**Life's Ever Changing Emotions** Ronald Black, 2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the end of the day if we listen closely we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through life's ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim

**Again - What It Really Means** Larry Gallamore, 2012-11 This book is about what it really means to be born again To many people the term born again means a one time Christian experience of accepting Jesus as Lord and Savior However we argue that being born again has a broader meaning including learning how to really live every day of our lives Today s world is at a critical juncture In the past few years we have witnessed a global economy that is out of control Governments spend more than they have people are losing their homes to foreclosure businesses close because they are unable to pay their employees and people are out of work and search for months to find a job which often barely pays them a living wage They lose their self esteem and motivation to even look for work Our whole nation and world is in need of being born again but not just in a religious sense The teachings of Jesus and other spiritual leaders tell us that we are individually responsible for our lives The answers to all life s problems are found within ourselves The kingdom of God is within This means that there is a spark of the divine found within each person To be truly born again means to live in harmony with the laws of the universe We must take responsibility for our own thoughts attitudes and actions Utilizing the teachings of great spiritual teachers we will focus on building each other up and the destructive values such as greed power control and jealousy will be transformed into values of love cooperation understanding and compassion This is the real meaning of being born again *The Legacy of Billy*

*Graham: Critical Reflections on America's Greatest Evangelist* Michael G. Long, 2008 Perhaps no individual person has had more of an effect on twentieth century American Christianity than the renowned evangelist Billy Graham And although Graham s influence on evangelicalism has long been recognized Michael G Long s *The Legacy of Billy Graham* is the first book to examine his impact on mainline Christianity and American civil religion With contributors both noted and revered this critical but appreciative volume poignantly assesses Graham s career With fairness and clarity these prominent mainline to progressive scholars shed valuable light on the evangelist s theology and preaching his influential perspectives on politics and economics feminism and sex war and peace and race and power as well as his engagement with powerful contemporaries including Martin Luther King Jr and Reinhold Niebuhr before concluding with two insightful retrospectives on his legacy Back cover of book **You Can Overcome the Jealousites in Your Life** KaShana K. J. Gallentine, 2011-02

What is a jealousyite you might ask The term jealousy means very watchful or careful in guarding or keeping resentfully suspicious of a rival or a rival s influence resentfully envious resulting from such feelings requiring exclusive loyalty An ite is a native inhabitant or citizen of a descendent from or offspring of an adherent of believer in or member of A jealousyite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life even if it s yourself So you ve fallen into the pit of sin and jealousy and envy has a hold on you Is it to late for you or those in your territory or life who may be struggling with this sin The answer is no So many are stuck or at a stand still in life while others are watching enviously at those who are pursuing ahead We can no longer ignore this crisis for it affects our relationships on all levels Whether it be in your home in the workplace in your school in your church in your family in your friendships or in

your nation Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God sized transformation If you are tired of living an average defeated self consumed and insecure life this book was designed with you in mind You don t have to sit back and watch others get to the finish line You can get in the race and finish your course also No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth You yes you are called to make a difference and a contribution in the lives of others This book s message is a beckoning call for healing deliverance restoration and forgiveness to the broken hearted If you ve been desiring to get ahead in life to advance beyond the pain sufferings and struggles you ve been experiencing this is your time
