SELF-DESTRUCTIVE Dr. George Joseph K PhD,2015-12-10 The American dream of a free world will be defeated if Christianity will be defeated in USA USA cannot survive unless the current perceptions of freedom and secularism undergo a drastic change There is freedom to promote almost everything except the Christian truth Ten Commandments are banned But yoga is promoted at all levels This kind of selective discrimination against the truth will destroy the very foundations of any society Strange motivations of the anti supernatural secularist lobby in the governmental institutions and their complicity in side lining Christian faith cannot be ruled out Thus ironically the undefeatable America tends to defeat itself In its rejection of Christian truth and values USA made truth a lie and the lie a truth If the current trends of self hatred of Christian faith by higher criticism and liberal theology and destruction of churches continue in 20 years USA will be overrun by the values and culture of Hinduism and Islam And USA will go down in history as the most powerful empire which had the best values in its custody since the days of its foundation but subjected itself to a silent death executed by its experts and enjoyed by its people who went after thrillers fantasies romances and other vain imaginations neglecting the truth Remember it was the hatred to Christian values that instigated the anti supernatural liberal theology from within and without the church which ultimately resulted in the Nazi Holocaust Beware when the Christian faith and values are suppressed the very survival of the societies at large is endangered This is the lesson of the entire world history
