**History of Woman Suffrage (Vol. 1-6)** Various, 2021-08-21

History of Woman Suffrage reflects the history of voting in the United States from its beginnings to the ratification of the Nineteenth Amendment. It is a comprehensive review of the most important historical events on more than 5000 pages. For decades, this book has remained a significant source of primary information on suffrage movements in the United States and is a valuable source of information today. Although the work was written by leaders and members of the National Woman Suffrage Association (NWSA), it doesn't cover the deeds of the other women suffrage organizations. Yet even today, the History of Woman Suffrage remains the richest repository of published accessible documentary evidence of nineteenth-century suffrage movements, as researchers state.
