the French consul a rationalist who struggles to make sense of Balkan life the novel presents Ottoman viziers foreign visitors and Austrian plenipotentiaries all consumed by an endless game of diplomacy and double dealing Courtly and expansive face to face they brood and scheme behind closed doors As they have for centuries the Bosnians themselves observe and endure the machinations of the greater powers that vie futilely to absorb them Ivo Andric s masterwork is imbued with the richness and complexity of a region that has brought so much tragedy to our century and known so little peace
