its forms its major authors and its contexts The first part explores the historical and cultural contexts and sexual politics of literary modernism and the avant garde The chapters in the second part concentrate on individual authors and movements while the concluding part offers a comprehensive overview of the early reception and subsequent canonisation of modernist poetry As well as insightful readings of canonical poets the Companion features extended discussions of poets whose importance is now being increasingly recognised such as Mina Loy poets of the Harlem Renaissance and postcolonial poets in the Caribbean Africa and India While modernist poets are often thought of as difficult these essays will help students to understand and enjoy their experimental playful and fascinating responses to contemporary social and cultural change and their dialogue with the arts and with each other

Phenomenal Reading Brian M. Reed, 2012-04-04 This book examines individually and collectively poets widely recognized as formal and linguistic innovators Why do their words appear in unconventional orders What end do these arrangements serve Why are they striking Brian Reed focuses on poetic form as a persistent puzzle utilizing historical fact and the views of other critics to clarify how particular literary works are constructed and how those constructions lead to specific effects Back cover

The Many Facades of Edith Sitwell Allan Pero, Gyllian Phillips, 2017-06-13 A fascinating book that takes us deep into Edith Sitwell's world of artifice disguise high camp and verbal ingenuity In these essays Sitwell emerges as a central figure in an alternative avant garde in early twentieth century Britain Faye Hammill author of *Sophistication A Literary and Cultural History* Establishing Edith Sitwell at the center of British modernism this volume showcases her many achievements in poetry autobiography novel writing criticism art and performance Forgoing the gossip about her eccentric appearance and self-fashioned persona that has too often overshadowed serious writing about her work the contributors explore how Sitwell combined persona and poetry to foster an outpouring of iconoclastic creativity The Many Facades of Edith Sitwell argues that Sitwell was crucial to the development of a British avant garde that operated alongside the conventionally accepted transatlantic modernism of Ezra Pound and T S Eliot With Sitwell as an influential literary player and social architect the British interwar arts scene was not an ascetic escape from personality as the modernism of Pound and Eliot has often been characterized but an alternative space of flamboyant extravagant and ornate performance Allan Pero is associate professor of English at the University of Western Ontario Gyllian Phillips is associate professor of English studies at Nipissing University

Contemporary Poetry, 2011

Orality, Form, and Lyric Unity Beverley Nadin, 2023-01-25 *Orality Form and Lyric Unity* examines the poetic works of Michael Donaghy and Don Paterson and their advancement of a poetics of sound and sense Observing Donaghy's critical perspectives on orality tradition and memory and Don Paterson's systems of collective relation and lyric unity this volume explores the intellectual curiosity of both poets from the classical to the contemporary in relation to music literature philosophy scientific thought and the rituals and austerities of the transcendent This text also explores the tensions occupying their work between craft and spontaneity and between the intellect and intuition that arise from a fundamental

respect for form as the poet's guiding principle. Orality, Form, and Lyric Unity exposes persuasive rhetoric and pursues a nuanced understanding of the enigmatic complexity of poetic language and its critical context. This volume interrogates valuable insights into form, language, and poetics and clarifies and reframes these with a focus on the creative process for readers interested in poetry and the practical and critical perspectives of these poets. *The Cambridge History of Twentieth-Century English Literature* Laura Marcus, Peter Nicholls, 2004 Publisher Description
