Another Time:

Another Time, Another Place Larry L. Harshbarger, 2004-11-11 It was a time of extreme peril The Great Depression was winding down and World War II was starting The author witnessed the Greatest Generation first hand as he saw many young men including his older brother leave town and go off to war On the home front there developed a closeness and support of family friends and neighbors not seen before or since Through good and bad times the towns young boys hiked fished hunted and trapped in the streams fields forests and mountains surrounding their homes It was truly an era that will never be again

Another Time, Another Place Gordon E. Jenkins, 2003-05-07 Two young people one white and one deemed black products of their environment separated by the rigid inhumane caste system of the Jim Crow South meet by chance bond and begin a forbidden relationship which nurtures and grows even when they attempt to terminate it knowing the potential consequences if they are discovered As they secretly flaunt the laws and traditions of the day they aggressively pursue their individual ambitions to escape the equally binding economic shackles As their commitment to each other becomes stronger they become bolder and challenge the status quo in ways that cannot be ignored by the power structure Their actions coupled with fate trigger unforeseen events with tragic consequences *Another Time/ Another Land* Robert M. Grossman, 2011-04

Another Time, Another Place Margarita Ludovic, 2012-11-05 A beautifully written account of an idyllic childhood Told in the first person against the milieu of show business bounds of freedom and family idiosyncrasies If only things were so straight forward Instead this recount of the lifes transitions is juxtaposed against the backdrop of the second world war bringing into question a sense of identity belonging and loyalties The author cleverly takes the reader along a cathartic journey of making sense of the past Are we tied up and restricted by our history or do these events just pave the way towards what we are able to achieve

Traces of Another Time Margaret Scanlan, 2014-07-14 Is the historical novel the outmoded genre that some people imagine form inseparable from romanticism nationalism and the nineteenth century In this stimulating volume Margaret Scanlan answers a convincing no as she demonstrates the relevance of historical novels by well known figures such as Anthony Burgess John le Carr Graham Greene Doris Lessing Iris Murdoch and Paul Scott as well as by less well established writers such as Joseph Hone and Thomas Kilroy Scanlan shows what a skeptical experimental approach to the relationship between history and fiction these writers adopt and how radically they depart from the mimetic conventions usually associated with historical novels Drawing on contemporary historiography and literary theory Scanlan defines the problem of writing historical fiction at a time when people see the subject of history as fragmentary and uncertain The writers she discusses avoid the great events of history to concentrate on its margins what interests them is history as it is experienced usually reluctantly by human beings who would rather be doing something else The first section of the book looks at fictional representations of England s difficult history in Ireland the second examines spies aliens and the loss of public confidence and the third probes the theme of Apocalypse nuclear or otherwise and depicts the collapse of the British Empire as an instance of the greatly diminished importance of Western culture in the world Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and
