## Another Quest For Honor:

*Honor, Patronage, Kinship & Purity* David A. deSilva, 2000-10-12 David A deSilva demonstrates in this book how paying attention to the cultural themes of honor patronage kinship and purity opens us to new facets of the New Testament documents

Outlaw Justice Theodore W. Jennings , Jr., 2013-04-17 This book offers a close reading of Romans that treats Paul as a radical political thinker by showing the relationship between Paul s perspective and that of secular political theorists Turning to both ancient political philosophers Plato Aristotle and Cicero and contemporary post Marxists Agamben Badiou Derrida and i ek Jennings presents Romans as a sustained argument for a new sort of political thinking concerned with the possibility and constitution of just socialities Reading Romans as an essay on messianic politics in conversation with ancient and postmodern political theory challenges the stereotype of Paul as a reactionary theologian who invented Christianity and demonstrates his importance for all regardless of religious affiliation or academic guild who dream and work for a society based on respect rather than domination division and death In the current context of unjust global empires constituted by avarice arrogance and violence Jennings finds in Paul a stunning vision for creating just societies outside the law

**Beware the Evil Eye Volume 2** John H. Elliott, 2016-01-22 In the present volume Elliott addresses the most extensive sources of Evil Eye belief in antiquity the cultures of Greece and Rome In this period features of the belief found in Mesopotamian and Egyptian sources are expanded to the point where an Evil Eye belief complex becomes apparent This complex of features associated with the Evil Eye human eye as key organ of information eye as active not passive eye as channel of emotion and dispositions especially envy arising in the heart possessors victims defensive strategies and amulets is essential to an understanding of the literary references to the Evil Eye This volume along with chapter 2 of volume 1 sets and illuminates the context for examining Evil Eye belief and practice in the Bible and the biblical communities the focus of volume 3

The Oxford Handbook of Social Relations in the Roman World Michael Peachin, 2011 The study of Roman society and social relations blossomed in the 1970s By now we possess a very large literature on the individuals and groups that constituted the Roman community and the various ways in which members of that community interacted There simply is however no overview that takes into account the multifarious progress that has been made in the past thirty odd years The purpose of this handbook is twofold On the one hand it synthesizes what has heretofore been accomplished in this field On the other hand it attempts to configure the examination of Roman social relations in some new ways and thereby indicates directions in which the discipline might now proceed The book opens with a substantial general introduction that portrays the current state of the field indicates some avenues for further study and provides the background necessary for the following chapters It lays out what is now known about the historical development of Roman society and the essential structures of that community In a second introductory article Clifford Ando explains the chronological parameters of the handbook The main body of the book is divided into the following six sections 1 Mechanisms of Socialization primary

education rhetorical education family law 2 Mechanisms of Communication and Interaction 3 Communal Contexts for Social Interaction 4 Modes of Interpersonal Relations friendship patronage hospitality dining funerals benefactions honor 5 Societies Within the Roman Community collegia cults Judaism Christianity the army and 6 Marginalized Persons slaves women children prostitutes actors and gladiators bandits The result is a unique up to date and comprehensive survey of ancient Roman society *Paul in His Hellenistic Context* Troels Engberg-Pedersen, 2004-10-27 Universalism in Judaism and Christianity Alan F Segal Yes No How Far the participation of Jews and Christians in pagan cults Peder Borgen Paul and the Hellenistic schools the evidence of Galen Loveday Alexander Transferring a ritual Paul's interpretation of baptism in Romans 6 Hans Dieter Betz Enthymemic argumentation in Paul the case of Romans 6 David Hellholm Romans 7 7 25 as a speech in character Stanley K Stowers The quest for honor and the unity of the community in Romans 12 and the oration of Dio Chrysostom Halvor Moxnes Determinism and free will in Paul the argument of 1 Corinthians 8 and 9 Abraham J Malherbe Stoicism in Philippians Troels Engberg Pedersen Human nature and ethics in Hellenistic philosophical traditions and Paul some issues and problems David E Aune *Saddam's Word* Ofra Bengio, 2002 By analyzing political terms concepts and idioms as used by Saddam Hussein and the Ba'th regime author Ofra Bengio illuminates Iraq's political culture and the events that these expressions have both reflected and shaped **Early Christ Groups and Greco-Roman Associations** Richard S. Ascough, 2022-06-20 Over the past two and a half decades there has been an increasing interest in how the data from the associations known primarily from inscriptions and papyri can help scholars better understand the development of Christ groups in the first and second centuries Richard Ascough's work has been at the forefront of promoting the associations and applying insights from inscriptions and papyri to understanding early Christian texts This book collects together his most important contributions to the scholarly trajectory as it developed over a two decade period A fresh introduction orients the sixteen previously published articles and essays which are arranged into three sections the first dealing with associations as a model for Christ groups the second focused on how associations and Christ groups interacted over recruitment and the third on two key elements of group life meals and memorializing the dead **Lancelot-Grail: The post-Vulgate Quest for the Holy Grail & the post-Vulgate Death of Arthur** Norris J. Lacy, 2010 Parts one and two of Lancelot cover Lancelot's boyhood and his admission to Arthur's court where he falls immediately in love with Guenevere The adventures and quests which follow including his friendship with the tragic Galehaut take us to the point where he becomes a companion of the Round Table Book Jacket **Christ's Associations** John S. Kloppenborg, 2019-11-26 A groundbreaking investigation of early Christ groups in the ancient Mediterranean As an urban movement the early groups of Christ followers came into contact with the many small groups in Greek and Roman antiquity Organized around the workplace a deity a diasporic identity or a neighborhood these associations gathered in small face to face meetings and provided the principal context for cultic and social interactions for their members Unlike most other groups however about

