**Anthology of Magazine Verse for 1921 and Year Book of American Poetry (Classic Reprint)** William Stanley Braithwaite, 2017-05-14 Excerpt from *Anthology of Magazine Verse for 1921* and Year Book of American Poetry To get at the character of an American Poetry then we must understand these forces which have been at work upon our national experiences It is interesting in light of what I have said to quote this passage from a letter which I received from an interested reader of these anthologies In the 1920 Anthology it runs you speak of we Americans as being without a tap root in literature I know we are young yet it seems to me that if the real hundred per cent American writers were encouraged the root would respond by a greater depth of growth and in time we would have an American literature and I am going to suggest that you in the 1921 Anthology select writers as nearly American as possible in name and in harmony with our country make this issue American in every way descendants of the New England and New York and Pennsylvania and Virginia settlers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do
