of each verse in the Bible this outstanding resource will help strengthen your grasp on God's Word. By comparing the precise NASB with the magnified sentence structure of the Amplified Bible, readers are better able to appreciate the meaning of the scriptures as understood by their audience in the original languages. Known for its word-for-word literal accuracy, the New American Standard Bible updated edition is the 1 choice for in-depth inductive Bible study. And through its unique use of synonyms and definitions, the Amplified Bible both explains and expands the meaning of words in the text by placing amplification in parentheses and brackets after key words or phrases. Through multiple expressions, greater emphasis is given to the divine message as reflected in the original Greek and Hebrew. Now readers can benefit from both translation approaches with this side-by-side comparison that offers a more enriching experience with God's Word.

NASB 12: For now we see in a mirror dimly, but then face to face, now I know in part, but then I will know fully, just as I also have been fully known.

13: But now faith, hope, love abide, these three, but the greatest of these is love.

AMPLIFIED BIBLE 12: For now we are looking in a mirror that gives only a dim, blurred reflection of reality, in a riddle or enigma, but then, when perfection comes, we shall see in reality and face to face. Now I know in part imperfectly, but then I shall know and understand fully and clearly, even in the same manner as I have been fully and clearly known and understood by God.

13: And so faith, hope, love abide, faith, conviction, and belief respecting man's relation to God and divine things, hope, joyful and confident expectation of eternal salvation, love, true affection for God and man, growing out of God's love for and in us, these three, but the greatest of these is love.