which we have data on their rules of membership financial management and organizational hierarchy we have very little information about early Christ groups Drawing on data about associative practices throughout the ancient world this innovative study offers new insight into the structure and mission of the early Christ groups John S Kloppenborg situates the Christ associations within the broader historical context of the ancient Mediterranean and reveals that they were probably smaller than previously believed and did not have a uniform system of governance and that the attraction of Christ groups was based more on practice than theological belief *Paul's Macedonian Associations* Richard S. Ascough,2020-07-31 Richard Ascough uses Greco Roman associations as a comparative model for understanding early Christian community organization with specific attention to Paul s Macedonian Christian communities **Gender, Genre, and Power in South Asian Expressive Traditions** Arjun Appadurai, Frank J. Korom, Margaret A. Mills,2015-12-21 The authors cross the boundaries between anthropology folklore and history to cast new light on the relation between songs and stories reality and realism and rhythm and rhetoric in the expressive traditions of South Asia **Reason, Will and Emotion** P. Crittenden,2012-09-28 This powerful exploration of an important topic in philosophy of mind from ancient to contemporary philosophy presents an original argument against the current direction of debate and examines a wide range of philosophers from both continental and analytic traditions **Extension of Ricoeur's Hermeneutic** P.L. Bourgeois,2012-12-06 The path Husserl entered upon at the beginning of his philosophical writings turned out to be the beginning of a long tedious way Throughout his life he constantly comes to grips with the fundamental problems which set him upon this path Beginning with the logical level of meaning laboring through the idealism of the transcendental phenomenology of the period between Ideas I to the Meditations in search for the ever more originary he finally arrived at the level of the Lebenswelt It was this later focus on the ever more originary the source the foundation of meaning which led him finally to the horizon of meaning and the genesis of meaning in the Lebenswelt period This later period allows for a quasi wedding of his phenomenology with some adaptation of existentialism But this union called for an adaptation of Husserl s logistic prejudice The period of the Lebenswelt allows many of the later phenomenologists to speak of the failure of the brackets in their extreme exclusion and to allow for a link between man and his world in the Lebenswelt This link is at the source of the ontological investigations and theories which arise from the phenomenological movement However there is the possibility of many tensions in such an endeavor since the study of being can be most abstract and most concrete **The Practical Works of Richard Baxter; with a Preface, Giving Some Account of the Author, and of this Edition of His Practical Works; an Essay on His Genius, Works, and Times ...** Richard Baxter,1847 Scripture, Cultures, and Criticism K. K. Yeo,2022-08-23 This collection of nineteen representative essays is a Festschrift written by former colleagues and students in honor of Prof Dr Robert Jewett 1933 2020 and his legacy Our hope is that future generations of Bible readers will find this textbook on biblical interpretation helpful for navigating through the strong winds of exegetical theological and hermeneutical methods Jewett s

expansive research interests have inspired each author in this tribute volume each of whom has witnessed to the ways that helmsman Jewett has navigated through the often choppy ocean waters of biblical interpretation as well as the complex changing world of religion sacred texts films and popular culture psychology and sociology politics and Pauline studies
