Kilmer,2017-09-12 Excerpt from Dreams and Images An Anthology of Catholic Poets This is not a collection of devotional poems It is not an attempt to rival O rby Shipley s admirable Carmina Mariana or any other similar anthology What I have tried to do is to bring together the poems in English that I like best that were written by Cath olics since the middle of the Nineteenth Century There are in this book poems religious in theme there are also love songs and war songs But I think that it may be called a book of Catholic poems For a Catholic is not a Catholic only when he prays he is a Catholic in all the thoughts and actions of his life And when a Catholic attempts to re ect in words some of the Beauty of which as a poet he is conscious he cannot be far from prayer and adoration About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Anthology of Catholic Poets](#) ,1955
