and we yearn for a different answer from God His silence can be our answer God may not alter His will for our lives Have you ever wondered if the answer to a question you've been grappling with is already out there If we can formulate a question God already has the answer With God the answer always precedes the question He comprehends the end from the beginning and is the Alpha and Omega the Beginning and the End the First and the Last The Scripture says The Lamb was slain before the foundations of the world reaffirming God's omniscience and omnipotence and reminding us that He is perpetually in control Before humanity ever sinned the solution to the problem was already in place God had already provided the Answer because He is the Answer Everything we need is in Him He is the thirst and the water that quenches the thirst He is the air we breathe and the lungs that desperately need it He is the hunger and the food that satisfies He is everything we need and more He is God Be cautious not to dismiss your answered prayer simply because it doesn't align with your expectations This is a common pitfall like the religious leaders known as the Pharisees who missed out on salvation by not recognizing Jesus because He didn't fit their preconceived image of a messiah Similarly we might overlook our blessings if we are too fixated on what The Answer should look like Remember we should do what we can and leave the things beyond our reach to God Today we face many challenges and people want answers When we pray we should strive to have faith in God knowing that Jesus is The Answer
